

**STATEMENT OF PURPOSE**

**RS24905**

This bill amends the Chiropractic Practice Act to consolidate all fee provisions into one section, raise some fee caps, and modernize language governing deposit and expenditure of fees. The bill also clarifies the process for granting and reinstating an inactive license. Archaic language dealing with review of applications and personal interviews of applicants is deleted.

**FISCAL NOTE**

There is no impact to the General Fund or to the Idaho Bureau of Occupational License's dedicated fund. It has no fiscal impact because it is a rewrite and update of the current law. It raised some fee caps but does not raise fees since any fee increases must be done by rule.
