

STATEMENT OF PURPOSE

RS25444

33-405 provides scholarships for students who graduate from high school in Idaho and will attend college in Idaho having earned some sort of college credit (Dual Credit, Advanced Placement, Career Technical, etc.) The state funded scholarship must be matched by a scholarship generated from business. This bill clarifies how the matching scholarships from businesses are handled by postsecondary institutions.

FISCAL NOTE

There is no fiscal impact to the General Fund because this change to the language in the statute does not change or amend the funding levels already established in code.
