

STATEMENT OF PURPOSE

RS24884

To amend Idaho Employment Security Law to change the status of Idaho Career Information staff from exempt to classified.

FISCAL NOTE

No fiscal impact. The proposed change of status of four current Career Information System positions from exempt (non-classified) to classified involves no major changes in compensation, vacation, sick leave accrual or benefits. Based on the statutes already in place and followed by the Department of Labor, the four positions are earning a salary equivalent to an appropriate department classified pay grade, which is a pay grade "L" as shown in the current Fiscal Year 2017 compensation schedule as maintained by the Division of Human Resources.
