Bid Selection for Next Legislative Branch Audit Cycle

Eric Milstead, Director, Legislative Services Office, advised that every four years the Council selects a Certified Public Accounting (CPA) firm to perform the Legislative Branch biennial audit. The request for proposal (RFP) approved by the Council at its October 27, 2017 meeting was sent to CPA firms. Proposals were received by EideBailly and Harris CPAs. The proposals were scored by Terri Kondeff, LSO Chief Operations Officer; Mary Sue Jones, Senate Chief of Staff to Pro Tem; Terri Franks-Smith, House Chief Fiscal Officer; and Lori Hendon, LSO Audits Division, Training & Quality Assurance Manager. Representative Moyle asked why there was a big cost difference between the firms. Director Milstead responded that Harris CPAs proposed one month to complete the audit, whereas EideBailly proposed two months. Representative Monks asked why the managerial capabilities were scored twice. Ms. Kondeff responded that the scoring used was a standard weighted system as used by the Board of Examiners. Pro Tem Hill recommended looking at the raw scores for each firm. Director Milstead stated that EideBailly scored higher than Harris CPAs and was the preferred firm by the scoring team.

Senator Winder moved to approve the staff's recommendation to hire EideBailly, seconded by Representative Erpelding, and the motion passed by unanimous voice vote.

Chairman Bedke adjourned the meeting at 1:33 p.m.
