

STATEMENT OF PURPOSE

RS25677

This bill relates to the Tax Commission duties in relation to the errors in its assessment of operating property. The proposed change is in the Tax Commission deadline for notifying county auditors and tax collectors of such errors and providing corrections to the operating property roll. This will provide more time for the counties to correct any errors and calculate the proper tax levies.

FISCAL NOTE

There is no fiscal impact to the state. This is a minor procedural change.
