

STATEMENT OF PURPOSE

RS26031

The powers and duties of the Idaho State Historical Society trustees are broadly written. This is good, as it provides for an enormous amount of flexibility. However, the very specific agency facilities, programs, and functions, and those that drive the agency's strategic plan, services, and budget, need to be clearly articulated in the enabling legislation. These include the Idaho State Museum, Idaho State Archives, State Historic Preservation Office, and Historic Sites functions. (Amend code 67-4112)

FISCAL NOTE

There is no fiscal impact as this is amending existing legislation for clarification of the agency's programs and facilities.
