

STATEMENT OF PURPOSE

RS25840

The purpose of this legislation is to have the State of Idaho Human Resource Division, or appropriate agency, send out an email every April, which is National Donate Life Month, to remind state employees that this benefit exists.

If more state employees step forward because of this benefit, this will help Idahoans on the kidney transplant waiting list receive their transplant sooner, get off dialysis and return to a full, healthy lifestyle.

FISCAL NOTE

There is no fiscal note associated with this legislation.
