

## STATEMENT OF PURPOSE

### RS26085

This bill changes school board elections from their current date of May in odd years to the city elections in November of odd numbered years, with the goal of increasing voter turnout and citizen participation in local schools.

### FISCAL NOTE

There will be no impact to the state general fund. County costs should remain near current levels because multiple ballot faces have been, and will continue to be, necessary due to the overlay of school zone boundaries and voting precincts.
