

## STATEMENT OF PURPOSE

### RS26609

In 2018 the Idaho Legislature passed HB0546 which changed the minimum donor age from 16 to 15 for individuals to be able to volunteer to be an organ donor. Idaho allows individuals to get a driver's license at 15, but prior to HB0546, those individuals were not able to volunteer to be a donor and get the organ donor designation on their license.

After HB0546 passed, it was discovered that additional sections of code needed to be updated. To accomplish the original purpose of HB0546. This legislation simply changes the sections of code that were missed.

### FISCAL NOTE
