IDAPA 17 – INDUSTRIAL COMMISSION

DOCKET NO. 17-0000-2100F (FEE RULE)

NOTICE OF OMNIBUS RULEMAKING – PROPOSED RULEMAKING

AUTHORITY: In compliance with Sections 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 72-301, 72-301A, 72-304, 72-327, 72-432, 72-508, 72-528, 72-602, 72-803, and 72-806, Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 17, rules of the Industrial Commission:

IDAPA 17

- 17.01.01, *Administrative Rules Under the Worker's Compensation Law.*

FEE SUMMARY: This rulemaking does not impose a fee or charge, or increase a fee or charge, beyond what was previously submitted to and reviewed by the Idaho Legislature in the prior rules. The \$250 application fees charged to employers seeking approval to become self-insured is needed to defray added costs incurred by the Commission in evaluating these applications.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rule and fee(s) being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

Negotiated rulemaking conducted outside of this omnibus rulemaking under docket 17-0101-2101 published in the June 2021 Idaho Administrative Bulletin, [Vol. 21-6, pages 54-55](#), and docket 17-0101-2102 published in the July 2021 Idaho Administrative Bulletin, [Vol. 21-7 pages 27-28](#) and affects the following rule chapter included in this proposed rulemaking: IDAPA 17.01.01.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the proposed rule attached hereto.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the proposed rule, contact Kamerron Slay, Commission Secretary, (208) 334-6017 or kamerron.slay@iic.idaho.gov.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered within twenty-one (21) days after publication of this Notice in the Idaho Administrative Bulletin. Oral presentation of comments may be requested pursuant to Section 67-5222(2), Idaho Code, and must be delivered to the undersigned within fourteen (14) days of the date of publication of this Notice in the Idaho Administrative Bulletin.

DATED this October 20, 2021.

If an insurance carrier has designated more than one adjuster for worker's compensation claims in Idaho, a corporate officer of the insurance carrier shall prepare, certify, and file a consolidated report of outstanding awards. ()

l. Comply with Law and Rules. Each insurance carrier shall comply with the statutes of the state of Idaho and the rules of the Industrial Commission to ensure that payments of compensation shall be sure and certain and not unnecessarily delayed. ()

02. Self-Insured Employers. A self-insured employer approved under Subsection 301.02 shall comply with the following requirements: ()

a. Payroll Requirements. Maintain an average annual Idaho Payroll over the preceding three (3) years of at least four million dollars (\$4,000,000). Any self-insured employer that does not meet the Payroll requirement of this rule for two consecutive semi-annual premium tax reporting periods shall be allowed to maintain their self-insured status for six (6) months from the end of the last reporting period in order to permit them time to increase their Payroll or obtain worker's compensation coverage with an insurance carrier authorized to write worker's compensation insurance in the state of Idaho. ()

b. Security Deposit with Treasurer. ()

i. Maintain a primary security deposit with the Idaho State Treasurer in the form permitted by Section

72-301, Idaho Code, a self-insurer's bond form available on the Commission's website, or in substantially the same form, or in such other form approved by the Commission, in the amount of one hundred fifty thousand dollars (\$150,000), plus five percent (5%) of the employers' average annual Payroll in the state of Idaho for the three (3) preceding years, not in excess of ten million dollars (\$10,000,000). No approved security shall be accepted for deposit above its par value. Additional deposits of approved security may be required semi-annually if the market value of an approved investment falls below its par value or if the total value of the employer's security deposit falls below the total security required to be maintained on deposit when calculated in accordance with this rule. ()

ii. Self-insured employers shall receive a credit for the primary security deposit against the self-insured employer's obligation to post the additional security required by Subparagraph 302.02.b.i. of this rule. ()

Excess insurance coverage approved by the Commission may apply as a credit against the self-insured employer's obligation to post the additional security required by Subparagraph 302.02.b.i. of this rule. The Commission must be provided with thirty (30) days advance written notice of any change or cancellation of an approved excess insurance policy. No credit will be given for any excess insurance coverage provided by a surplus lines carrier, as described in Chapter 12, Title 41, Idaho Code. ()

This guaranty agreement confirms the continuing agreement of each of the joint venture members or the parent company to guarantee the payment of all Idaho worker's compensation claims of employees of that joint venture or subsidiary self-insured employer. The guaranty agreement shall be in substantially the same form as the current sample Indemnity and Guaranty Agreement, and as applicable, the companion Consent of the Board of Directors, available on the Commission's website. ()

iii. The report shall be filed even if there are no open claims. In that event, the employer shall certify the fact that there are no open claims to be reported. ()

iv. The report shall be submitted on or in a format that is substantially the same as the current Form IC-211, “Self-Insured Employer Report of Total Unpaid Liability,” available on the Commission's website. The report may be produced as a computerized spreadsheet or database printout. ()

vi. A self-insured employer shall also make, within the time prescribed, such other reports and respond to such information requests as the Commission may require from time to time concerning matters under the Worker's Compensation Law. ()

f. Submit to Audits by Industrial Commission. Each year a self-insured employer shall provide the Industrial Commission with a copy of its annual financial statements, or other acceptable documentation. Each self-insured employer shall submit to audit by the Commission or its designee at any time and as often as it requires to verify the amount of premium such self-insured employer would be required to pay as premium to the State Insurance Fund, and to verify compliance with the provisions of these rules and the Idaho Worker's Compensation Law. For the purpose of determining such premium for uninsured contractors of a self-insured employer, the most recent proof of coverage information contained in the Industrial Commission's database shall be presumed to be correct for the purpose of determining such coverage. ()

g. Comply with Law and Rules. Comply with the statutes of the state of Idaho and the rules of the Industrial Commission to the end that payment of compensation shall be sure and certain and not unnecessarily delayed.
