021. INFORMAL PROCEEDINGS DEFINED (RULE 21).

Informal proceedings are proceedings in cases authorized by statute, rule or order of the Commission to be conducted using informal procedures, i.e., procedures without a record to be preserved for later Commission or judicial review, without the necessity of representation according to Rule 43, without formal designation of parties, without the necessity of presiding officers, or without other formal procedures required by these rules for formal proceedings. The Commission Staff will consider and investigate informal inquiries or complaints without prejudice to the interested persons right to present the matter formally to the Commission, unless all affected persons agree in writing to be bound by the informal decision. Settlement offers made during informal proceedings are confidential and shall be excluded from the agency record of any later formal proceedings. The Commission prefers informal procedure for informal inquiries or complaints. But, the Commission may formally consider any informal inquiry or complaint presented to it or to the Staff. ()

Formal proceedings, which are governed by rules of procedure other than Rules 21 through 24, must be initiated by a pleading listed in Rules 51 through 58. ()

026. INFORMAL FILES MAY BE INVESTIGATIVE RECORDS (RULE 26).

Files created by the Commission and its Staff in response to informal inquiries or complaints are investigatory records and are generally exempt from disclosure according to Section 74-105(1), Idaho Code, but are available under Section 74-113(1), Idaho Code, to the customer, applicant, utility, carrier, etc., that are the subjects of the investigation. 01. Utility Applications to Change Rates. Applications by any public utility to change any rate, fare, toll, rental or charge or any classification, contract, practice, rule or regulation resulting in any such increase, decrease or change must include the following data: ()

a. An exhibit fully showing each proposed change in rates, tolls, rentals, charges, rules or regulation by striking over proposed deletions to existing tariffs and underlining proposed additions or amendments to existing tariffs, except applications to increase or decrease all or almost all rates and charges by a uniform percentage or by a uniform amount may be made by filing a tariff listing the proposed change and all unchanged rates and charges or rates and charges not changed by a uniform percentage or a uniform amount, or by using another designation previously approved by the Commission that clearly calls attention to all proposed changes in numbers or wording. ()

b. A complete justification of the proposed increase in the form of testimony and exhibits or a narrative exposition. ()

c. A statement showing how and when the application has been or will be brought to the attention of affected customers and a copy of the press release and customer notice required by Rule 125. ()

d. A statement that the applicant stands ready for immediate consideration of the application. ()

e. Testimony and exhibits showing financial statements, cost of capital and appropriate cost of service studies. ()

f. Workpapers or documentation showing how test year data were adjusted. ()

g. If the applicant provides utility service in states besides Idaho or that is subject to federal regulation, a jurisdictional separation of all investments, revenues and expenses allocated or assigned in whole or in part to Idaho intrastate utility business regulated by this Commission showing allocations or assignments to Idaho. ()

02. Proposals Based upon Computer Modeling. In addition, in any application in which a computer model is used to represent or simulate processes from which the revenue requirement is derived or upon which allocations of the revenue requirement to different customer classes are based, complete documentation of all those computer models must be supplied to the Staff, upon request, and be available in the utility's office or other depository. The Staff may request that the computer model itself be provided. A computer model includes the

representation or simulation of a process, but does not mean or include the compilation of actual data. The application must state that (a) the models' documentation on file in the applicant's office or another depository fully describes the models or (b) necessary updates or additions to prior documentation that will fully describe the models is on file and will be supplied on request. ()

03. Grounds for Returning or Dismissing Application. Failure to comply with Rule 121.01 and 121.02 is grounds to return or dismiss an application under Rule 65. ()

122. NOTICE OF INTENT TO FILE A GENERAL RATE CASE (RULE 122).

01. Which Utilities Must File Notice. Utilities with annual gross revenues from retail customers in Idaho exceeding three million dollars (\$3,000,000) must file with the Commission a "notice of intent to file a general rate case" at least sixty (60) days before filing a general rate case. If the general rate case described in the notice is not filed within one-hundred twenty (120) days after filing the notice the notice will be deemed withdrawn unless the utility files a written statement that the utility still intends to file a general rate case of the kind described in the notice. ()

02. Exceptions for Trackers or Annual Cost Adjustments. Rule 122 applies only to general rate increases. Examples of cases outside the scope of Rule 122 include (but are not limited to) fuel cost adjustments (e.g., PGA), power cost adjustment (PCA), commodity or purchased power tracker rate increases, emergency or other short-notice increases caused by disaster or weather-related or other conditions unexpectedly increasing a utility's expenses, rate increases designed to recover governmentally-imposed increases in costs of doing business, such as changes in tax laws or ordinances, or other increases designed to recover increased expenses arising on short notice and beyond the utility's control. ()

123. PROPOSED CHANGES TO RATES OR RULES -- EFFECTIVE DATE -- NOTICE OF APPLICATION -- SUSPENSION (RULE 123).

01. Statutory Notice of Rate Changes. If a public utility applies to change any rate, fare, toll, rental, charge or classification, or any rule, regulation, or contract relating to or affecting any rate, fare, toll, rental, charge, classification, or service, or in any privilege or facility, on fewer than thirty (30) days after the application is filed, the proposed effective date is delayed until thirty (30) days after the application is filed by operation of Section 61-307, Idaho Code, unless the Commission approves an earlier effective date for good cause shown. Absent an order approving or suspending any or all of the proposed changes, the changes not suspended or approved take effect thirty (30) days after filing or on their proposed effective date, whichever is later. If no effective date is proposed for the changes, the changes do not take effect until approved by order. ()

02. Notice of Application. Within twenty-one (21) days of the date of any application to change any rate, fare, toll, charge, or classification, or any rule, regulation or contract relating to or affecting any rate, fare, toll, rental, charge, classification, or service, or in any privilege or facility, the Commission Secretary should issue a notice of application to all interested persons (see Rule 39.02), unless notice is issued under modified procedure or the application is earlier approved or described by order. ()

03. Suspension of Proposed Rate Changes. At any time before proposed changes take effect under Sections 61-307, Idaho Code and Rule 123.01 of this rule, the Commission may suspend the effectiveness of the changes under Sections 61-622, Idaho Code. Whenever the Commission suspends proposed changes for less than the maximum period of suspension allowed by statute, it may extend the period of the suspension to the statutory maximum consistent with the statutory standards. ()

124. DESIGNATION AS GENERAL RATE CASE IN NOTICE OF APPLICATION (RULE 124).

When a notice of application designates a proceeding as a general rate case, all persons are put on notice that the following are at issue and the Commission may make decisions addressing them, whether the notice explicitly repeats the following or not: ()

01. Revenue Requirement. The utility's Idaho intrastate revenue requirement, and every component of it, both rate base and expense, are at issue. The Commission may grant, deny, or modify the revenue requirement requested and may find a revenue requirement different from that proposed by any party is just, fair and reasonable.

()

02. Rates, Charges, and Service. The rates and charges of all Idaho retail customers, both recurring and non-recurring, including those of special contract customers, are at issue, and every component of every existing and proposed rate and charge is at issue. The Commission may approve, reject or modify the rates and charges proposed and may find that rates and charges different from those proposed by any party are just, fair and reasonable.

()

a. The Commission may approve, reject or modify existing or proposed relationships between and among rates and charges within, between or among customer classes or rate groupings and may approve, reject or modify existing or proposed relationships among and between customer classes or rate groupings.

()

b. The Commission may abolish, reduce or create rate blocks or categories of rates and charges, abolish, create or reduce components of rates and charges, abolish, reduce or create customer classes or rate groupings, and abolish, reduce or create absolute or relative differences among and between existing classes or rate groupings of customers.

()

c. The tariffs, practices, rules and regulations, service, instrumentalities, equipment, facilities, classifications, and customer relations of the utility are at issue, and the Commission may address any of them in its order.

()

125. NOTICES TO CUSTOMERS OF PROPOSED CHANGES IN RATES (RULE 125).

01. Contents of Customer Notice. A public utility must notify its customers whenever it requests to change rates.

()

a. If a utility requests a rate increase, the customer notice must briefly explain the utility's need for additional revenue and the dollar amount requested, and give the proposed overall percentage change from current rates as well as the proposed percentage increase in revenue for each major customer class.

()

b. If the utility requests a rate decrease, customer notice must briefly explain the reason for the decrease, the overall dollar amount of the proposed decrease, and the proposed percentage decrease for each major customer class.

()

c. The customer notice must clarify that the application is a proposal, subject to public review and a Commission decision. It shall also inform customers that a copy of the utility's application is available for public review at the offices of both the Commission and the utility, and on the Commission's homepage at www.puc.idaho.gov.

()

d. The customer notice shall inform customers that they may file written comments about the utility's application with the Commission. It shall also inform customers that they may subscribe to the Commission's RSS feed (Subsection 039.03) for periodic updates via email.

()

02. Timing of Notice for Trackers or Annual Cost Adjustments. Tracker adjustment prompted by federal action that result in rate change may be brought to customers' attention in compliance with this rule after approval by the Commission. Other tracker or annual cost adjustment cases that result in a rate increase remain subject to this rule's advance notice requirements. Other tracker or annual cost adjustment cases that result in a rate decrease in rates may be brought to customers' attention in compliance with this rule after being approved by the Commission.

()

03. Timely Distribution of Customer Notices. The customer notices referenced in Subsection 125.01 may be mailed separately to customers or included in the customer's regular bill as a bill stuffer. At the customer's option, the customer notice may be provided electronically. The information required by this rule must be clearly identified, easily understood, and pertain to the proposed rate change. The utility must start distributing customer notices when it files its application or as soon as possible thereafter.

()

04. Press Release. In instances covered by Subsection 125.01, the utility shall also send a press release

with at least the same information presented in the customer notices to all newspapers, radio, and television stations listed on the Commission's news organization list for that utility. The press releases shall be mailed or delivered simultaneously with filing of the application. ()

05. Purposes and Effects of This Rule. Subsections 125.01 through 125.04 are intended to encourage wide dissemination to customers of information concerning proposed rate changes. These subsections do not expand, contract, or otherwise modify customers notice and due process rights under the Public Utilities Law and the Commission's Rules of Procedure, IDAPA 31.01.01. Accordingly, Subsections 125.01 through 125.05 create no due process or procedural rights for any customer that would give rise to a due process or other procedural claim cognizable by the Commission. A public utility's failure to comply with Subsections 125.01 through 125.05 of this rule can be grounds for returning an application for incompleteness. ()

126. APPLICATION TO APPROVE INTERCONNECTION AGREEMENTS (RULE 126).

01. Uncontested Agreements. A telephone corporation may apply to the Commission to approve voluntarily negotiated, adopted or amended interconnection agreements under Section 252 of the federal Telecommunications Act of 1996, <http://www.fcc.gov/telecom.html>. The Commission may act on adopted or negotiated interconnection agreements and uncontested amendments to previously approved agreements with the assistance of Commission Staff's ex parte recommendation. ()

02. Contested Agreements. Petitions to arbitrate, mediate or otherwise resolve interconnection disputes between or among telecommunication carriers shall be processed under Rule 53. ()

127. PUBLIC WORKSHOPS ON APPLICATIONS TO INCREASE RATES (RULE 127).

01. Public Workshop. When a public utility applies to increase any rate, fare, toll, rental or charge regarding any classification or service, the Commission will determine if the staff should conduct a public workshop. The workshop's purpose is for the staff to dispense information concerning the utility's application and to receive written or oral comments from the public before the staff files testimony or comments. ()

02. Notice and Location of Workshop. Notice of the public workshop should be disseminated at least seven (7) days before the workshop to newspapers of general circulation and radio and television stations in the affected area. The Commission shall determine the location for the workshop. A workshop may be held in-person or telephonically. The notice shall also be posted on the Commission's website. ()

03. Exemptions. Subsection 127.01 shall not apply to applications regarding uniform statewide surcharges under Sections 56-904, 62-610 and 62-610F, Idaho Code, or to utility tariff advices. ()

128. -- 130. (RESERVED)

TARIFF SCHEDULES
(Rules 131-140)

131. FORM OF TARIFFS (RULE 131).

Utility tariff schedules must state "Idaho Public Utilities Commission" on their title page. A blank space about three by one and one-half inches (3" x 1-1/2") must be provided for the Commission's stamp of approval in the upper right or lower right corner of each schedule. ()

132. NUMBER OF TARIFF COPIES FILED (RULE 132).

The Commission encourages public utilities to file their tariff schedules via electronic mail. ()

01. Electronic Tariffs. For electronically filed tariffs, each utility shall submit its tariff schedules prepared in searchable Adobe Acrobat in portable document format (PDF) as an attachment to an e-mail, to the Commission Secretary at secretary@puc.idaho.gov. Electronic tariff schedules may also be submitted as PDF documents on CD-ROM or other electronic storage format approved by the Commission Secretary. ()

02. Printed Tariffs. To file printed tariffs, each utility shall file an original and two (2) copies of their

tariff schedules with the Commission Secretary. ()

03. Approval. The Commission will stamp its approval on each copy of an approved tariff, placing the original in its files and returning one (1) copy to the public utility. ()

133. TARIFFS SUBMITTED PURSUANT TO ORDER (RULE 133).

01. Order May Require Tariff Submission. When the Commission orders that tariffs be filed, the order may require the tariff to be accompanied by explanatory documents, summaries, workpapers, or similar material. When the Commission authorizes a utility to file new tariffs pursuant to a general rate case order, the Commission may require the utility to file a complete tariff set containing pages with and without changed rates and charges. ()

02. Staff Review of Tariffs Filed Pursuant to Order. When a utility files tariffs with the Commission pursuant to an order of the Commission in a proceeding in which other persons are party, the responsibility for reviewing the tariff submission to determine whether it complies with the Commission's order is upon the Commission Staff, which shall promptly report to the Commission whether the tariffs do comply. The review of tariffs filed pursuant to order is an ex parte, ministerial responsibility of the Commission Staff. Tariffs may be approved in the minutes of the Commission's decision meetings or by minute entry after Staff review without further order. ()

03. Motions With Regard to Tariffs Submitted Pursuant to Order. If the Commission has approved tariffs, parties or persons contending that approved tariffs are inconsistent with the Commission's orders may file appropriate motions asking that approval be reviewed. ()

134. TARIFF ADVICES (RULE 134).

01. Tariff Advices Authorized. Public utilities may file tariffs adding new or modifying existing services, providing for new or modified rules, or otherwise making minor changes to existing schedules by tariff advice. The tariff advice must include a transmittal letter from the utility listing all tariff pages changed or added by the tariff advice and briefly stating the reason for the tariff advice. If existing tariffs are changed, the advice must contain two (2) copies of each changed page: one (1) showing all the changes with appropriate symbols for deletions, additions, etc., and one (1) showing the pages after the changes as they will appear in the proposed new tariffs. ()

02. Filing of Tariff Advice. No tariff advice can be effective unless notice is given to the Commission and the public under Sections 61-307 and 61-622, Idaho Code. Tariff advices typically do not take effect on less than thirty (30) day notice. If the tariff advice proposes an effective date fewer than thirty (30) days after it is filed, the proposed effective date is delayed until thirty (30) days after the tariff advice is filed by operation of Sections 61-307 and 61-622, Idaho Code, unless the Commission finds good cause to approve an earlier effective date. Absent an order approving or suspending the tariff advice, the tariff advice takes effect thirty (30) days after filing or on the proposed effective date, whichever is later. If no effective date is proposed for the tariff advice, the tariff advice does not take effect until approved by order or minute entry. If a tariff advice is suspended, the Commission will open a formal proceeding and treat the tariff advice as an application. ()

03. Ex Parte Action. Ordinarily, the Commission acts upon tariff advices with the assistance of a written ex parte recommendation of the Commission Staff. The Commission acts upon tariff advices at its open meetings. If Staff believes the tariff advice proposes non-minor changes, then Staff should recommend the Commission process the tariff advice as an application, suspending the proposed effective date as needed. ()

MODIFIED PROCEDURE
(Rules 201-210)

201. SCOPE OF MODIFIED PROCEDURE (RULE 201).

The Commission may preliminarily find that the public interest may not require a technical hearing to consider the issues presented in a proceeding and that the proceeding may be processed under modified procedure, i.e., through written filings in which persons views are expressed through written comments rather than by hearing. ()

202. NOTICE OF MODIFIED PROCEDURE (RULE 202).

01. Notice of Modified Procedure. When the Commission finds that it may not be in the public interest to hold a hearing in a matter, notice of modified procedure will be issued. It will: ()

a. Describe the issues presented in the proceeding; ()

b. Summarize the moving party's justification for the proposed changes and its position; ()

c. State that the Commission finds that it may be in the public interest not to hold a hearing in the proceeding and will not do so unless it receives written comments specifically requesting a hearing and explaining why written comments alone are insufficient; and ()

d. Establish the deadline for filing written protests or comments, and a reply by the moving party. ()

02. Distribution of Notice. Copies of the notice of modified procedure will be provided to all interested persons (see rule 390.02), including newspapers, municipalities, counties, and chambers of commerce located within the territorial scope of the application, petition or complaint whose readers, citizens or members may be affected by the proceedings and to all parties. Requests for admission concerning a matter of opinion or policy or the application of law, order or rule to fact may be denied generally and the reasons for denial required to be discovered by deposition rather than by request for admission, but a request for admission on any matter of opinion or policy or application of law to fact on an uncontested matter must be answered. ()

02. Form of Requests. The caption of a production request or written interrogatory and of a request for admission must identify the party making the request or interrogatory, the party to whom the request or interrogatory is directed, and the number of the request or interrogatory to that party. Separate questions within a production request or written interrogatory or within a request for admission must be numbered consecutively within the request or interrogatory and consecutively with earlier production requests or written interrogatories and requests for admission, respectively, from the same party submitting the questions to the same party answering them. For example, if the last question of the Third Production Request of the Commission Staff to XYZ Electric Company is numbered 33, the first question of the Fourth Production Request of the Commission Staff to XYZ Electric Company must be numbered 34. But, if the Staff's next production request is its first to intervenor ABC Company, that request must begin with question one (1) to that intervenor. ()

03. Time for Objection and Answer. Unless otherwise provided by order, notice, or these rules, or by agreement with or acquiescence of the answering party, parties have fourteen (14) days to object or explain why a question cannot be answered and twenty-one (21) days to answer. ()

04. Numbers of Requests. The number of production requests, interrogatories and requests for admission are not limited by the provisions of the Idaho Rules of Civil Procedure but may be limited by Commission order. ()

226. SUBPOENAS (RULE 226).

01. Issuance of Subpoenas. Upon a motion in writing, or upon a Commissioner's own initiative without motion, any Commissioner may issue subpoenas requiring: ()

a. The attendance of a witness from any place in Idaho; ()

b. The production of documents from any place in Idaho; or ()

c. The production of any books, accounts, papers or records of a utility or carrier kept within or

without Idaho to any designated place of deposition, hearing or investigation for the purpose of taking testimony or examining documents before the Commission, a Commissioner or hearing examiner. ()

02. Witness or Travel Fees. A party's motion to issue a subpoena must be accompanied by a statement that the party will tender to the subpoenaed person all fees required by statute and rules if the subpoena is issued. ()

03. Motions to Quash. The Commission upon motion to quash made promptly, and in any event, before the time to comply with the subpoena, may: ()

a. Quash the subpoena; or ()

b. Condition denial of the motion to quash upon reasonable terms. ()

227. STATUTORY EXAMINATION AND AUDIT -- CONTRASTED WITH OTHER DISCOVERY (RULE 227).

Statutory examination and audit refers to the right of the Commission, an individual Commissioner, or Commission Staff to review and inspect the books, records and premises of regulated utilities and carriers pursuant to statute. This right of statutory examination and audit is independent of any right of discovery in formal proceedings and may be exercised whether or not a formal proceeding is ongoing or a regulated utility or carrier is party to a formal proceeding before the Commission. Information obtained from statutory examination and audit may be used in formal proceedings or for any other regulatory purpose. The rights of deposition, production request or written interrogatory, request for admission, and subpoenas can be used by parties only in connection with formal proceedings before the Commission. ()

228. ANSWERS TO PRODUCTION REQUESTS OR WRITTEN INTERROGATORIES AND TO REQUESTS FOR ADMISSION (RULE 228).

01. When Answers Not Filed. Answers to production requests or written interrogatories and to requests for admission need not be filed and served in the following circumstances: ()

a. Voluminous answers may be filed in a depository designated and agreed to by the parties or designated by the Commission, and an explanation notifying the parties of the availability of the answers at the depository must be filed and served in their stead. ()

b. Answers involving data compiled by computer may be transmitted in computer-readable form (e.g., by disk or other mutually agreed means) to the party requesting them and to all other parties requesting them in similar computer-readable forms and an explanation notifying the parties of their distribution must be filed and served in their stead. ()

02. Filing of Answers. Except as provided in Rule 228.01, answers to production requests or written interrogatories and to requests for admission must restate in full each question asked, then state in full the party's response to the question and the persons who will be able to answer questions about or sponsor the answer at hearing. Answers to production requests or interrogatories need not be separately answered under oath by each person preparing the party's response to the question or each witness who will be able to answer questions about or sponsor the answer, but instead can be generally subscribed by the party's representative. The restatement of the question and its accompanying answer must begin on a new page whenever the preceding answer refers to other documents or whenever the preceding question in the particular production request or written interrogatory is not answered in full in that document. ()

229. FILING AND SERVICE OF DISCOVERY AND RELATED DOCUMENTS (RULE 229).

Deposition notices, production requests or written interrogatories, requests for admission, and corresponding answers, and objections must be filed with the Commission Secretary and served on all parties according to Rules 61, 62, 63, and 64. ()

230. EXHIBIT NUMBERS -- PREPARED TESTIMONY AND EXHIBITS (RULE 230).

The Commission Secretary assigns exhibit numbers to each party. Applicants, petitioners, or complainants are

assigned exhibit nos. 1-100. If the Commission is complainant, the Staff is assigned exhibit nos. 1-100. In all other cases, the Staff is assigned exhibit nos. 101-200. Respondents and intervenors are assigned exhibit nos. 201-300, 301-400, etc., as they make their first pleading, but the lower series are reserved first for respondents, then for intervenors. These assigned numbers should be used in all prepared testimony. ()

231. PREPARED TESTIMONY AND EXHIBITS (RULE 231).

01. Prepared Testimony May Be Required. Order, notice or rule may require a party or parties to submit prepared testimony and exhibits to be presented at hearing. ()

02. Format for Prepared Testimony. ()

a. Prepared testimony and exhibits must be accompanied by a cover sheet showing the case caption and case title, the person testifying, the party for whom the testimony is offered, and the nature of the testimony (direct, rebuttal, etc.). ()

b. The first page of prepared testimony should contain testimony only (i.e., it should begin with the first question to the witness and not repeat the information on the cover page). ()

c. Prepared testimony must be submitted on white eight and one-half by eleven inch (8-1/2" x 11") paper, be double-spaced (except for quoted material and tables or other collections of numerical data), and contain no more than ten (10) characters per inch and no less than twenty-five (25) lines of double-spaced testimony or more than thirty (30) lines per page. Each page may be printed on the front and back (duplexed). ()

d. Each line of prepared testimony must be numbered at the left margin (except single-spaced quotations or tables of numerical data, which may be numbered at the left margin as though they were double-spaced). Each page of testimony must have a one and one-half (1-1/2) inch left margin that will allow the page to be bound on its left side without obscuring the printed material. Indentations for paragraphing and for "Q" and "A" must be seven (7) spaces. ()

e. Each page of prepared testimony must be numbered at the lower right corner and must be blank in the center of the bottom margin to allow the reporter to insert transcript page numbers there. Each page of prepared testimony must have at least a one-inch (1") top and bottom margin. ()

f. Each page of prepared testimony must contain the witness's surname followed by the designation "Di" (signifying direct testimony) or "Di-Reb" (signifying direct testimony on rebuttal) and the name of the party sponsoring the testimony printed in the lower right margin. For example, the marginal notation on page 5 of the testimony of the witness Lynn Accountant of ABC Company would be:

5	or	Accountant, Di 5
Accountant, Di		ABC Company
ABC Company		

()

03. References to Exhibits. All references to exhibits in prepared testimony must refer to the exhibits by their number as assigned by the Commission Secretary. Exhibits accompanying prepared testimony must be consecutively numbered from the first exhibit number assigned to the party by the Commission Secretary if the party has not previously identified exhibits, or from the highest exhibit number previously identified by that party. Exhibits must be filed on eight and one-half by eleven inch (8-1/2" x 11") paper unless it is impractical to make them that size. Exhibits accompanying prepared testimony must comply with Rule 267. ()

04. Number of Copies -- Filing and Service. Unless otherwise provided by order, notice or agreement of the parties, nine (9) legible copies of prepared testimony and exhibits must be filed with the Commission Secretary and copies filed on all parties under Rules 61, 62, 63 and 64 at least fourteen (14) days before the hearing at which they will be presented. The original, if there is an original, or one (1) of the copies, if there is not, must be specifically designated as the reporter's copy by cover sheet, attached note or otherwise, and be included with the copies filed with the Commission Secretary. In special circumstances, notice or order may provide that the reporter's copy of

prepared testimony and exhibits be served directly on the reporter rather than the Commission Secretary. ()

05. Computer-Searchable Copies of Testimony. In addition to the paper copies of prepared testimony, the Commission Secretary may also require or the parties may agree that some or all of the prepared testimony to be submitted to the Secretary, parties and the reporter as computer searchable PDF without password protection. ()

232. SANCTIONS FOR FAILURE TO OBEY ORDER COMPELLING DISCOVERY (RULE 232).
The Commission may impose all sanctions recognized by the Public Utilities Law for failure to comply with an order compelling discovery. ()

233. ASSERTIONS THAT DISCOVERED MATERIAL IS PROTECTED FROM PUBLIC INSPECTIONS -- PROCEDURES (RULE 233).

01. Assertion of Protection. Whenever any party to a discovery request believes that material otherwise discoverable is protected by statute or rule of law from inspection, examination or copying by the general public, the attorney for the party asserting the material is protected by law from inspection, examination or copying must state that the answer or some portion of it is protected, citing the specific statute or other legal authority for that position. The attorney's assertion constitutes a representation that the attorney is familiar with the material claimed not to be available for public inspection, examination and copying and in good faith believes there is a basis in law for that claim. ()

02. Procedures. When an answer contains material, some of which is protected by law from public inspection, examination, and copying and some of which is not, the protected material must be reproduced on yellow paper and separated from material available for public review. Each page of the material exempt from public review must be marked "Trade Secrets" or "Confidential." All material exempt from public review shall be filed with the Commission Secretary and served on all parties under seal pursuant to Rule 229. Material exempt from public review shall be separately stored in a secure location with limited access and safeguarded from unauthorized disclosure. All material for which no assertion of protection against public inspection, examination and copying is made will be placed in files available for public inspection. ()

234. ASSERTION OF RIGHT AGAINST SELF-INCRIMINATION DURING DISCOVERY -- IMMUNITY (RULE 234).

01. Assertion of Right. During discovery any person may assert the right not to testify or not to produce documents upon the ground that the testimony or production of documents may tend to incriminate or subject them to penalty or forfeiture. ()

02. Granting of Immunity. The Commission or any Commissioner may direct that person to testify or produce documents by written order or upon the record at hearing. In such case, that person shall not be prosecuted, punished or subjected to any forfeiture or penalty for or on account of any act, transaction, matter or thing concerning which they shall under oath have testified or produced documentary evidence: provided, that no person so testifying shall be exempt from prosecution or punishment for any perjury committed in that testimony. ()

03. No Immunity Without Assertion of Right. No immunity is granted under this rule or under Section 61-606, Idaho Code, absent of a specific assertion of the persons' rights under Section 61-606, Idaho Code, and the Commission's or a Commissioner's written order or direction on the record at hearing compelling the person to testify or produce written documents and immunizing the person from prosecution, punishment, forfeiture or penalty according to this rule and Section 61-606, Idaho Code. No immunity granted under this rule or Section 61-606, Idaho Code, shall extend to any public utility. ()

235. -- 240. (RESERVED)

HEARINGS -- MISCELLANEOUS PROCEDURE
(Rules 241-260)

241. NOTICE OF HEARING (RULE 241).

01. Timing of Notice. Notice of the place, date and hour of hearing will be served at least fourteen (14) days, or in the case of formal complaints, twenty-one (21) days, before the time set for hearing, unless the Commission finds by order that the public necessity requires the hearing to be held earlier. ()

02. Contents of Notice. Notices must comply with Rule 242's requirements. Notices must list the names of the parties (or the lead parties if the parties are too numerous to name), the case number, and the name of the hearing officer who will conduct the hearing if the case will not be heard by one (1) or more Commissioners. If no document previously issued by the Commission has listed the legal authority of the Commission to conduct the hearing, the notice of hearing must do so. The notice of hearing shall state that the hearing will be conducted under these Rules of Procedure and inform the parties where they may read or obtain a copy. ()

03. Locations of Hearing. Hearings may be held in Boise, Idaho, or at other places designated by notice or order. ()

04. Types of Formal Hearings. The Commission generally conducts two (2) types of formal public hearings. ()

a. A technical hearing is a public hearing where parties present witnesses and their prepared testimony and exhibits. ()

b. A customer hearing is a public hearing for customers, public officials, and other persons not related to parties in the case to provide testimony. Unless otherwise ordered by the presiding officer, parties are prohibited from presenting evidence at the customer hearing. ()

242. FACILITIES AT OR FOR HEARING AND ADA REQUIREMENTS (RULE 242).

All hearings must be held in facilities meeting the accessibility requirements of the Americans with Disabilities Act (ADA). All notices of hearing must inform the parties that the hearing will be conducted in facilities meeting the ADA accessibility requirements. All notices of hearing must inform the parties and other persons notified that if they require assistance of the kind that the Commission is required to provide under the ADA (e.g., sign language interpreters, Braille copies of documents) in order to participate in or understand the hearing, the Commission will supply that assistance upon request made seven (7) days before hearing. ()

243. HOW HEARINGS ARE HELD (RULE 243).

01. All Hearings Presumed Open. All Commission hearings are open to the public except when a hearing may be partially closed to safeguard trade secrets or other confidential information protected from public disclosure. If parties intend to cross-examine or offer testimony that may necessitate the partial closure of a hearing, they shall advise the Commission or presiding officer at the beginning of the hearing or as soon as thereafter as practical. The Commission disfavors closed hearings and parties shall take all reasonable measures to avoid the need to close a public hearing. Such measures include: ()

a. Using references to page and line or column numbers; ()

b. Using summaries or generalizations; ()

c. Stipulating that the evidence be offered in the public hearing; or ()

d. Offering testimony in writing. ()

02. Methods of Conducting Hearings. Hearings may be held in person or by telephone or other electronic means, if each participant has an opportunity to participate in the entire proceeding while it is taking place. ()

244. (RESERVED)

245. CONFERENCE AT HEARING (RULE 245).

The presiding officer may convene the parties before hearing or recess the hearing to discuss formulation or simplification of the issues, admissions of fact or identification of documents to avoid unnecessary proof, exchanges of documents, exhibits or prepared testimony, limitation of witnesses, establishment of order of procedure, and other matters that may expedite orderly conduct of the hearing. The presiding officer should state the results of the conference on the record. ()

246. PRELIMINARY PROCEDURE AT HEARING (RULE 246).

Before taking evidence, the presiding officer should call the hearing to order, take appearances of parties, and act upon any pending motions or petitions. The presiding officer may allow opening statements to explain a party's presentation. ()

247. CONSOLIDATION OF PROCEEDINGS (RULE 247).

The Commission may consolidate two (2) or more proceedings for hearing when it finds that they present related issues and that the parties' rights will not be prejudiced. In consolidated hearings the presiding officer determines the order of the proceeding. ()

248. STIPULATIONS (RULE 248).

Parties may stipulate among themselves to any fact at issue by written statement filed with the Commission Secretary or presented at hearing or by oral statement on the hearing record. The Commission may regard a stipulation as evidence, but the Commission may require proof by evidence of the facts stipulated. The Commission is not bound to adopt the parties' stipulation, but may by order do so. If the Commission rejects a stipulation, it will do so before issuing a final order, and it will provide an additional opportunity for the parties to present evidence and arguments on the subject matter of the rejected stipulation. ()

249. PROCEDURAL SEQUENCE (RULE 249).

- 01. Evidence Presentation.** Parties' evidence will ordinarily be introduced in this sequence: ()
 - a.** Upon applications: ()
 - i. Applicant; ()
 - ii. Intervenors; ()
 - iii. Commission Staff; and ()
 - iv. Rebuttal by applicant. ()
 - b.** Upon formal complaints or petitions (except when the Commission is complainant): ()
 - i. Complainant or petitioner; ()
 - ii. Intervenors; ()
 - iii. Commission Staff; ()
 - iv. Respondents; and ()
 - v. Rebuttal by complainant or petitioner. ()
 - c.** Upon complaints by Commission: ()
 - i. Commission Staff; ()
 - ii. Intervenors; ()
 - iii. Respondents; and ()

- iv. Rebuttal by Commission Staff. ()
- v. The Commission or presiding officer may modify this sequence. Additional evidence may be taken in the discretion of the Commission or presiding officer. Evidence of public witnesses may be taken at any time. ()
- 02. Witness Examination.** Witnesses will ordinarily be examined in this sequence: ()
 - a. Direct examination by sponsoring party or direct statement of public witness; ()
 - b. Examination by applicants, petitioners or complainants; ()
 - c. Examination by intervenors; ()
 - d. Examination by respondents; ()
 - e. Examination by Commission Staff (except when the Staff acts as complainant); ()
 - f. Examination by Commissioners or hearing examiners; and ()
 - g. Redirect examination or rebuttal statement. ()
 - h. The presiding officer may allow additional examination of witnesses or vary the examination of witnesses. The presiding officer may vary the examination sequence (e.g. by allowing parties with interests adverse to the witness to examine the witness after parties with interests similar to the witness.) ()
- 250. TESTIMONY UNDER OATH (RULE 250).**
All testimony will be under oath, with each witness swearing/affirming that their testimony is truthful. ()
- 251. SIMILARLY INTERESTED PARTIES AND PERSONS (RULE 251).**
If two (2) or more parties or persons have substantially like interests or positions, to expedite the proceeding and avoid duplication the presiding officer may limit the number of them who testify, examine witnesses, or make and argue motions and objections. ()
- 252. CONTINUANCES (RULE 252).**
The Commission or presiding officer may continue hearings. When a hearing for an application described by Rule 121 is continued per applicant request, the applicant may be required, as a condition of granting the motion for continuance, to consent to an order tolling the running of any suspension period if the Commission ultimately finds that a final order cannot be issued within the suspension period because the applicant's request for a continuance was granted. ()
- 253. RULINGS AT HEARINGS (RULE 253).**
The presiding officer rules on motions presented at hearing. The full Commission may review the presiding officer's rulings in determining the matter on its merits. In extraordinary circumstances, the presiding officer may refer or defer these matters to the full Commission for determination. ()
- 254. ORAL ARGUMENT (RULE 254).**
The Commission may set and hear oral argument on any matter before it on reasonable notice. ()
- 255. BRIEFS -- PROPOSED ORDERS OF THE PARTIES -- STATEMENTS OF POSITION -- PROPOSED ORDER OF THE COMMISSION (RULE 255).**
In any proceeding, any party may move to file briefs, memoranda, proposed orders of the parties or statements of position, and the Commission or presiding officer may request briefs, proposed orders of the parties, or statements of position. The Commission or presiding officer may issue a proposed order and ask the parties for comment upon the proposed order. ()

256. PROCEDURE ON MOTIONS (RULE 256).

01. Argument. The Commission may consider and decide prehearing motions with or without oral argument or hearing. If oral argument or hearing on a motion is requested and denied, the Commission must state its grounds for denying the request. ()

02. Requirements for Motion for Expeditious Substantive Relief. A motion requesting substantive relief on fewer than fourteen (14) days' notice will not be acted upon on fewer than fourteen (14) days' notice unless it states: ()

a. The facts supporting its request to act on shorter notice; and ()

b. 1) That at least one (1) representative of all parties has received actual notice, by telephone or personal delivery of the motion; or 2) stating the efforts made to reach representatives of those parties not contacted and what efforts will continue to be made to contact them. Except as otherwise provided in this paragraph, the Commission will allow at least two (2) days (excluding Saturdays, Sundays and legal holidays) after notification by telephone or actual receipt of the motion for parties to inform the Commission Secretary, either in writing personally delivered to the Secretary or by telephone, whether they support or oppose the motion and whether they desire to be heard on the motion in person, in writing or by telephone. Except in extraordinary circumstances where the Commission states good cause for ruling on a motion without allowing two (2) days for parties to state their positions or to present their position on the motion either in person, in writing or by telephone, the Commission will not rule on a substantive motion. Whenever an order is issued in such extraordinary circumstances, it will expire in no more than seven (7) days. ()

03. Motions for Procedural Relief. A motion requesting procedural relief on fewer than fourteen (14) days' notice is properly filed if it complies with provisions of Rule 256.02.a. and 256.02.b. The Commission may act on the motion without waiting for responses of other parties. ()

04. Support or Opposition to Prehearing Motion. When a prehearing motion has been filed, all parties seeking similar substantive or procedural relief must join in the motion or file their own motions within seven (7) days after receiving the original motion. The party answering to or responding to the motion(s) will have fourteen (14) days from the time of filing of the last motion or joinder under the requirements of the previous sentence in which to respond, except as provided in Rule 256.02 and 256.03. ()

257. JOINT HEARINGS (RULE 257).

When the Commission participates jointly with a federal regulatory agency, the rules of practice and procedure of the federal agency govern. When the Commission participates jointly with an administrative body of another state or other states, the rules of the state where the hearing is held govern unless otherwise agreed upon by the participating agencies. Any person entitled to appear in a representative capacity for any of the agencies involved in a joint hearing may do so in such joint hearing. ()

258. COMMISSIONERS -- HEARING EXAMINERS -- PROCEDURE (RULE 258).

01. Officers Holding Hearings. Hearings are held before one (1) or more Commissioners or one (1) or more hearing examiners appointed by the Commission. The presiding officer is designated by the Commission. Any Commissioner or hearing examiner may administer oaths. ()

02. Procedure When Hearing Examiner Holds Hearing. When a hearing examiner hears a proceeding, the examiner must prepare and file recommended findings of fact with the Commission Secretary and serve copies on all parties of record within fourteen (14) days after receiving the hearing record, unless the examiner's recommended findings are stated on the record at hearing. Unless otherwise provided by order or notice, the Commission will issue its decision based upon its review of the record and of the examiner's recommended findings of fact. ()

259. ASSERTION OF RIGHT AGAINST SELF-INCRIMINATION AT HEARING -- IMMUNITY (RULE 259).

01. Assertion of Right. At hearing any person may assert the right not to testify or not to produce documents upon the ground that the testimony or production of documents may tend to incriminate the person or subject him or her to penalty or forfeiture. ()

02. Granting of Immunity. The Commission or any Commissioner may direct that person to testify or produce the document by written order or on the record at hearing. In such case, that person shall not be prosecuted, punished, or subjected to any forfeiture or penalty for or because of any act, transaction, matter, or thing concerning which the person shall under oath have testified or produced documentary evidence: provided, that no person so testifying shall be exempt from prosecution or punishment for any perjury committed by the person in that testimony. ()

03. No Immunity Without Assertion of Right. No immunity is granted under this rule or Section 61-606, Idaho Code, unless the person specifically asserts their rights under Section 61-606, Idaho Code, and the Commission's or a Commissioner order in writing or directs on the record at hearing that the person must testify or produce written documents and shall be immunized from prosecution, punishment, forfeiture or penalty according to this rule and Section 61-606, Idaho Code. No immunity shall extend to a public utility. ()

260. SUMMARY OF POSITION(S) AND TESTIMONY (RULE 260).

Each utility shall make available to the public at all Commission hearings a brief written summary of the utility's position(s) and testimony filed in the case under consideration except when the Commission has determined that a summary is not necessary. If the utility is requesting a rate increase, its summary shall address the utility's need for additional revenue, the total dollar amount requested, and the proposed percentage increase or decrease in rates for each major customer class. The Commission Staff and intervenors shall also provide a brief summary of their recommendations and the testimony filed in the case under consideration. These summaries and presentations are provided solely for the convenience of the public and will not be allowed as evidence or form the basis for cross-examination of any witness. ()

EVIDENCE
(Rules 261-270)

261. RULES OF EVIDENCE -- EVALUATION OF EVIDENCE (RULE 261).

The Idaho Rules of Evidence do not bind the presiding officer at hearing. No informality in a proceeding or in how testimony is taken invalidates any order made, approved, or confirmed by the Commission. The Commission generally follows rules on the admissibility of evidence that an Idaho district court would use in non-jury civil cases. But evidence (including hearsay) not admissible in non-jury civil cases may be admitted to determine facts not reasonably susceptible of proof under the Idaho Rules of Evidence. The presiding officer, with or without objection, may exclude evidence that is irrelevant, unduly repetitious, inadmissible on constitutional or statutory grounds, or inadmissible based on any evidentiary privilege recognized in Idaho courts, and order the presentation of such evidence to stop. All other evidence may be admitted if it is a type generally relied upon by prudent persons when conducting their affairs. The Commission may use its expertise, technical competence and special knowledge when evaluating evidence. ()

262. DOCUMENTARY EVIDENCE -- INTRODUCTION OF RECORDS IN THE COMMISSION SECRETARY'S OFFICIAL FILE (RULE 262).

Documentary evidence may be received in the form of copies or excerpts. Upon request, parties shall be given an opportunity to compare the copy with the original if available. When a party offers in evidence any portion of a transcript, exhibit, or other record from another Commission proceeding the part offered must be specifically described and, if admitted, will be made an exhibit. The party offering the exhibit must comply with Rule 267. ()

263. OFFICIAL NOTICE (RULE 263).

01. Matters That May Be Officially Noticed. The Commission may officially note at hearing and in its orders: ()

a. Its own orders, notices, rules, certificates and permits, and those of any other regulatory agency, state or federal; ()

b. Matters of common knowledge, technical, financial, or scientific facts established and published in accepted authorities or in the Commission's specialized knowledge, and matters judicially noticeable; and ()

c. Data in periodic reports utilities filed with the Commission or federal regulatory agencies. ()

02. Procedure for Taking Official Notice. When officially noting on its own motion matters described in Rule 263.01.b.(2) or 263.01.c. or adjudicative facts under Rule 263.01.b.(3) of this rule, the Commission will give the parties appropriate opportunity to respond or refute such matters noticed. Unless otherwise agreed by the parties and approved by the presiding officer, parties requesting the Commission to take official notice of documents must submit those documents to the Commission as prescribed in Rule 262. ()

264. DEPOSITIONS (RULE 264).

Depositions may be offered into evidence as allowed by Section 61-605, Idaho Code, and the Idaho Rules of Civil Procedure. ()

265. OBJECTIONS -- OFFERS OF PROOF (RULE 265).

Grounds for objection to the admission or exclusion of evidence must be stated briefly when the evidence is offered. Formal exceptions to rulings admitting or excluding evidence are unnecessary and need not be taken. An offer of proof consists of a statement of the substance of the excluded evidence. When a party objects to the admission of evidence, the presiding officer may rule on the objection, receive the evidence subject to the later ruling by the full Commission or refer the objection to the full Commission. ()

266. PREPARED TESTIMONY (RULE 266).

If a witness's prepared testimony has been timely filed and previously made available to all parties the presiding officer may order that it be incorporated in the transcript as if read. Without objection, the presiding officer may direct other prepared testimony to be incorporated in the transcript as if read. Admissibility of prepared testimony is subject to the Rule 261. ()

267. EXHIBITS (RULE 267).

01. Exhibit Numbers. Exhibit numbers are assigned to the parties before hearing according to Rule 230. ()

02. Form of Exhibits. Public exhibits offered at hearing must ordinarily be typed or printed on eight and one-half by eleven inch (8 1/2" x 11") white paper. But maps, charts, photographs, and non-documentary exhibits may be introduced on the size or kind of paper customarily used for them. Exhibits that are trade secrets, confidential information or otherwise exempt from public disclosure shall be printed on yellow paper. The party offering the exhibit must give a copy of it to each party present, to the reporter, and to each Commissioner or hearing examiner. A party who offers an unusually bulky or voluminous exhibits should allow the parties to inspect it before offering it at the hearing. Copies must be of good quality. ()

03. Timely Filing of Exhibits. Exhibits offered as part of a party's direct case (except exhibits offered on redirect) must be timely filed. Exhibits filed pursuant to any order, notice or rule requiring their filing before hearing are timely filed as specified in the order, notice or rule. Otherwise, exhibits must be distributed or made available to all parties long enough before their introduction into evidence to allow the parties a reasonable opportunity to review them and to prepare to examine their substance, except exhibits that update exhibits previously timely filed may be filed if the other parties are afforded fair opportunity to examine the sponsoring witnesses. ()

04. Objection -- Admission. Exhibits identified at hearing are subject to appropriate and timely objection before the close of proceedings. Exhibits to which no objection is made are automatically admitted into evidence without motion of the sponsoring party. ()

05. Labeling of Exhibits. All exhibits accompanying prepared testimony, exhibits introduced during direct examination, and, to the extent practicable, all other exhibits introduced at hearing must label the exhibit number, case number, party and witness sponsoring the exhibit, and any subdivisions within the exhibit, such as

separate schedules or charts. Examples of labeling required by this rule are:

Exhibit No. 101	Exhibit No. 507
Case No. XXX-X-XX-XX	Case No. XXX-X-XX-XX
P. Engineer, Staff L.Accountant, ABC Company	
Schedule 1, p. 1 of 3	

Exhibits prepared for the proceeding must contain this labeling on each page of the exhibit. Exhibits reproducing previously existing documents may contain a cover page with this labeling, but need not be labeled on each page. ()

06. Sources for Exhibits. Exhibits prepared from data in workpapers, answers to discovery, periodicals, reports or other documentable sources of information must contain a statement of sources. Examples of the statements of sources required by this rule are: ()

P. Engineer, Workpapers -- Answer of XYZ Utility
to First Tab A, pages 1 - 47 Production Request of ABC
Company, Question 13

Moody's Public Utility -- XYZ Utility,
FERC Form 1 (1993)
Manual p. 402a 1993 Vol. 1, p. 606

Exhibits especially prepared for introduction into evidence in a proceeding (i.e., exhibits not otherwise prepared or in existence) should be descriptively titled to show their contents and purpose. ()

07. Certain Exhibits Require Presiding Officer's Approval. Neither motion pictures, slides, opaque projections, video tapes, audio tapes nor other materials not capable of duplication by still photograph or reproduction on paper shall be presented as exhibits without prior approval of the presiding officer. Writings, or drawings by testifying witnesses are not an exhibit or evidence unless reproduced, photographed, or otherwise preserved for the record. ()

268. -- 270. (RESERVED)

SETTLEMENTS **(Rules 271-280)**

271. PASSIVE SETTLEMENTS (RULE 271).

Settlements in formal proceedings in which a party agrees to concur in, accept, or not to oppose another party's positions previously on record with the Commission are called passive settlements. Any party may reach a passive settlement with any other party on any issue without prior notification to the Commission or any other party. ()

272. PROCEDURES FOR ACTIVE SETTLEMENTS (RULE 272).

Settlements in formal proceedings in which one (1) or more parties negotiate an agreement differing from positions of one (1) or more of the parties previously on record with the Commission are called active settlements. Any party other than the Commission Staff may enter into an active settlement with any party other than the Commission Staff without prior notification to the Commission or other parties. The Commission Staff, however, is precluded from entering into an active settlement without first notifying all other parties and the Commission that it intends to begin or has begun settlement negotiations. The Commission Staff must give all other parties an opportunity to participate in or be apprised of the course of the settlement negotiations before a final settlement agreement is reached. Settlement negotiations are confidential, unless all participants to the negotiation agree to the contrary. ()

273. SUGGESTION FOR OR INQUIRY ABOUT SETTLEMENTS (RULE 273).

Through notice or order or on the record at prehearing conference or hearing, the Commission or an individual Commissioner may inquire of the parties in any proceeding whether settlement negotiations are in progress or

contemplated or invite settlement of an entire proceeding or certain issues. In issuing such an invitation for settlement, the Commission or an individual Commissioner may indicate acceptable ranges of settlement, preclude certain issues from settlement, or otherwise inform the parties of his, her or their views on settlement in aid of securing a just, speedy and economical determination of the issues presented to the Commission. Neither the Commission nor individual Commissioners will indicate ex parte their views on the merits of any proposed settlement. ()

274. CONSIDERATION OF SETTLEMENTS (RULE 274).

Settlements must be reviewed under this rule. When a settlement, be it active or passive, is presented to the Commission, the Commission will prescribe procedures appropriate to the nature of the settlement to consider the settlement. For example, the Commission may summarily accept settlement of an essentially private dispute that has no significant implications for regulatory law or policy or for other utilities or customers upon the written request of the affected parties. On the other hand, when one (1) or more parties to a proceeding is not party to the settlement or when the settlement presents issues of significant implication for other utilities, other customers or the public interest, the Commission may convene an evidentiary hearing to consider the reasonableness of the settlement and whether acceptance of the settlement is just, fair, and reasonable, in the public interest, or otherwise in accordance with law or regulatory policy. ()

275. BURDENS OF PROOF (RULE 275).

Proponents of a proposed settlement carry the burden of showing that the settlement is reasonable, in the public interest, or otherwise in accordance with law or regulatory policy. In any instance in which parties or affected persons oppose the settlement, proponents of the settlement should be prepared to call witnesses and argue in favor of the settlement. Opponents of the settlement should be prepared to examine supporting witnesses, offer their own witnesses, or argue against the settlement. The Commission may require the development of an appropriate record in support of or opposition to a proposed settlement as a condition of accepting or rejecting the settlement. ()

276. SETTLEMENT NOT BINDING (RULE 276).

The Commission is not bound by settlements. It will independently review any settlement proposed to it to determine whether the settlement is just, fair and reasonable, in the public interest, or otherwise in accordance with law or regulatory policy. When a settlement is presented for decision, the Commission may accept the settlement, reject the settlement, or state additional conditions under which the settlement will be accepted. In the last instance, the parties will have twenty-one (21) days to state their acceptance or rejection of the additional conditions imposed by the Commission. If the Commission rejects the settlement or if the Commission's conditional acceptance of a settlement is rejected by the parties to the settlement, the Commission will notify the parties of procedures to be followed to decide the issues for which settlement was rejected by the Commission. ()

277. CONSENT AGREEMENTS NOT SETTLEMENTS (RULE 277).

Consent agreements under Rule 58 are not settlements under Rules 271-277. ()

278. -- 280. (RESERVED)

OFFICIAL RECORDS AND FILES
(Rules 281-290)

281. RECORDS FOR DECISION -- RELATIONSHIP TO OFFICIAL FILE (RULE 281).

The Commission bases its decisions and issues its orders on the hearing record (excluding exhibits denied admission), the Commissioners' record and items officially noted. The hearing record and the Commissioners' record are part of the Commission Secretary's official file. ()

282. THE COMMISSION SECRETARY'S OFFICIAL FILE (RULE 282).

01. Documents in File. The Commission Secretary's official file for a proceeding is the public file maintained by the Commission Secretary. This file includes all documents filed by parties or other persons regarding a proceeding, and includes pleadings, discovery and related materials, briefs, proposed orders, statements of position, correspondence concerning the proceeding directed to the Commission, a Commissioner, or the Commission Secretary (whether by parties or persons not parties), prepared testimony and exhibits, workpapers, transcripts, exhibits presented at hearing, orders, notices, press releases, and other matters related to a proceeding and included in

the public files of that proceeding by the Commission Secretary. ()

02. Public Records. Except as provided in Rules 26, 67, 233, and 287, which refer to statutory exemptions from disclosure, all material in the Commission Secretary's Official File is subject to inspection, examination and copying under Section 74-102, Idaho Code. Information obtained in an application for a certificate issued by this Commission inquiring into a person's fitness to be granted or to retain a certificate is not exempted from examination or copying under Sections 74-106(8) and 74-106(9), Idaho Code. ()

283. THE HEARING RECORD (RULE 283).

The hearing record in a proceeding consists of all transcripts of hearings, conferences, arguments and other proceedings on the record and of all exhibits identified, offered, admitted or denied admission at hearing or prehearing conference. Workpapers, requests for discovery, answers to discovery and other documents filed with the Commission Secretary and served on the parties, whether or not discussed at hearing, are not part of the hearing records unless introduced as exhibits at hearing. The Commission or an individual Commissioner may add to the hearing record by reference to any document in the Commission Secretary's official file, but only after notifying the parties of that intention and giving them reasonable opportunity to object, review, examine, and rebut or contest the document. ()

284. THE COMMISSIONERS' RECORD (RULE 284).

01. Documents in File. The Commissioners' record in a proceeding automatically includes all pleadings, orders, notices, briefs, proposed orders and position papers. The Commission may add documents officially noticed to the Commissioners' record. ()

02. Materials Available at Hearing. The Commissioner(s) or hearing examiner(s) conducting a hearing will have the Commissioners' record and all prepared testimony and exhibits available at hearing. Parties desiring to refer to additional documents at hearing should notify the Commission Secretary and all other parties of their intention so that these other documents will be available to the Commissioner(s) or hearing examiner(s) at hearing or should themselves provide copies at hearing to all other parties and to the Commissioner(s) or hearing examiner(s). ()

285. THE REPORTER (RULE 285).

The reporter at all hearings, conferences, arguments and other proceedings on the record must transcribe all oral proceedings on the record and collect all exhibits identified at hearing. Except as otherwise directed by the Commission, presiding officer at hearing, or the Commission Secretary, the reporter must file the complete hearing record of transcripts and exhibits with the Commission Secretary within fourteen (14) days of the close of hearing. ()

286. TRANSCRIPTS (RULE 286).

01. Form of Transcripts -- Cover Sheet. Transcripts must be prepared on white eight and one-half by eleven-inch (8 1/2" x 11") paper. The lines of each page shall be double-spaced with at least twenty-five (25) lines and no more than thirty (30) lines per page. Quotations, citations, and parenthetical notes may be single-spaced. Each line shall be numbered on the left margin. The cover page of each volume of transcript must show the title of the proceeding, the case number, the presiding officer, the time, and place of hearing, and other information as shown below:

()

02. Volumes of Transcript -- Indices to Volumes. Each day of hearing must be transcribed in a volume or volumes separate from other days of hearing. Each volume of transcript must begin with a list of the parties who appeared that day and their representatives at hearing that day. This list must be followed with a list of all witnesses whose testimony is reported in that volume, showing the pages at which each witness's testimony begins, what party (if any) called the witness, the pages upon which each other party's examination begins, the pages upon which each Commissioner's or hearing examiner's examination begins, and the pages upon which redirect examination or any party's, Commissioner's or hearing examiner's re-examination begins. These lists must be followed with a list showing all exhibits identified in that volume of transcript (including exhibits accompanying prepared testimony), the pages upon which they are first identified, and, if any exhibits are denied admission, the pages upon which the exhibits are denied admission. ()

03. Matters Included in Transcript. The transcript must contain all discussions on the record while the hearing is in order. Unless otherwise directed by the Commission, the presiding officer, or the Commission Secretary, prepared testimony must be included in the transcript without change or retyping. Witness's corrections to prepared testimony should be made by distributing replacement pages to the reporter and describing those corrections on the record and/or distributing an errata sheet; unless otherwise directed, no corrections other than replacement pages will be made in the prepared testimony before it is incorporated in the transcript, except the reporter may make minor corrections by interlineation in the prepared testimony. Witnesses may have seven (7) days after hearing to distribute replacement pages to all parties and to the reporter, unless the Commission, the presiding officer or the Commission Secretary otherwise directs. ()

04. Marginal Notes. The testimony of all witnesses reported in the transcript must be designated in the lower right margin by the witness's surname and the party sponsoring the witness's testimony. Witnesses not sponsored by any party must be designated "Public." The type of testimony must be shown following the witness's surname as "Di" (direct or redirect), "X" (examination by any party not sponsoring the witness), or "Com" (examination by a Commissioner or hearing examiner). Examples of the designations required by this Rule follow:

Accountant, Di;	Accountant, Com; Ratepayer, X
ABC Company	ABC Company Public

Discussions on the record that are not testimony or examination may be labeled "argument," "decision," "colloquy," etc., to describe what is reported. ()

05. Volume Size -- Number of Pages. Transcript volumes should not exceed three hundred (300) pages unless the transcript can be completed in three hundred fifty (350) pages or less. Transcript volumes and pages of all proceedings on the record, including prehearing conferences, hearings, arguments, and any other proceedings on the record, must be numbered consecutively. For example, if a prehearing conference on the record preceded a hearing, the transcript volume and page numbers of the hearing would be numbered consecutively with that of the prehearing conference. ()

06. Number of Copies -- Binding. The reporter shall prepare an original and one (1) copy of the transcript for the Commission. The original of each transcript shall be filed with the Commission Secretary unbound but each volume shall be separated (if applicable). Copies of the transcript shall be fastened at the left margin in spiral or plastic-type binding, so as to open flat. ()

07. Compressed Transcript. Any party may request a compressed transcript having no more than four (4) pages of regular transcript on a page. Each volume of compressed transcript shall contain no more than two hundred (200) pages unless the transcript can be completed in two hundred fifty (250) pages or less. A compressed

transcript may be duplexed. The pagination shall be horizontal as follows:

1	2
3	4

()

08. Computer-Searchable Transcript. Any party may request a computer-searchable disk of the written transcript. The disk shall be in Adobe Acrobat (PDF) or other searchable format agreed upon by the reporter and the party ordering the disk. ()

09. Purchase of Transcript. Any party or other person may request and pay for a copy of a transcript or portions of the transcript from the reporter. ()

287. SEALED TRANSCRIPTS (RULE 287).

At the direction of the Commission or the presiding officer, the reporter shall prepare a separate transcript volume(s) of closed proceedings involving trade secrets, confidential information or other matters exempt from public disclosure. The reporter shall file the separate transcript volume(s) under seal. Sealed transcripts shall be separately stored in a secure location with limited access and safeguarded from unauthorized disclosure. ()

(Rules 301-310)

301. FAILURE TO ANSWER OR APPEAR AT HEARING -- DEFAULTS (RULE 301).

If an applicant, petitioner, complainant or moving party fails to appear at the time and place set for hearing, the Commission may dismiss the application, petition, complaint or motion. When a properly served respondent fails to answer or otherwise respond as provided in these rules or to appear at hearing, including a show cause hearing set by the Commission, the Commission may order any relief against the respondent authorized by law. ()

302. -- 310. (RESERVED)

DECISIONS AND ORDERS

(Rules 311-320)

311. SUBMISSION FOR DECISIONS (RULE 311).

A proceeding is fully submitted for decision upon filing of the hearing record with the Commission Secretary, filing of timely briefs, filing of timely orders proposed by the parties and timely written comments or exceptions, oral argument, or receipt of recommended findings of fact of the hearing examiner, whichever is last, but no later than twenty-eight (28) days after hearing is closed when a hearing is held, except when all Commissioners participating in the decision have heard the case themselves, they need not await the filing of the hearing record to consider the case fully submitted for their decision. The Commission (or a hearing examiner presiding over an uncontested matter) may issue a final decision earlier or rule from the bench, but a bench ruling will be followed by written order. ()

312. PROPOSED ORDERS BY COMMISSION (RULE 312).

The Commission may issue a proposed order in any proceeding. Any party may file exceptions and briefs to a proposed order within twenty-one (21) days from its service date, unless the Commission designates a different time. Any party may file and serve answers and briefs to the exceptions within seven (7) days after service of the exceptions. The Commission may adopt or revise the proposed order in response and issue a final order. The proposed order is not an order of the Commission unless it is adopted by order. In that case, the adopting order is the final order for all purposes. ()

313. -- 320. (RESERVED)

INTERLOCUTORY ORDERS – FINAL ORDERS – REVIEW OR STAY OF ORDERS
(Rules 321-330)

321. INTERLOCUTORY ORDERS (RULE 321).

01. Defined. Interlocutory orders are orders that do not decide all previously undecided issues presented in a proceeding. The Commission may, however decide some issues and state that its decision on those issues is final and subject to review by reconsideration and appeal, but is not final on other issues. An order is interlocutory unless it contains a Rule 323 paragraph or a substantially similar one. ()

02. Certain Orders Always Interlocutory. These orders are always interlocutory: orders suspending rates, fares, tolls, rentals, charges, classifications, contracts, practices, rules or regulations under Section 61-622, Idaho Code; orders initiating complaints or investigations; orders joining, consolidating or separating issues, proceedings or parties; orders granting or denying intervention; orders scheduling prehearing conferences, discovery, hearing, arguments or deadlines for written communications; orders proposing modified procedure; orders compelling or refusing to compel discovery. ()

03. Review of Interlocutory Orders. Interlocutory orders may be reviewed under Rules 322, 324 and 325. ()

322. REVIEW OF INTERLOCUTORY ORDERS (RULE 322).

Any person may petition to review any interlocutory order. The Commission may rescind, alter or amend any interlocutory order on its own motion, but will not on its own motion review any interlocutory order affecting any party's substantive rights without giving all parties notice and an opportunity for written comment. ()

323. FINAL ORDERS (RULE 323).

01. Paragraphs Designating Final Orders. Final orders are all orders and only those orders containing one (1) of these paragraphs or a substantially similar one: ()

a. THIS IS A FINAL ORDER. Any person interested in this Order (or in issues finally decided by this Order) or in interlocutory Orders previously issued in this case may petition for reconsideration within twenty-one (21) days of this order's service date regarding any matter decided in the orders. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration in response to issues raised in the petition for reconsideration. See Section 61-626, Idaho Code; or ()

b. THIS IS A FINAL ORDER. On reconsideration (or denying reconsideration). Any party aggrieved by this Order or other final or interlocutory Orders previously issued in this case may appeal to the Supreme Court of Idaho under the Public Utilities Law and the Idaho Appellate Rules. See Section 61-627, Idaho Code. Orders may be final on some issues and interlocutory on others. If so, the orders will explicitly designate the issues upon which they are final. ()

02. Service of Final Orders. The Commission Secretary must indicate on every order subject to petition for reconsideration the date upon which the order was served on the parties Rule 41 representatives. The Commission Secretary must indicate on every order subject to appeal the date upon which the order was filed with the Commission Secretary and the date upon which the order was served on the parties Rule 41 representatives. ()

03. Petition to Designate Order as Final. Whenever a party believes that an order not designated as a final order should be a final order, the party may petition the Commission to designate the order as final. If an order is designated as final after its release, its effective date for purposes of reconsideration or appeal is the order of designation's service date. ()

04. Review of Final Orders. Final orders may be reviewed under Rules 324, 325, 326, 331 and 341. ()

324. STAY OF ORDERS (RULE 324).

Any person may petition the Commission to stay any order, whether interlocutory or final. Orders may be stayed by the judiciary according to statute. The Commission may stay any order on its own motion. ()

325. CLARIFICATION OF ORDERS (RULE 325).

Any person may petition to clarify any order, whether interlocutory or final. Petitions for clarification from final orders do not suspend or toll the time to petition for reconsideration or appeal a final order. A petition for clarification may be combined with a petition for reconsideration or alternatively stated as a petition for clarification and/or reconsideration. The Commission may clarify any order on its own motion. ()

326. RESCISSION, ALTERATION OR AMENDMENT OF FINAL ORDERS (RULE 326).

01. Petition to Rescind, Alter or Amend a Final Order. Any person may petition to rescind, alter or amend a final order under Section 61-624, Idaho Code. The petition to rescind, petition to alter, or petition to amend must state: ()

a. That it is filed under Section 61-629, Idaho Code, after an order has been set aside or set aside in part on appeal, or ()

b. Circumstances have changed or new information has become available since the order was issued, or other good and sufficient reasons exist to rescind, alter, or amend the order. The Commission may dismiss as defective any such petition not complying with this rule and with Rule 53. ()

02. Rescission, Alteration or Amendment of Final Order on Commission's Own Motion. The Commission on its own motion may propose to rescind, alter or amend any final order. The Commission will notify all interested persons of its proposal and opportunity to be heard by evidentiary hearing or written submission. ()

327. SUBSTANCE OF ORDERS (RULE 327).

Unless prohibited by statute, the substance of orders and the relief provided by orders may differ from the relief requested or proposed by any party. The Commission's order may provide for any result supported by the record without regard to whether a party recommended any component of the order. ()

328. -- 330. (RESERVED)

RECONSIDERATION
(Rules 331-340)

331. PETITIONS AND CROSS-PETITIONS FOR RECONSIDERATION (RULE 331).

01. Petition for Reconsideration. Within twenty-one (21) days after a final order's service date, any person interested in the final order or any issue decided in may petition for reconsideration. Petitions for reconsideration must specify (a) why the order or any issue decided in it is unreasonable, unlawful, erroneous or not in conformity with the law, and (b) the nature and quantity of evidence or argument the petitioner will offer if reconsideration is granted. See Section 61-626, Idaho Code. ()

02. Cross-Petition for Reconsideration. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration in response to any issues raised in the petition for reconsideration. Cross-petitions for reconsideration must set forth specifically the ground or grounds why the cross-petitioner contends that the order or any issue decided in the order is unreasonable, unlawful, erroneous or not in conformity with the law, and a statement of the nature and quantity of evidence or argument that the cross-petitioner will offer if reconsideration is granted. See Section 61-626, Idaho Code. ()

03. Methods of Reconsideration Requested. The petition or cross-petition must state whether the petitioner or cross-petitioner requests reconsideration by evidentiary hearing, written briefs, comments, or interrogatories. ()

04. Timely Filing -- Mailbox Rules. A petition for reconsideration is timely within the meaning of Section 61-626, Idaho Code, if it is filed with the Commission or postmarked no later than twenty-one (21) days after the final order's service date. Whenever a petition for reconsideration is mailed, rather than personally delivered, and it is not postmarked within eighteen (18) days from the final order's service date, the petitioner should notify the Commission Secretary and all other parties by telephone that the petition for reconsideration has been mailed. A cross-petition for reconsideration is timely filed within the meaning of Section 61-626, Idaho Code, if it is filed with the Commission or postmarked within seven (7) days after the petition for reconsideration to which it responds is received in the Office of the Commission Secretary. Whenever a cross-petition for reconsideration is mailed, rather than personally delivered, and is not postmarked within four (4) days from the date the Commission Secretary receives the petition for reconsideration, the cross-petitioner should notify the Commission Secretary and all other parties by email or telephone that the cross-petition for reconsideration has been mailed. ()

05. Answers to Petitions for Reconsideration. Answers to petitions for reconsideration (pleadings that disagree with a petition for reconsideration, but do not ask for affirmative relief from the Commission's orders) must be filed according to the procedures for cross-petitions for reconsideration. ()

332. PROCEDURE AT RECONSIDERATION (RULE 332).

The Commission may grant reconsideration upon petition of any interested person or upon its own motion. Prehearing conferences may be convened before reconsideration. Reconsiderations by rehearing are conducted in accordance with the procedure at other hearings, except that parties whose petitions are granted are treated as complainants or petitioners under Rule 249. When the order for reconsideration finds that the grounds upon which the petition is granted present only issues of law and not of fact or issues of fact not requiring hearings, the Commission may direct that these grounds be considered on reconsideration without further submission of evidence or a hearing, and on the record before it with no further submissions by the parties, or by submission of briefs, memoranda, written interrogatories or written statements, or otherwise. Grounds for, or issues on reconsideration not supported by specific explanation may be dismissed. Rule 311 determines when a matter that is reconsidered is finally submitted for purposes of Section 61-626, Idaho Code. ()

333. EFFECT OF FILING PETITION FOR RECONSIDERATION (RULE 333).

Filing a petition for reconsideration does not excuse compliance with any order nor stay the effectiveness of any order, unless otherwise ordered. Petitions to stay may accompany or precede petitions for reconsideration. ()

334. -- 340. (RESERVED)

APPEAL
(Rules 341-350)

341. PERSONS WHO MAY APPEAL (RULE 341).

01. Parties Aggrieved by Order Following Petition for Reconsideration. After a petition for reconsideration is denied, or, if the petition is granted, then after the decision on reconsideration issues, the state of Idaho or any party aggrieved may appeal from the Commission's order by filing a notice of appeal with the Commission Secretary. The notice of appeal must comply with the Idaho Appellate Rules. See Section 61-627, Idaho Code. ()

02. Parties Aggrieved by Denial of Petition for Reconsideration. No person is a party aggrieved by an order denying reconsideration unless the person is a party that petitioned for reconsideration and presented the grounds and issues on which it contends it was aggrieved by earlier orders of the Commission as issues on reconsideration under Rule 331 and the Commission denied reconsideration on some or all of those issues. ()

03. Parties Aggrieved Following Reconsideration. No party is aggrieved by an order issued on reconsideration unless: ()

a. The party petitioned or cross-petitioned for reconsideration, its petition or cross-petition was granted, and the order issued on reconsideration did not grant the relief requested in the party's petition or cross-petition in full or in part; or ()

b. The party did not petition or cross-petition for reconsideration, but stated on the record, by motion or brief, that it opposed any change to the Commission's earlier order(s) on grounds associated with issue(s) on reconsideration, and the order issued on reconsideration changed the earlier order(s) with regard to grounds or issues on reconsideration that the party opposed. ()

342. NOTICE OF APPEAL (RULE 342).

The notice of appeal must be filed with the Commission Secretary as provided in the Idaho Appellate Rules. A notice of appeal is not considered filed for any purpose when it is mailed, but is only considered filed when it is received by the Commission Secretary. ()

343. PREPARATION OF APPELLATE RECORD (RULE 343).

The Commission, by order, may correct the title of an appeal to properly designate all parties as appellants, cross-appellants, respondents, or cross-respondents and to omit those designations for parties before the Commission who are not parties on appeal. All requests for a transcript on appeal must be served on the reporter and on the Commission Secretary. Reporter's fees under Idaho Appellate Rule 24(c) should be paid directly to the reporter, not to the Commission Secretary. The Secretary's fees under Idaho Appellate Rule 27(b) for preparing the agency's record are the same fees provided in that rule for the district court clerk to charge for preparing the clerk's record. ()

344. -- 350. (RESERVED)

SETTLEMENT OF APPEAL FROM THE COMMISSION
(Rules 351-360)

351. DISMISSALS (RULE 351).

Dismissals are settlements in which appellants or cross-appellants from Commission orders agree to dismiss appeals, cross-appeals, or issues on appeal or cross-appeal without requiring the alteration, amendment or rescission of any Commission order. Any party may dismiss any appeal, cross-appeal, or issue on appeal or cross-appeal without Commission involvement. The Idaho Supreme Court's procedures govern dismissals. ()

352. SETTLEMENTS CALLING FOR COMMISSION ACTION (RULE 352).

Settlements in which one (1) or more parties agree to dismiss an appeal, cross-appeal, or issue on appeal or cross-appeal in conjunction with the alteration, amendment or rescission of a Commission order, are called settlements calling for Commission action. If any party to an appeal wishes to negotiate a settlement calling for Commission action, it must notify the Commission and all other parties to the appeal of its intention to do so. If the Commission believes that settlement negotiations are in the public interest, it may authorize the Commission Staff to enter into settlement negotiations. In conducting those negotiations, the Staff must abide by Rule 272 regarding active settlements of issues before the Commission. Settlement negotiations are confidential, unless all participants to the negotiation agree to the contrary. ()

353. SUGGESTION FOR INQUIRY ABOUT SETTLEMENTS (RULE 353).

In authorizing the Staff to enter into settlement negotiations for a settlement calling for Commission action, the Commission may invite settlement of the entire appeal (including cross-appeals) or of certain issues. The authorization must be in writing and served upon all parties but need not be done by notice or order. In authorizing negotiation for settlement calling for Commission action, the Commission or individual Commissioners may indicate acceptable ranges of settlement, preclude certain issues from settlement, or otherwise inform the parties of its views on settlement of an appeal calling for Commission action in aid of securing a just, speedy, and economical settlement negotiation. Neither the Commission nor individual Commissioners will indicate ex parte their views on a proposed settlement's merits. ()

354. CONSIDERATION OF SETTLEMENT ON APPEAL (RULE 354).

When a settlement of an appeal calling for Commission action is presented to the Commission, the Commission will prescribe procedures under which the Commission will consider the settlement. For example, upon the parties' written request, the Commission might summarily accept the parties' settlement of an essentially private dispute that does not significantly implicate regulatory law or policy or for other utilities or customers summarily upon the affected parties' written request. But when one (1) or more parties to the appeal is not party to the settlement or when

the settlement presents issues that significantly implicate other utilities, other customers or the public interest, the Commission may convene an evidentiary hearing to consider the settlement's reasonableness and whether accepting the settlement would be in the public interest. In all cases, the Commission will follow the procedure established by Section 61-624, Idaho Code, with regard to altering, amending, or rescinding any order affected by the settlement.

()

355. BURDENS OF PROOF (RULE 355).

A proposed settlement's proponents carry the burden of showing that the settlement is reasonable, in the public interest, or otherwise in accordance with law or regulatory policy. If parties or affected persons oppose the settlement, the settlement's proponents should be prepared to call witnesses and argue for the settlement. Settlement opponents should be prepared to examine supporting witnesses, offer opposing witnesses, or argue against the settlement. The Commission may require the development of an appropriate record in support of or opposition to a proposed settlement as a condition of accepting or rejecting the settlement.

()

356. SETTLEMENTS NOT BINDING (RULE 356).

The Commission is not bound by proposed settlements. Rather, it will independently review and determine whether a proposed settlement is just, fair and reasonable, in the public interest, or otherwise in accordance with law or regulatory policy. When a settlement is proposed, the Commission may accept it, reject it, or state additional conditions under which the Commission would accept it. In the last instance, the parties will have twenty-one (21) days to say whether they accept or reject the Commission's additional conditions.
