Chairman Harris called the meeting to order at 9:00 a.m.

H 565aaS: **Rep. Moyle** presented **H 565aaS** and said this bill deals with personal property. There were some concerns that the definition would capture too much personal property in Caribou County, and a couple more counties heavily dependent on mining. The previous language would have allowed those counties at their will to pay the tax. This amendment changes that definition and makes sure it is clear the mines like the phosphate mines in Caribou County pay the personal property tax. The amendments make the bill better for reporting and allows Caribou County and other counties to collect the personal property of mining equipment.

MOTION: **Rep. Dixon** made a motion to concur with the amendments made in the Senate to **H 565aaS**. **Motion carried by a voice vote.** **Rep. Moyle** will sponsor the bill on the floor.

SCR 121: **Rep. Addis** presented **SCR 121**, which accepts the Tax Commission Administrative Rules with one exception, **Section 327** was rejected by the Senate Committee. That issue will be addressed in the next legislative session.

MOTION: **Rep. Dixon** made a motion to send **SCR 121** to the floor, with a **DO PASS** recommendation. **Motion carried by a voice vote.** **Rep. Addis** will sponsor the bill on the floor.

ADJOURN: There being no further business to come before the committee the meeting adjourned at 9:07 a.m.
