

STATEMENT OF PURPOSE

RS30322 / H0143

The purpose of this legislation is to add a three-day fur buyers license for non-resident fur buyers. This will promote and enhance the opportunities for Idaho trappers to get the best price and help promote fur sales to out of state buyers that are a source of revenue for trappers at annual events.

FISCAL NOTE

There is no fiscal impact to the state general fund or any local unit of government.

There is no additional cost to Idaho Department of Fish and Game to provide this type of licenses. The number of three-day non-resident licenses purchased will determine the amount of dedicated funds to the department. All revenue from lifetime license purchases will be added to the fish and game trust account and spending authority must be granted by the legislature for use of dedicated funds.
