

## STATEMENT OF PURPOSE

RS30494 / H0247

This proposed bill amends section 34-1801B and 34-1801C to clarify applicability to property taxes. It also amends section 63-802 to provide an opportunity for citizens to approve or reject an increase in the levy rate for a local taxing district.

## FISCAL NOTE

This legislation will have no effect on the state general fund or any other state level funding sources. There is the possibility of a reduction in local property tax funds if citizens vote to disapprove an increase in a levy rate, or place a measure on the ballot and vote to approve a reduction in property tax base budget. In those instances, local taxpayers will pay less in property taxes than they would have otherwise.
