RS29997 / S1007

This legislation repeals Section 46-802, Idaho Code, that prohibits members of organizations other than the National Guard, unorganized militia, or select other groups from associating and parading in public with firearms. This legislation supports the Second Amendment Rights afforded to Idahoans under the U.S. Constitution.

FISCAL NOTE

This legislation should have minimal impact on the General Fund. The only costs associated with this legislation would be the printing and dissemination of the change to Idaho Code.
