CHAPTER 2

GENERAL PROVISIONS - GOVERNMENT - TERRITORY

In Draft

50-222. ANNEXATION BY CITIES. (1) Legislative intent. The legislature hereby declares and determines that it is the policy of the state of Idaho that cities of the state should be able to annex lands which are reasonably necessary to assure the orderly development of Idaho's cities in order to allow efficient and economically viable provision of tax-supported and fee-supported municipal services, to enable the orderly development of private lands which benefit from the cost-effective availability of municipal services in urbanizing areas and to equitably allocate the costs of public services in management of development on the urban fringe.

(2) General authority.? Cities have the authority to annex land into a city upon compliance with the procedures required in this section. In any annexation proceeding, all portions of highways lying wholly or partially within an area to be annexed shall be included within the area annexed unless expressly agreed between the annexing city and the governing board of the highway agency providing road maintenance at the time of annexation. Provided further, that said city council shall not have the power to declare such land, lots or blocks a part of said city if they will be connected to such city only by a shoestring or strip of land which comprises a railroad or highway right-of-way.

Existing Consent Requirements apply to B & C  
\* see (5)(c)(i) & (5)(c)(ii)(D)

(i) The lands are contiguous or adjacent to the city and lie within the city's area of city impact; (2)(b) (3)(a)

(ii) The land is laid off into lots or blocks containing not more than five (5) acres of land each, whether the same shall have been or shall be laid off, subdivided or platted in accordance with any statute of this state or otherwise, or whenever the owner or proprietor or any person by or with his authority has sold or begun to sell off such contiguous or adjacent lands by metes and bounds in tracts not exceeding five (5) acres, or whenever the land is surrounded by the city. Splits of ownership which occurred prior to January 1, 1975, and which were the result of placement of public utilities, public roads or highways, or railroad lines through the property shall not be considered as evidence of an intent to develop such land and shall not be sufficient evidence that the land has been laid off or subdivided in lots or blocks. A single sale after January 1, 1975, of five (5) acres or less to a family member of the owner for the purpose of constructing a residence shall not constitute a sale within the meaning of this section. For purposes of this section, "family member" means a natural person or the spouse of a natural person who is related to the owner by blood, adoption or marriage within the first degree of consanguinity;

(iii) Preparation and publication of a written annexation plan, appropriate to the scale of the annexation contemplated, which includes, at a minimum, the following elements: (4)

(C) The means of providing fee-supported municipal services, if any, to the lands proposed to be annexed; (4)(c)

(D) A brief analysis of the potential effects of annexation upon other units of local government which currently provide tax-supported or fee-supported services to the lands proposed to be annexed; and (4)(d)

(E) The proposed future land use plan and zoning designation or designations, subject to public hearing, for the lands proposed to be annexed; (4)(e)

(iv) Compliance with the notice and hearing procedures governing a zoning district boundary change as set forth in section 67-6511, Idaho Code, on the question of whether the property should be annexed and, if annexed, the zoning designation to be applied thereto; provided however, the initial notice of public hearing concerning the question of annexation and zoning shall be published in the official newspaper of the city and mailed by first class mail to every property owner with lands included in such annexation proposal not less than twenty-eight (28) days prior to the initial public hearing. All public hearing notices shall establish a time and procedure by which comments concerning the proposed annexation may be received in writing and heard and, additionally, public hearing notices delivered by mail shall include a one (1) page summary of the contents of the city's (3)(c) (3)(b)

Not  
Retained

- (i) Compliance with the procedures governing category B annexations; and
- (ii) Evidence of consent to annexation based upon the following procedures:

(A) Following completion of all procedures required for consideration of a category B annexation, but prior to enactment of an annexation ordinance and upon an affirmative action by the city council, the city shall mail notice to all private landowners owning lands within the area to be annexed, exclusive of the owners of lands that are subject to a consent to annex which complies with subsection (4)(a) of this section defining consent. Such notice shall invite property owners to give written consent to the annexation, include a description of how that consent can be made and where it can be filed, and inform the landowners where the entire record of the subject annexation may be examined. Such mailed notice shall also include a legal description of the lands proposed for annexation and a simple map depicting the location of the subject lands. (3)(b) (ii) & (iii)

(B) Each landowner desiring to consent to the proposed annexation must submit the consent in writing to the city clerk by a date specified in the notice, which date shall not be later than forty-five (45) days after the date of the mailing of such notice.

(C) After the date specified in the notice for receipt of written consent, the city clerk shall compile and present to the city council a report setting forth: (i) the total physical area sought to be annexed, and (ii) the total physical area of the lands, as expressed in acres or square feet, whose owners have newly consented in writing to the annexation, plus the area of all lands subject to a prior consent to annex which complies with subsection (4)(a) of this section defining consent. The clerk shall immediately report the results to the city council. (3)(d)

(D) Upon receiving such report, the city council shall review the results and may thereafter confirm whether consent was received from the owners of a majority of the land. The results of the report shall be reflected in the minutes of the city council. If the report as accepted by the city council confirms that owners of a majority of the land area have consented to annexation, the city council may enact an ordinance of annexation, which thereafter shall be published and become effective according to the terms of the ordinance. If the report confirms that owners of a majority of the land area have not consented to the annexation, the category C annexation shall not be authorized.

(6) The decision of a city council to annex and zone lands as a category B or category C annexation shall be subject to judicial review in accordance with the procedures provided in chapter 52, title 67, Idaho Code, and pursuant to the standards set forth in section 67-5279, Idaho Code.
