Re: Senate Bill 1349

Dear Senator Lakey:

I am writing to you on behalf of the Idaho Guardian and Fiduciary Association (IGFA). The membership of IGFA is made up of elder law attorneys, caregivers, elder care coordinators, financial fiduciaries, and professional guardians. The IGFA mission is to ensure that vulnerable adults are cared for and protected in a sensitive, ethical, and least restrictive manner.

IGFA encourages you to ensure that Senate Bill 1349 moves forward in the legislative process. We believe that the proposed changes to guardianship and conservatorship law in Idaho are needed to promote the rights and dignity of vulnerable adults in need of protection. Adults with cognitive disabilities face many challenges. It is our hope that the proposed legislation moves forward and that these important changes will soon take effect.

Thank you for your attention to this legislation.

Sincerely,
