

STATEMENT OF PURPOSE

RS24374C1

This legislation amends Section 33-1625, Idaho Code, to add provisions relating to youth athletes and concussion guidelines recommended by the Centers for Disease Control and Prevention, the National Football League, and its youth arm, USA Football, to protect youth athletes from the risk of concussion. Additionally, the term "biannually" is changed to "biennially" to reflect the original intent to require a review of the guidelines every two years.
