This bill will remove members of the State Board of Architectural Examiners from the Public Employee Retirement System of Idaho (PERSI). This is done at the request of the board members. Currently the board members receive \$75 per day in salary, which they would like to change to \$75 per day honorarium. The Board of Architectural Examiners is the last board to still participate in PERSI.

RS 23994: **Roger Hales**, Idaho Bureau of Occupational Licenses on behalf of the Idaho Real Estate Appraiser Board presented **RS 23994** in which the definition of appraisal would be amended in the Idaho Real Estate Appraisers Act to pertain to an estimate of value of real property rather than opinions regarding the nature, quality or utility of the real property. In response to questions from the committee, Mr. Hales clarified this change only relates to the function of the board, not the job of the appraisers.

RS 23996: **Roger Hales**, on behalf of the Idaho Board of Morticians presented **RS 23996** which would amend the law regarding the sale of pre-need services. Only morticians and funeral directors can sell pre-need services. This change would require them to identify an establishment that would be responsible to provide the services and maintain records. Funeral directors and morticians can move or change locations where they work, but the establishment is a set location where records could be found. In response to questions from the committee Mr. Hales clarified that the bill would make clear to the consumer who is responsible for the pre-arranged contract and should not impact sales of funeral goods outside of those sold by funeral directors or morticians.

MOTION: **Rep. DeMordaunt** made a motion to introduce **RS 23996**. **Motion carried by voice vote.**

RS 23995: **Mitch Toryanski**, on behalf of the Board of Cosmetology, presented **RS 23995** which would bring uniformity of the renewal and reinstatement statute language from the cosmetology board to that of the Bureau of Occupational Licenses' current statute language. Mrs. Cory stated they have frequently had this question. The bureau has deferred to the Legislative Services Office (LSO) for drafting language.
