

# How High Are Income Tax Rates in Your State?

Top State Marginal Individual Income Tax Rates in 2015 (as of Apr 15, 2015)

**Note:** Map shows top marginal rates: the maximum statutory rate in each state. It represents the statutory tax rate on the last dollar of income earned for the highest income individuals in that state. It is not an effective marginal tax rate, which would include the effects of phase-outs of various tax preferences. Local income taxes are not included.
