IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho - Proposed Rule (Docket No. 13-0108-1704)

IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho - Temporary and Proposed Rule (Docket No. 13-0108-1705)

IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho - Proposed Rule (Docket No. 13-0108-1706)

1. IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho. According to the department, the purpose of the rulemaking is to allow the Fish and Game Commission the flexibility to proportionally limit the number of non-outfitted, nonresident big game tags allocated in an unlimited controlled hunt. The department adds that the restrictions would be established during the time of the commission's annual season setting. The department indicates that the purpose of the change is to reduce hunter crowding to support continued resident participation and quality hunt experience.

The department states that negotiated rulemaking was not conducted because it received 848 responses via on-line submissions and several additional letters and messages via mail or e-mail during the notice of intent for negotiated rulemaking comment period. The department states that comments received indicated a polarity of opinion not subject to negotiation and that further negotiation of the proposed rule among all stakeholders was deemed infeasible. The rulemaking appears to be authorized pursuant to Section 36-408, Idaho Code.

2. IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho

The Department of Fish and Game submits notice of temporary and proposed rule at IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho. According to the department, the changes are being proposed to rescind the requirement that hunters must pay the tag fee at the time of application

for a moose, bighorn sheep or mountain goat controlled hunt tag and to create a purchase deadline for first draw tags and a second draw process for unclaimed and leftover tags.

The department states that the temporary rule is justified because it confers a benefit and that although hunters will pay a higher controlled hunt application fee beginning in 2018, they would not have to prepay in 2018 for a moose, bighorn sheep or mountain goat tag that they may not draw and thus the department would not be holding their funds during the period of application, draw and completion of refunds. The department adds that a benefit is also conferred because the department will have adequate time to provide notice about this change to hunters prior to the April 1 start of the 2018 application period for moose, bighorn sheep and mountain goat controlled hunt tags.

The department indicates that negotiated rulemaking was not conducted because of the lack of identifiable representatives of affected interests. The rulemaking appears to be authorized pursuant to Section 36-104, Idaho Code.

3. IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.08 - Rules Governing the Taking of Big Game Animals in the State of Idaho. According to the department, the proposed changes would delete reference to the Supertag drawing for hunters that comply with Mandatory Report requirements because the drawing has not been effective in increasing reporting compliance and the department is utilizing multiple methods to collect harvest information and help hunters comply with mandatory reporting. The department also notes proposed revision to Section 270 because the department has streamlined the mandatory hunter orientation process for controlled archery-only hunts that require hunter orientation and no longer requires hunters to attend a class. The department adds that changes to Section 421 are proposed to remove duplicate language regarding Mandatory Reports, update the rule to reflect current reporting procedure and delete reference to the Supertag drawing for hunters that comply with Mandatory Report requirements. The department also indicates that they propose changes to Section 422 to delete the mandatory requirement that successful wolf hunters must report wolf harvest with a telephone report because the report no longer has application for in-season management. The department adds that mandatory harvest report and animal check for successful wolf hunters are not being modified in this proposed rule.

The department states that negotiated rulemaking was not conducted due to the simple nature of the rule-making. The rulemaking appears to be authorized pursuant to Sections 36-104, 36-408 and 36-1101, Idaho Code.

13.01.08 – RULES GOVERNING THE TAKING OF BIG GAME ANIMALS IN THE STATE OF IDAHO

DOCKET NO. 13-0108-1704

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

It is being proposed that IDAPA 13.01.08, Section 260, be changed to allow the Fish and Game Commission the flexibility to proportionally limit the number of non-outfitted, nonresident big game tags allocated in an unlimited controlled hunt. These restrictions would be established during at the time of the Fish and Game Commission's annual season setting. The purpose is to reduce hunter crowding to support continued resident participation and quality hunt experience.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

This proposed rule change has no associated fee.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking:

The proposed rule change will have no impact on the state general fund. Potential impact to the Department of Fish and Game may occur in the form of a loss of non-resident tag revenue if nonresident tags are limited and the nonresident chooses not to purchase an Idaho tag.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because the Department of Fish and Game received 848 responses via on-line submissions and several additional letters and messages via mail or email during the notice of intent for negotiated rulemaking comment period. Comments received indicated a polarity of opinion not subject to negotiation. Further negotiation of the proposed rule among all stakeholders was deemed infeasible.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule:

This proposed rule does not include an incorporation by reference.

IDAPA 13 – DEPARTMENT OF FISH AND GAME

13.01.08 – RULES GOVERNING THE TAKING OF BIG GAME ANIMALS IN THE STATE OF IDAHO

DOCKET NO. 13-0108-1705

NOTICE OF RULEMAKING – TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: The effective date of the temporary rule is December 1, 2017.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Section 36-104, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 18, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

It is being proposed that IDAPA 13.01.08, Section 260, be changed to rescind the requirement that hunters must pay the tag fee at the time of application for a moose, bighorn sheep, or mountain goat controlled hunt tag and to create a purchase deadline for first draw tags and a second draw process for unclaimed and leftover tags.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This temporary and proposed rule confers a benefit because although hunters will pay a higher controlled hunt application fee beginning in 2018, they would not have to prepay in 2018 for a moose, bighorn sheep, or mountain goat tag that they may not draw, and thus, the Department of Fish and Game would not be holding their funds during the period of application, draw, and completion of refunds. A benefit is also conferred because the Department of Fish and Game will have adequate time to provide notice about this change to hunters prior to the April 1 start of the 2018 application period for moose, bighorn sheep, and mountain goat controlled hunt tags.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: This temporary and proposed rule has no associated fee.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: The temporary and proposed rule change will have no impact on the state general fund. There will be a small fiscal benefit to the fish and game dedicated fund because the cost of refunding approximately five million dollars each year (\$5,000,000) will no longer be incurred.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because of lack of identifiable representatives of affected interests.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: This temporary and proposed rule does not include incorporation by reference.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the temporary and proposed rule, contact Sharon W. Kiefer, (208) 334-3771.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before October 25, 2017.

IDAPA 13 – DEPARTMENT OF FISH AND GAME

13.01.08 – RULES GOVERNING THE TAKING OF BIG GAME ANIMALS IN THE STATE OF IDAHO

DOCKET NO. 13-0108-1706

NOTICE OF RULEMAKING – PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 36-104, 36-408, and 36-1101, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 18, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

It is being proposed that IDAPA 13.01.08, Section 260, be changed to delete reference to the Supertag drawing for hunters that comply with Mandatory Report requirements because the drawing has not been effective in increasing reporting compliance and the Department is utilizing multiple methods to collect harvest information and help hunters comply with mandatory reporting. It is being proposed that Section 270 be changed because the Department of Fish and Game has streamlined the mandatory hunter orientation process for controlled archery-only hunts that require hunter orientation and no longer requires hunters to attend a class. It is being proposed that Section 421 be changed to remove duplicate language regarding Mandatory Reports, update the rule to reflect current reporting procedure, and to delete reference to the Supertag drawing for hunters that comply with Mandatory Report requirements. It is being proposed that Section 422 be revised to delete the mandatory requirement that successful wolf hunters must report wolf harvest with a telephone report because the telephone report no longer has application for in-season management. Mandatory harvest report and animal check for successful wolf hunters are not being modified in this proposed rule.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: The proposed rules have no associated fee.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking:

The proposed rules will have no impact on the state general fund. There is no measurable impact to the fish and game dedicated fund because the proposed rules do not prescribe new actions or substantively affect license sales or fees.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because these rules were simple in nature.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: The proposed rules do not include incorporation by reference.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the proposed rule, contact Sharon W. Kiefer at (208) 334-3771.

Anyone may submit written comments regarding this proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before October 25, 2017.
