

## STATEMENT OF PURPOSE

### RS25345

The intent of this legislation is to re-direct twenty two and one half percent of monies from fines and forfeitures remitted for state motor vehicle violations and DUI's from the public school income fund to the Supreme Court Fund. This move is in alignment with historical motives of using these monies for court services.

### FISCAL NOTE

The fiscal impact of redirecting approximately \$1.1 million per year from the Public School Income Fund to the General Fund would be net-zero. Though the General Fund would realize \$1.1 million in new annual revenue, the Public School Income Fund would realize a loss in the same amount, which would need to be offset, likely from the General Fund.
