

STATEMENT OF PURPOSE

RS25388

This legislation would amend 33-1024, Idaho Code in order for the statutory language to more closely match current work being done to develop an online information portal for parents. The additions to this statute will expand the online educational resources available through internet-based portals to include Idaho parents, educators, and other adult learners in addition to existing student resources. This bill would allow the State Department of Education to use the funds appropriated for this work to be paid to the vendor for their service

FISCAL NOTE

The fiscal impact of this legislation in FY 2018 would be \$110,000, which is the current line item appropriation in the public schools support budget for the online portal work.
