

STATEMENT OF PURPOSE

RS24990

This is one of the bills that the Supreme Court has recommended in its annual report to the Governor concerning defects or omissions in the law as required under article V, section 25 of the Idaho Constitution. At the 2016 Legislative Session the Legislature enacted SB 1328aa, which amended several statutes in the Child Protective Act. As a consequence, the definition of protective order in I.C. § 16-1602(34) now contains an outdated statutory reference, and also fails to note all of the circumstances in which a protective order may be issued. This bill would correct those errors.

FISCAL NOTE

This bill would have no fiscal impact, since it simply corrects definitions and references in statute and does not alter any practices that are currently being followed.
