

STATEMENT OF PURPOSE

RS25641

There are additional entities besides the American Dental Association that offer a specialty recognition process. Striking the American Dental Association as the recognizing body and providing that the Board of Dentistry will recognize the specialty areas of dental practice comports with relevant court decisions and will eliminate any antitrust concerns.

FISCAL NOTE

This legislation has no fiscal impact to the state General Fund or the Board of Dentistry's dedicated fund. This legislation provides clarification language and does not require any resources to implement.
