

STATEMENT OF PURPOSE

RS26155

This legislation amends Idaho Code 5-330, Idaho's "Good Samaritan" code. The code was written in 1965 and has had no amendments since. As definitions and times change, most states have updated their codes to include the word "emergency" to the code. This allows for aid to cover all accidents as well as emergencies.

FISCAL NOTE

There would be no impact to the General Fund because it is an amendment to the Idaho Code, which is a budget line item and is printed every year.
