

STATEMENT OF PURPOSE

RS26109

The purpose of this legislation is to allow a licensed Emergency Medical Responder (EMR) to serve as an ambulance attendant. Currently, at a minimum, only a licensed Emergency Medical Technician (EMT) must be present in a patient transport or transfer. This bill would allow either a licensed EMR, with a valid ambulance certification issued by Emergency Medical Services (EMS), or an EMT to be present in a patient transport or transfer.

FISCAL NOTE

There is no fiscal impact to the General Fund.
