

STATEMENT OF PURPOSE

RS26887

This bill amends the definition of the "practice of pharmacy" to increase patient access to certain categories of medications that are low risk, if used under the supervision of a pharmacist.

FISCAL NOTE

This legislation will have no impact on the state general fund, the Board of Pharmacy's dedicated fund, or any other state funds. There will not be any fiscal impact to local governments. This legislation could lower the overall costs of health care for Idahoans.
