Idaho Technical Career Academy (ITCA)

Legislative Update
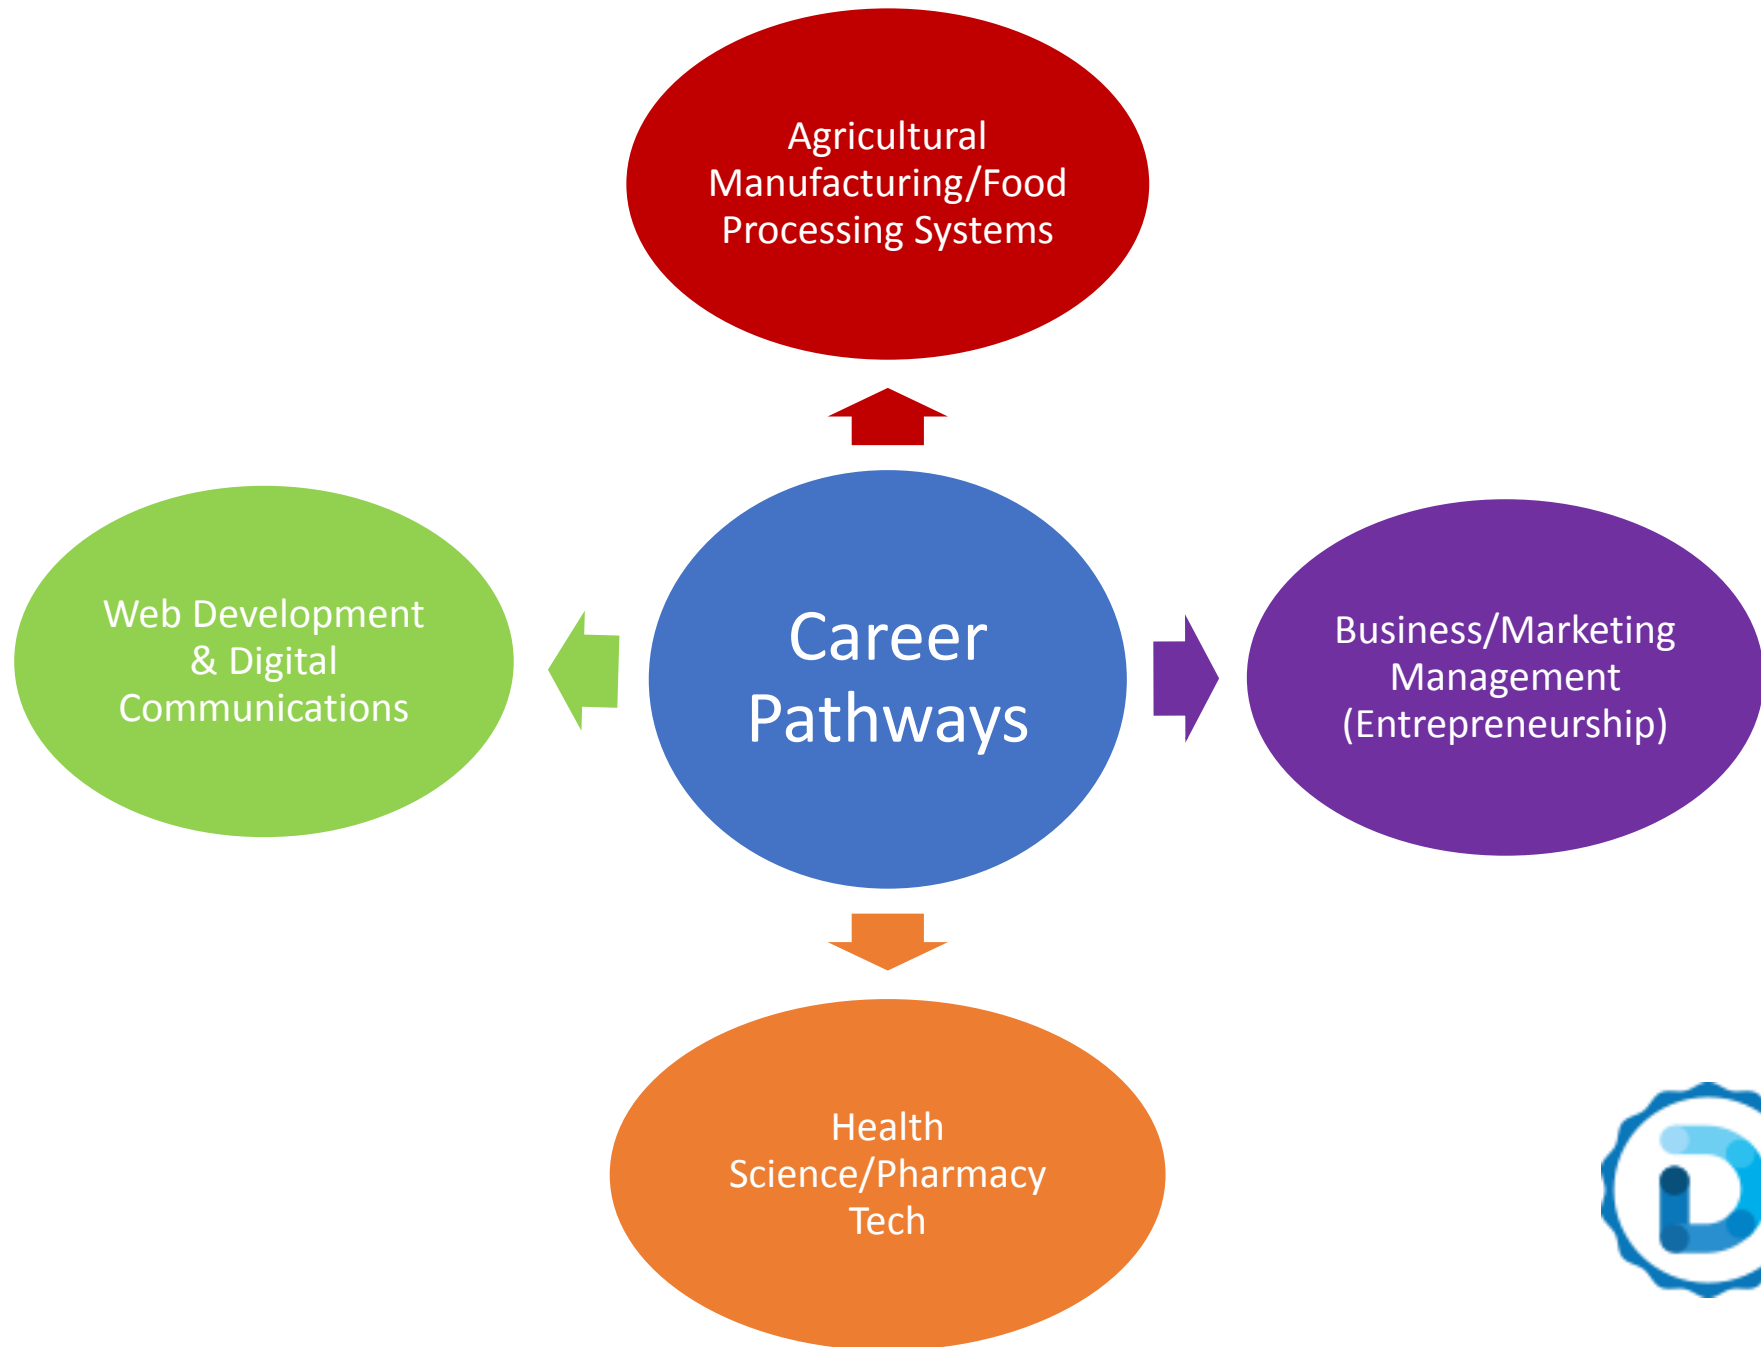

Vision and Mission

Mission

ITCA is a virtual career-technical education charter school that provides an occupational sequence of instruction that will prepare Idaho students to obtain the necessary technical skills needed to succeed.
Vision

To create a virtual career-technical education charter school which will provide an appropriately sequenced curriculum that will equip the student with the foundational academic and technical skills to enable them to pursue post-secondary education, achieve occupational certifications, or enter directly into the work force.
