24.10.01 – RULES OF THE STATE BOARD OF OPTOMETRY

DOCKET NO. 24-1001-2000F (FEE RULE)

NOTICE OF OMNIBUS RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule being adopted through this omnibus rulemaking is the adjournment date of the second regular session of the 65th Idaho State Legislature - March 20, 2020.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Sections 54-1509, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This temporary rulemaking adopts the following chapter under IDAPA 24:

IDAPA 24.10

- 24.10.01, *Rules of the State Board of Optometry.*

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety, and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. These rules govern the qualifications to practice optometry and maintain practice fitness. Allowing these rules to expire would reduce consumer choice, harm licensees, and impose a barrier to entry into the profession.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fees or charges being imposed or increased are justified and necessary to avoid immediate danger and the fees are described herein:

The fees or charges, authorized in Section 54-1506, Idaho Code, are part of the agency's 2021 budget that relies upon the existence of these fees or charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these temporary rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho's constitutional requirement that it balance its budget.

The following is a specific description of the fees or charges:

FEE TYPE	AMOUNT (Not to Exceed)
License Application	\$100
Annual Fund	\$75
Annual Renewal	\$75
Certificate to Obtain and Use Pharmaceutical Agents	\$10
Reinstatement	As provided in Section 67-2614, Idaho Code
