

REVISED

STATEMENT OF PURPOSE

RS27539 / HCR031

The purpose of this resolution is to recognize nuclear energy as a carbon free contributor to the nation's energy supply. Additionally, the resolution recognizes the important research taking place at Idaho National Laboratory in nuclear energy, clean energy technologies, and national and homeland security as a valuable asset to the State of Idaho and the world.

FISCAL NOTE

There is no fiscal note because this is a resolution stating support of our Nuclear Power as well as the mission of INL with nuclear power and small modular reactors.
