

STATEMENT OF PURPOSE

RS27315 / HJM011

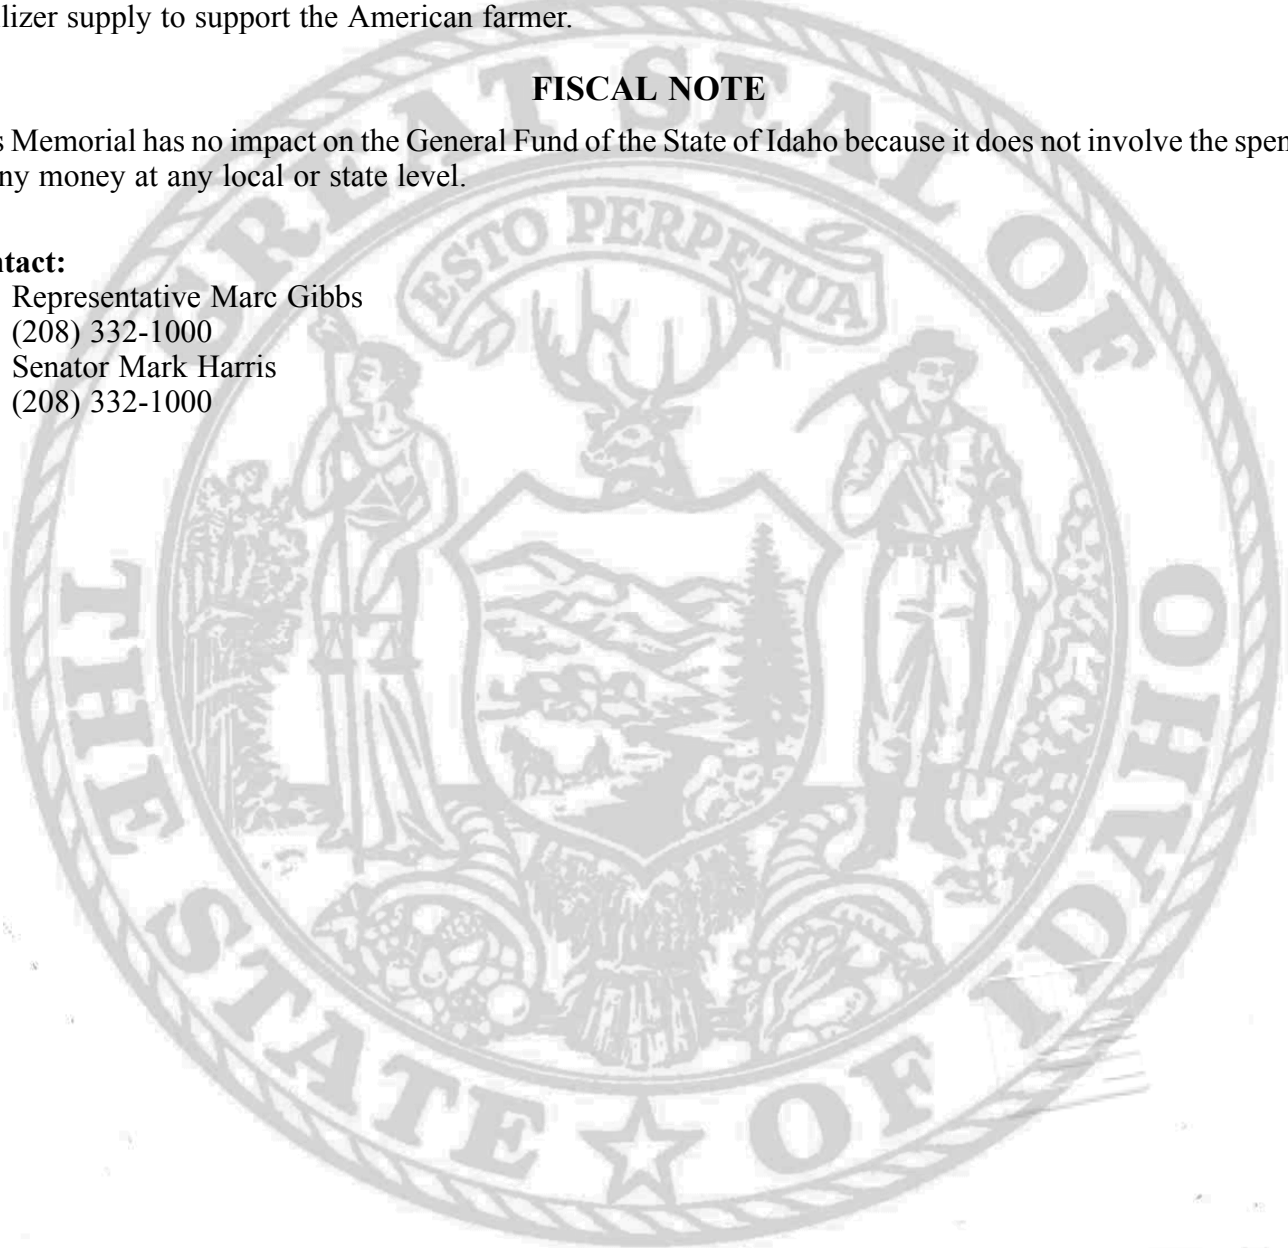

This Joint Memorial encourages the President of the United States, the Secretary of the United States Department of Agriculture, the Secretary of the United States Department of Interior, Administrators of the Environmental Protection Agency and Idaho's Congressional Delegation, to commit adequate, experienced and knowledgeable personnel and sufficient financial resources to move forward with permitting Itafos Conda's Husky 1/North Dry Ridge project, so the site may be developed in a timely and cost-effective manner in order to provide viable resources for continued operations, a gainfully employed workforce and a domestic fertilizer supply to support the American farmer.

FISCAL NOTE

This Memorial has no impact on the General Fund of the State of Idaho because it does not involve the spending of any money at any local or state level.
