RS27382 / S1242

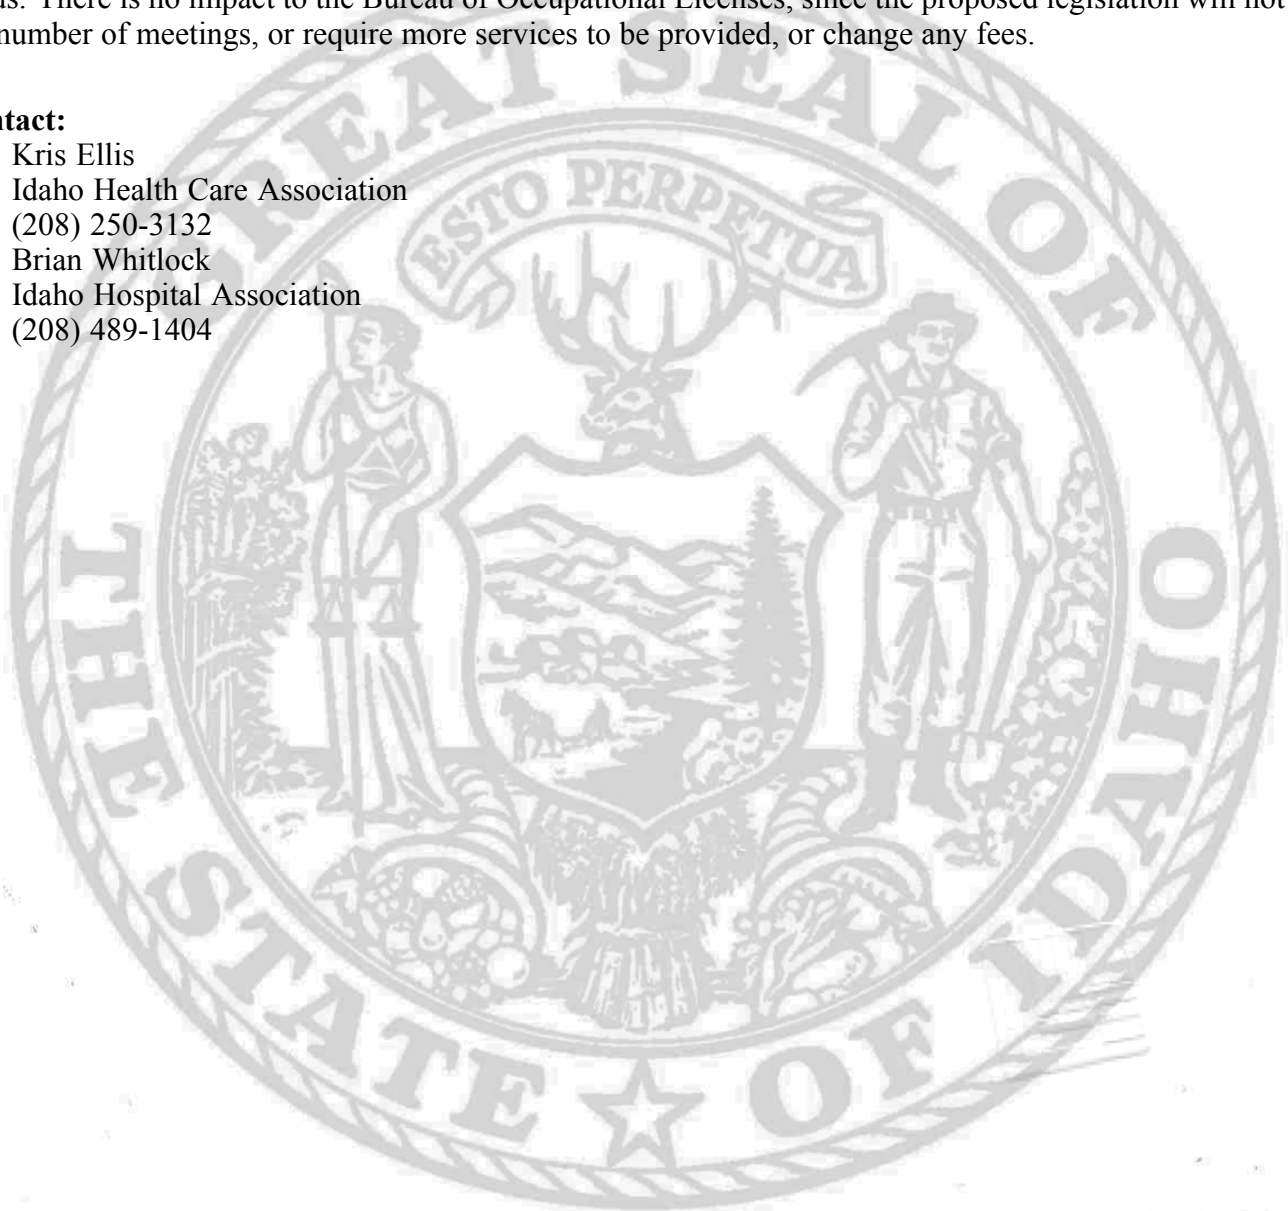

The purpose of this legislation is to allow an applicant for a nursing home administrator's license with management experience at an in-patient facility and a master's-level degree with an emphasis in healthcare to qualify for a license.

FISCAL NOTE

There is no impact to the Bureau of Occupational Licenses, since the proposed legislation will not alter the number of meetings, or require more services to be provided, or change any fees.
