

STATEMENT OF PURPOSE

RS27798 / S1372

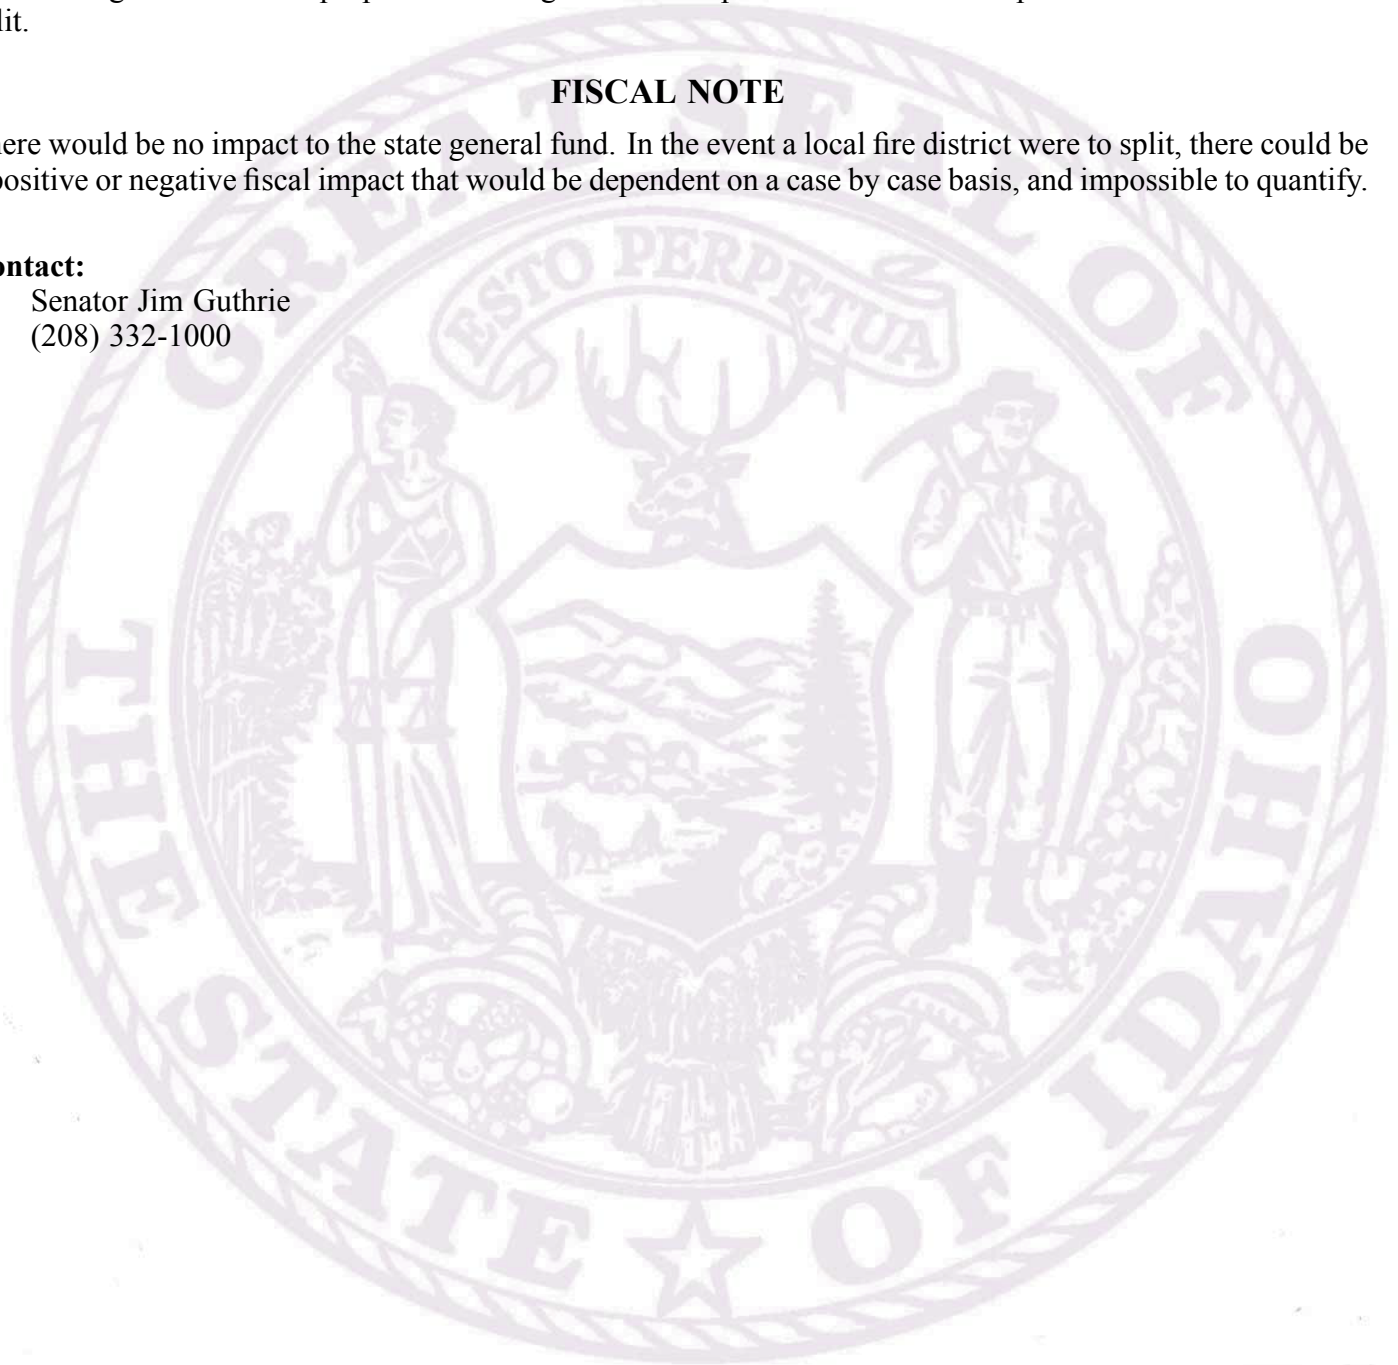

Currently, Idaho Code provide opportunities for the creation and organization of fire districts. It further allows for consolidation, dissolution, inclusion, annexation, and withdrawal as changing conditions and growth patterns might dictate. The purpose of this legislation is to provide an additional option for a fire district to be split.

FISCAL NOTE

There would be no impact to the state general fund. In the event a local fire district were to split, there could be a positive or negative fiscal impact that would be dependent on a case by case basis, and impossible to quantify.
