NOTICE OF OMNIBUS RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rules being adopted through this omnibus rulemaking as listed in the descriptive summary of this notice is July 1, 2021.

AUTHORITY: In compliance with Section 67-5226, Idaho Code, notice is hereby given this agency has adopted temporary rules. The action is authorized pursuant to Sections 72-1004, 72-1013, and 72-1104, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting the temporary rules:

This temporary rulemaking adopts and republishes the following existing rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 17, rules of the Industrial Commission:

IDAPA 17

- 17.10.01, *Administrative Rules Under the Crime Victims Compensation Act*; and
- 17.11.01, *Administrative Rules of Peace Officer and Detention Officer Temporary Disability Act*.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(a), (b), and (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

FEE SUMMARY: This rulemaking does not impose a fee or charge.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rules, contact Kamerron Slay, (208) 334-6017 or kamerron.slay@iic.idaho.gov.

c. The Conversion Factor for the Anesthesiology CPT Codes shall be multiplied by the Anesthesia Base Units assigned to that CPT Code by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services as of December 31 of the previous calendar year, plus the allowable time units reported for the procedure. Time units are computed by dividing reported time by fifteen (15) minutes. Time units will not be used for CPT Code 01996. (7-1-21)T

d. Adjustment of Conversion Factors. The conversion factors set out in this rule may be adjusted each fiscal year (FY), starting with FY 2012, as determined by the Commission. (7-1-21)T

e. Services Without a CPT Code, RVU or Conversion Factor. The allowable payment for medical services that do not have a current CPT code, a currently assigned RVU, or a conversion factor will be the reasonable charge for that service, based upon the usual and customary charge and other relevant evidence, as determined by the Commission. Where a service with a CPT Code, RVU, and conversion factor is, nonetheless, claimed to be exceptional or unusual, the Commission may, notwithstanding the conversion factor for that service set out in Subsection 011.07.b. of this rule, determine the allowable payment for that service, based on all relevant evidence. (7-1-21)T

f. Coding. The Commission will generally follow the coding guidelines published by the Centers for Medicare and Medicaid Services and by the American Medical Association, including the use of modifiers. The procedure with the largest RVU will be the primary procedure and will be listed first on the claim form. Modifiers will be reimbursed as follows: (7-1-21)T

- i. Modifier 50: Additional fifty percent (50%) for bilateral procedure. (7-1-21)T
- ii. Modifier 51: Fifty percent (50%) of secondary procedure. This modifier will be applied to each medical or surgical procedure rendered during the same session as the primary procedure. (7-1-21)T
- iii. Modifier 80: Twenty-five percent (25%) of coded procedure. (7-1-21)T
- iv. Modifier 81: Fifteen percent (15%) of coded procedure. This modifier applies to MD and non-MD assistants. (7-1-21)T

08. Wage Loss Benefits. For the purpose of determining compensation benefits under Sections 72-1019(1) and 72-1019(3), Idaho Code, “wages received at the time of the criminally injurious conduct” shall be the victim’s gross weekly wage; which shall be determined under Section 72-419(1)-(3), Idaho Code, if applicable, and if not, as follows: (7-1-21)T

a. If the Wages were fixed by the hour, and the victim worked or was scheduled to work the same number of hours each week, the weekly wage shall be the hourly rate times the number of hours that the victim worked or was scheduled to work each week, plus one-half (1/2) the hourly wage times the number of hours worked or scheduled each week in excess of forty (40) hours if the victim was paid time-and-a-half for work in excess of forty (40) hours per week. (7-1-21)T

b. If the Wages were fixed by the hour and the victim did not work the same number of hours each week, or if the victim was paid on a piecework or commission basis, the weekly wage shall be computed by averaging

the amounts that the victim was paid during his last four completed pay periods prior to the criminally injurious conduct and converting that amount to a weekly basis using a method consistent with 72-419(1)-(3); provided that, if the victim was employed for less than four (4) pay periods before the criminally injurious conduct, the average shall be computed based upon the time period that he worked. (7-1-21)T

c. If none of the above methods are applicable, the weekly wage shall be computed in a manner consistent with the above methods. (7-1-21)T

09. Treating Physician. A victim may choose his own treating physician. If, after filing an Application for Compensation, a victim changes physicians without prior approval of the Commission, or if, without prior approval of the Commission, he seeks treatment or examination by a physician to whom he was referred by his treating physician, the Commission may deny payment for such treatment or examination. (7-1-21)T

10. Overpayment. If the Commission erroneously makes payments, the Commission may reduce future payments by an amount equal to the overpayment or request a refund when overpayments are made to either the claimant or the provider. (7-1-21)T

11. Weekly Compensation Benefits If Victim Employable But Not Employed. If a victim is qualified under Section 72-1019(7)(a), Idaho Code, the following provisions apply: (7-1-21)T

a. If at the time of the injurious conduct the victim was receiving unemployment benefits and as a result of that conduct the victim becomes ineligible for those benefits, the claimant's weekly benefits under the Crime Victims Compensation Act shall be the lesser of one hundred fifty dollars (\$150) or his weekly benefit amount under the Employment Security Law. (7-1-21)T

b. If at the time of the criminally injurious conduct the victim was unemployed, but scheduled to begin employment on a date certain and if he was unable to work for one (1) week as a result of that conduct, weekly benefits under the Crime Victims Compensation Act shall be the lesser of one hundred fifty dollars (\$150) or two-thirds (2/3) of the amount that he would have earned at his scheduled employment, and those benefits shall be payable beginning on the date that his employment was scheduled to begin. (7-1-21)T

c. If prior to the criminally injurious conduct the victim was performing necessary household duties which he is disabled from performing as a result of that conduct and it is necessary to employ a person who does not reside in the victim's house to perform those duties, the victim shall receive weekly benefits under the Crime Victims Compensation Act equal to the amount paid to the person so employed, but not exceeding one hundred fifty dollars (\$150) per week. (7-1-21)T

d. In other circumstances, the Commission may award an amount it deems appropriate. (7-1-21)T

12. Reimbursement for Transportation Expenses. If the claimant utilizes a private vehicle, reimbursement shall be at the mileage rate allowed by the State Board of Examiners for state employees. Reimbursement shall be provided only if services are not available in the local area and is limited to one (1) round trip per day. The claimant shall not be reimbursed for the first fifteen (15) miles of any round trip, nor for traveling any round trip of fifteen (15) miles or less. Such distance shall be calculated by the shortest practical route of travel. The mileage reimbursement amount shall be credited to the medical benefit. (7-1-21)T

13. Payment of Bills. Bills for treatment and sexual assault forensic examinations must be submitted within two (2) years from the date of treatment or the date of eligibility, whichever is later, to be compensable. (7-1-21)T

012. HEARING PROCEDURES.

01. Request for Hearing. If a Request for Hearing is filed, an informal hearing shall be held. The Commission may conduct the hearing or it may assign the matter to a Commissioner or Referee. If the matter is assigned to a Commissioner or a Referee, the Commissioner or Referee shall submit recommended findings and decision to the Commission for its review. (7-1-21)T

- a. Review the record and enter its own findings and decision; (7-1-21)T
- b. Conduct another informal hearing and issue a decision based upon the record of both hearings; or (7-1-21)T
- c. Assign the matter to another member or Referee to conduct another informal hearing and make recommendations pursuant to Subsection 012.01 above based upon the record of both hearings. (7-1-21)T

03. Notice of Hearing. The Commission shall give the claimant at least ten (10) days' advance written notice of the time and place of hearing and of the issues to be heard, either by personal service or certified mail. Service by mail shall be deemed complete when a copy of such notice is deposited in the United States post office, with postage prepaid, addressed to a party at his last known address as shown in the records and files of the Commission. Evidence of service by certificate or affidavit of the person making the same shall be filed with the Commission. (7-1-21)T

04. Transcript of Hearing. All hearings shall be tape-recorded. In addition, the Commission may arrange for a stenographic or machine transcription of any hearing. (7-1-21)T

05. Record. At the hearing the Application for Compensation filed by the claimant and any other documents in the Commission's file that contain information relevant to the issues in the case shall be admitted into the record. Such documents shall be marked for identification and the record shall specify that those documents are admitted. The Commission, member, or Referee conducting the hearing shall give those documents the weight that is appropriate under the circumstances of the particular case. (7-1-21)T

06. Evidence. At the hearing; after the claimant has presented his evidence, the Commission, or the Commissioner or Referee conducting the hearing shall allow an employee of the Commission to present evidence.
