

STATEMENT OF PURPOSE

RS29516C1 / H0643

This legislation requires counties to exempt certain land divisions from county subdivision regulations. Currently, counties can require all land divisions to comply with highly technical, increasingly expensive, and overly restrictive requirements governing formal subdivisions. The complex and costly subdivision requirements prevent farmers and ranchers from passing portions of family farms and ranches to their children and grandchildren.

FISCAL NOTE

There is no fiscal impact to the General Fund or to local governments.
