

STATEMENT OF PURPOSE

RS29775C1 / H0760

This legislation seeks to amend Chapter 57, Title 54, Idaho Code, by adding a new section to provide for Interstate Mental and Behavioral Telehealth.

FISCAL NOTE

This legislation will have no impact on the state's General Fund or federal funds. The Division of Occupational and Professional Licenses dedicated fund is expected to be revenue neutral based on the experience of similar licensure recognition agreements of other Idaho professional healthcare licensing boards, while saving individual telehealth credential holders both time and fees.
