

Idaho Libraries

- keep students learning
- Keep adults earning
- improve health & well-being of Idahoans

Libraries/Partners Support

- educational and employment needs of their communities
 - Dept. of Labor works with 17 libraries as part of its mobile service delivery model

Libraries as Telehealth Sites

Pilot in Clearwater County libraries -- providing access to healthcare otherwise unavailable in remote areas

Idaho Digital E-Book Alliance

Statewide K-12 E-Books and Audio Titles

\$307,000 (about \$1 per Idaho student)

- nearly every public library & 55+ school districts are connected to IDEA
- provided at no cost to libraries/school districts
- +22,000 e-books / e-audio available 24/7

EOR Education Opportunity Resource Act

Broadband Reimbursement

+ \$40,000 to \$232,600

would ensure sufficient reimbursement funds for public libraries' portion of their broadband costs (not covered by E-rate)

Authority to shift a small portion of ongoing federal funds to personnel and T&B using our existing funds

Decision Unit 3 & 4:

\$50,000 to personnel

\$30,000 to T&B for subgrants to local libraries

Digital Training and Programming Decision Unit 5 -- \$98,100 ARPA Funding

- continued support of digital access, early literacy services, & other outreach programs for vulnerable populations
- Funds need to be spent by September 30, 2022

Telehealth at Libraries

Decision Unit 6 -- \$3.5 million in one-time funds

- to improve public library buildings to enable work, education, and health monitoring in communities with critical needs
- 23 more telehealth sites

Digital Access for All Idahoans Plan Decision Unit 47 -- \$1.25 million IIJA Funding

- to lead planning efforts with state, local, and community stakeholders to develop a plan to ensure Idahoans can use reliable, high-speed internet

Infrastructure Investment
and Jobs Act (IIJA)

OITS Consolidation Reduction of 1.00 FTP

- As part of the Governor's initiative to consolidate, streamline, and improve information technology operations, this request accounts for a 1.00 FTP reduction of ICfL information technology staff.
- Carryover authority for IMLS/ARPA funds.

- gives more Idahoans access to digital resources

- gives K-12 students better access to reading materials and builds a love of reading/learning
