

STATEMENT OF PURPOSE

RS30146 / S1064

This Legislation provides an update to the Electronic Vehicle Credential Program passed by the legislature in 2021. It allows dealers to issue a 45 day temporary registration for anyone that files electronically for their registration at the time of purchase. This will allow time for ITD to collect all fees before issuance of title and registration.

FISCAL NOTE

There is no anticipated impact on the general fund because there will be no change in FTE requirements for related agencies.
