

IN THE SENATE

SENATE BILL NO. 1073, As Amended

BY LOCAL GOVERNMENT AND TAXATION COMMITTEE

AN ACT

1 RELATING TO PLANNING AND ZONING; AMENDING SECTION 67-6509, IDAHO CODE, TO  
2 REVISE PROVISIONS REGARDING COMPREHENSIVE PLANS; AMENDING SECTION  
3 67-6526, IDAHO CODE, TO REVISE PROVISIONS REGARDING AREAS OF CITY IM-  
4 PACT; AMENDING SECTION 50-222, IDAHO CODE, TO REVISE PROVISIONS REGARD-  
5 ING ANNEXING AN AREA OF IMPACT; AND DECLARING AN EMERGENCY AND PROVIDING  
6 AN EFFECTIVE DATE.  
7

8 Be It Enacted by the Legislature of the State of Idaho:

9 SECTION 1. That Section 67-6509, Idaho Code, be, and the same is hereby  
10 amended to read as follows:

11 67-6509. RECOMMENDATION AND ADOPTION, AMENDMENT, AND REPEAL OF THE  
12 PLAN. ~~(a)~~ (1) The planning or planning and zoning commission, prior to rec-  
13 ommending the plan, amendment, or repeal of the plan to the governing board,  
14 shall conduct at least one (1) public hearing in which interested persons  
15 shall have an opportunity to be heard. At least fifteen (15) days prior to  
16 the hearing, notice of the time and place and a summary of the plan to be  
17 discussed shall be published in the official newspaper or paper of general  
18 circulation within the jurisdiction. The commission shall also make avail-  
19 able a notice to other papers, radio, and television stations serving the  
20 jurisdiction for use as a public service announcement. Notice of intent to  
21 adopt, repeal, or amend the plan shall be sent to all political subdivisions  
22 providing services within the planning jurisdiction, including school dis-  
23 tricts and the manager or person in charge of the local public airport, at  
24 least fifteen (15) days prior to the public hearing scheduled by the com-  
25 mission. Following the commission hearing, if the commission recommends a  
26 material change to the proposed amendment to the plan which was considered at  
27 the hearing, it shall give notice of its proposed recommendation and conduct  
28 another public hearing concerning the matter if the governing board will  
29 not conduct a subsequent public hearing concerning the proposed amendment.  
30 If the governing board will conduct a subsequent public hearing, notice of  
31 the planning and zoning commission recommendation shall be included in the  
32 notice of public hearing provided by the governing board. A record of the  
33 hearings, findings made, and actions taken by the commission shall be main-  
34 tained by the city or county.

35 ~~(b)~~ (2) The governing board, as provided by local ordinance, prior to  
36 adoption, amendment, or repeal of the plan, may conduct at least one (1) pub-  
37 lic hearing, in addition to the public hearing(s) conducted by the commis-  
38 sion, using the same notice and hearing procedures as the commission. The  
39 governing board shall not hold a public hearing, give notice of a proposed  
40 hearing, nor take action upon the plan, amendments, or repeal until recom-  
41 mendations have been received from the commission. ~~Following consideration~~  
42 ~~by the governing board, if the governing board makes a material change in~~

1 ~~the recommendation or alternative options contained in the recommendation~~  
 2 ~~by the commission concerning adoption, amendment or repeal of a plan, fur-~~  
 3 ~~ther notice and hearing shall be provided before the governing board adopts,~~  
 4 ~~amends or repeals the plan.~~

5 ~~(e)~~ (3) No plan shall be effective unless adopted by resolution by the  
 6 governing board. A resolution enacting or amending a plan or part of a plan  
 7 may be adopted, amended, or repealed by definitive reference to the specific  
 8 plan document. A copy of the adopted or amended plan shall accompany each  
 9 adopting resolution and shall be kept on file with the city clerk or county  
 10 clerk.

11 ~~(d)~~ (4) Any person may petition the commission or, in absence of a com-  
 12 mission, the governing board, for a plan amendment at any time, unless the  
 13 governing board has established by resolution a minimum interval between  
 14 consideration of requests to amend, which interval shall not exceed six (6)  
 15 months. The commission may recommend amendments to the comprehensive plan  
 16 and to other ordinances authorized by this chapter to the governing board at  
 17 any time.

18 SECTION 2. That Section 67-6526, Idaho Code, be, and the same is hereby  
 19 amended to read as follows:

20 67-6526. AREAS OF CITY IMPACT -- ~~NEGOTIATION PROCEDURE.~~ ~~(a) The gov-~~  
 21 ~~erning board of each county and each city therein shall adopt by ordinance~~  
 22 ~~following the notice and hearing procedures provided in section 67-6509,~~  
 23 ~~Idaho Code, a map identifying an area of city impact within the unincorpo-~~  
 24 ~~rated area of the county. A separate ordinance providing for application of~~  
 25 ~~plans and ordinances for the area of city impact shall be adopted. Subject~~  
 26 ~~to the provisions of section 50-222, Idaho Code, an~~ (1) Legislative findings  
 27 and intent.

28 (a) The legislature finds that areas of impact are properly under the  
 29 jurisdiction of the county because the elected representatives of citi-  
 30 zens in areas of impact are county officials, not city officials. While  
 31 cities should receive notice of, and may provide input on, applications  
 32 brought to the county in an area of impact, cities do not govern or con-  
 33 trol decisions on those applications. County commissioners make the  
 34 final determination regarding area of impact boundaries within their  
 35 county.

36 (b) An area of impact is where growth and development are expected to  
 37 occur. Areas of impact should be planned for growth and development and  
 38 should not be used to stop growth and development that conforms to ap-  
 39 plicable plans and ordinances. Areas of impact should be established,  
 40 modified, or confirmed based upon the ability and likelihood of a city  
 41 or cities to annex lands within that area of impact in the near future.  
 42 A city may adopt a comprehensive plan and conduct infrastructure, cap-  
 43 ital improvement, and other planning activities that extend beyond its  
 44 current area of impact. Counties and cities shall review their area of  
 45 impact boundaries at least every five (5) years to determine if modifi-  
 46 cations are needed or to confirm existing boundaries and may pursue mod-  
 47 ification of an established area of impact more frequently than every  
 48 five (5) years.

1 (c) Prior to conducting the public hearings required under this chapter  
2 to establish, modify, or confirm an area of impact, cities and counties  
3 should work together to develop a proposed area of impact to be consid-  
4 ered at the public hearing. Landowners outside the current area of im-  
5 impact of a city that desire to be annexed into such city may propose an-  
6 nexation with the desired city. If that city is willing to annex such  
7 landowners' property, that city may apply to the board of county commis-  
8 sioners with jurisdiction over the land to be annexed for a limited mod-  
9 ification of the area of impact boundary as to that specific property or  
10 properties. The board of county commissioners shall then make a deter-  
11 mination on the application in accordance with the criteria established  
12 pursuant to this section.

13 (d) Category A annexations, as defined in section 50-222, Idaho Code,  
14 may occur outside an established area of impact, but no annexation may  
15 occur within another city's area of impact except as provided in section  
16 50-222(3)(a)(i)2., Idaho Code.

17 (e) Decisions regarding the establishment, modification, or confir-  
18 mation of areas of impact are legislative actions and are not subject  
19 to judicial review or challenge except as provided in subsection (5) of  
20 this section.

21 (2) Establishing an area of impact.

22 (a) Following the notice and hearing procedures provided in section  
23 67-6509, Idaho Code, and in accordance with the provisions of subsec-  
24 tion (4) of this section, the board of county commissioners of each  
25 county shall adopt by ordinance a map identifying the area of impact  
26 within the unincorporated area of the county for each city located in  
27 the county. Written notice of the hearing to be conducted under this  
28 subsection shall be provided by the county to each owner of property  
29 located within a proposed area of impact. If notice is also published  
30 pursuant to section 67-6509, Idaho Code, individual property owners  
31 may not challenge the proceeding on the basis that they did not actu-  
32 ally receive notice by mail. The cost of the notice shall be reimbursed  
33 to the county by the city whose area of impact is under consideration.  
34 The board of county commissioners is not required to receive a recom-  
35 mendation from the planning and zoning commission prior to enacting an  
36 ordinance establishing an area of impact. An area of city impact must  
37 be established before a city may annex adjacent territory pursuant to  
38 the provisions of section 50-222, Idaho Code. This separate ordinance  
39 shall provide for one (1) of the following:

40 (1) Application of the city plan and ordinances adopted under this  
41 chapter to the area of city impact; or

42 (2) Application of the county plan and ordinances adopted under this  
43 chapter to the area of city impact; or

44 (3) Application of any mutually agreed upon plan and ordinances adopted  
45 under this chapter to the area of city impact.

46 Areas of city impact, together with plan and ordinance requirements,  
47 may cross county boundaries by agreement of the city and county concerned if  
48 the city is within three (3) miles of the adjoining county.

49 (b) If the requirements of section 67-6526(a), Idaho Code, have not  
50 been met, either the city or the county may demand compliance with this

1 section by providing written notice to the other of said demand for compli-  
2 ance. Once a demand has been made, the city shall select its representative  
3 as hereinafter provided, within thirty (30) days of said demand, and the  
4 process set forth in this subsection shall commence. The county commission-  
5 ers for the county concerned, together with three (3) elected city officials  
6 designated by the mayor of the city and confirmed by the council, shall,  
7 within thirty (30) days after the city officials have been confirmed by the  
8 council, select three (3) city or county residents. These nine (9) persons  
9 shall, by majority vote, recommend to the city and county governing boards  
10 an area of city impact together with plan and ordinance requirements. The  
11 recommendations shall be submitted to the governing boards within one hun-  
12 dred eighty (180) days after the selection of the three (3) members at large  
13 and shall be acted upon by the governing boards within sixty (60) days of re-  
14 ceipt. If the city or county fails to enact ordinances providing for an area  
15 of city impact, plan, and ordinance requirements, either the city or county  
16 may seek a declaratory judgment from the district court identifying the area  
17 of city impact, and plan and ordinance requirements. In defining an area  
18 of city impact, the following factors shall be considered: (1) trade area;  
19 (2) geographic factors; and (3) areas that can reasonably be expected to be  
20 annexed to the city in the future.

21 (b) If the requirements of paragraph (a) of this subsection are not  
22 met in establishing an area of impact, the city may demand compliance  
23 with this subsection by providing notice to the board of county com-  
24 missioners of the demand for compliance. Once a demand has been made,  
25 a recommendation committee shall be established. The city and county  
26 shall each select a representative to participate on the committee  
27 within thirty (30) days of the demand for compliance and the process set  
28 forth in this paragraph shall commence.

29 (i) The city and county representatives having been selected,  
30 they shall in turn select a city resident and a county resident to  
31 serve on the recommending committee. Meetings of the recommend-  
32 ing committee may be hosted by the city or county and shall be con-  
33 ducted in accordance with Idaho open meeting laws. These four (4)  
34 persons shall, by majority vote, provide a written recommendation  
35 to the board of county commissioners for an area of impact. The  
36 written recommendation shall be submitted to the governing boards  
37 within one hundred eighty (180) days after the selection of the  
38 recommending committee members.

39 (ii) If the board of county commissioners fails to enact an or-  
40 dinance providing for an area of impact within ninety (90) days  
41 of receipt of the committee recommendation or expiration of the  
42 one hundred eighty (180) days for the committee to make its rec-  
43 ommendation, the city may file a petition with the district court  
44 to identify the area of impact pursuant to subsection (5) of this  
45 section and in accordance with other applicable provisions of this  
46 section.

47 ~~(c) If areas of city impact overlap, the cities involved shall negoti-~~  
48 ~~ate boundary adjustments to be recommended to the respective city councils.~~  
49 ~~If the cities cannot reach agreement, the board of county commissioners~~  
50 ~~shall, upon a request from either city, within thirty (30) days, recommend~~

1 adjustments to the areas of city impact which shall be adopted by ordinance  
2 by the cities following the notice and hearing procedures provided in sec-  
3 tion 67-6509, Idaho Code. If any city objects to the recommendation of the  
4 board of county commissioners, the county shall conduct an election, sub-  
5 ject to the provisions of section 34-106, Idaho Code, and establish polling  
6 places for the purpose of submitting to the qualified electors residing in  
7 the overlapping impact area, the question of which area of city impact the  
8 electors wish to reside. The results of the election shall be conclusive  
9 and binding, and no further proceedings shall be entertained by the board  
10 of county commissioners, and the decision shall not be appealable by either  
11 city involved. The clerk of the board of county commissioners shall by ab-  
12 stract of the results of the election, certify that fact, record the same and  
13 transmit copies of the original abstract of the result of the election to the  
14 clerk of the involved cities.

15 (3) Modification or confirmation of area of impact boundaries.

16 (a) Modification or confirmation of an existing area of impact boundary  
17 may be initiated by a city or cities or the county. If a county is ini-  
18 tiating a modification or confirmation of an area of impact, the county  
19 shall provide at least thirty (30) days written notice to the applicable  
20 city or cities of the hearing on the proposed modification or confirma-  
21 tion. Any modifications to or confirmation of an area of impact bound-  
22 ary must be adopted by an ordinance approved by the board of county com-  
23 missioners of the applicable county, following the notice and hearing  
24 procedures provided in section 67-6509, Idaho Code, and in accordance  
25 with the requirements for defining an area of impact as set forth in sub-  
26 section (4) of this section. At least fifteen (15) days prior to the  
27 hearing, written notice of the hearing to be conducted under this para-  
28 graph shall be provided by the county to each owner of property located  
29 within the portion of the area of impact that is proposed to be modi-  
30 fied. If notice is also published pursuant to section 67-6509, Idaho  
31 Code, individual property owners may not challenge the proceeding on  
32 the basis that they did not actually receive notice by mail. If the mod-  
33 ification or confirmation is proposed by a city, then the cost of the  
34 notice shall be reimbursed to the county by such city. If the county  
35 is pursuing the modification or confirmation, then the cost of notifi-  
36 cation shall be borne by the county. The board of county commissioners  
37 is not required to receive a recommendation from the planning and zon-  
38 ing commission prior to enacting an ordinance modifying or confirming  
39 an area of impact.

40 (b) Where areas of city impact abut each other and adjustments are being  
41 proposed, or where areas of impact are proposed to abut each other, the  
42 cities involved shall negotiate boundary adjustments to be recommended  
43 to the respective city councils. The city council of each city must  
44 approve the area of impact or modifications thereto to be proposed to  
45 the board of county commissioners. These decisions by the city councils  
46 are proposals and not subject to judicial review or challenge. If the  
47 cities with impact area boundaries that abut or are proposed to abut  
48 each other reach agreement on the proposed boundaries or adjustments  
49 thereto, the requested boundaries or adjustments shall be collectively  
50 submitted by the cities to the county for consideration in accordance

1 with paragraph (a) of this subsection. If the cities cannot reach  
2 agreement, then any or all of the cities involved may submit their re-  
3 quests to the board of county commissioners for consideration pursuant  
4 to paragraph (a) of this subsection. In either case, the county shall  
5 conduct at least one (1) consolidated public hearing where it considers  
6 all of such requests together.

7 (c) Owners of property outside the current area of impact of a city who  
8 wish to have their property annexed by such city may coordinate with the  
9 desired city regarding a request for an impact area boundary adjustment  
10 specific to that property or properties. If such city wants to annex  
11 said property or properties, that city may submit a written request to  
12 the board of county commissioners with jurisdiction over such property  
13 or properties for an impact area boundary adjustment specific to that  
14 property or properties. The county shall timely consider the request in  
15 accordance with the provisions of this subsection.

16 (d) The county may accept, reject, or modify a city's requested modi-  
17 fication or confirmation regarding an impact area boundary, but if the  
18 county does not make a final decision on the request within ninety (90)  
19 days of submission of the request, the city may petition the court to  
20 make a determination on the request pursuant to subsection (5) of this  
21 section.

22 (4) Provisions applicable to areas of city impact.

23 (a) In defining an initial area of impact or in modifying or confirming  
24 an existing area of impact, the criteria set forth in this subsection  
25 shall be considered:

26 (i) Anticipated commercial and residential growth;

27 (ii) Geographic factors;

28 (iii) Transportation infrastructure and systems, including con-  
29 nectivity;

30 (iv) Areas where municipal or public sewer and water are expected  
31 to be provided within five (5) years; and

32 (v) Other public service district boundaries.

33 (b) In addition to the criteria set forth in paragraph (a) of this sub-  
34 section, an impact area shall not exceed the areas that are very likely  
35 to be annexed to the city within the next five (5) years. Except as oth-  
36 erwise provided in this paragraph, an area of impact shall not extend  
37 more than one (1) mile from existing city limits. An impact area bound-  
38 ary shall not divide county recognized parcels of land. If only a por-  
39 tion of a recognized parcel falls within the one (1) mile limit, then the  
40 boundary may extend beyond one (1) mile on that parcel so that it encom-  
41 passes the entire parcel. Adjustments to an area of impact may be pro-  
42 posed and considered at any time following the initial establishment of  
43 the area of impact.

44 (c) Areas of city impact may cross county boundaries only by approval of  
45 the governing board of county commissioners after following the proce-  
46 dures and complying with the requirements for modification or confirma-  
47 tion of an area of impact boundary.

48 (d) Areas of city impact shall not overlap.

49 (e) The applicable county's comprehensive plan and zoning and subdivi-  
50 sion ordinances shall apply in the area of impact. The county may adopt

1 individual county comprehensive plan and zoning and subdivision ordi-  
2 nance provisions regarding an area of impact.

3 (f) Following adoption of an area of impact, the board of county com-  
4 missioners shall provide the city with written notice at least fifteen  
5 (15) days in advance of any county public hearings held pursuant to this  
6 chapter or to chapter 13, title 50, Idaho Code, involving land within  
7 that city's area of impact.

8 ~~(d) Areas of city impact, plan, and ordinance requirements shall remain~~  
9 ~~fixed until both governing boards agree to renegotiate. In the event the~~  
10 ~~city and county cannot agree, the judicial review process of subsection (b)~~  
11 ~~of this section shall apply. Renegotiations shall begin within thirty (30)~~  
12 ~~days after written request by the city or county and shall follow the proce-~~  
13 ~~dures for original negotiation provided in this section.~~

14 ~~(e) Prior to negotiation or renegotiation of areas of city impact,~~  
15 ~~plan, and ordinance requirements, the governing boards shall submit the~~  
16 ~~questions to the planning, zoning, or planning and zoning commission for~~  
17 ~~recommendation. Each commission shall have a reasonable time fixed by the~~  
18 ~~governing board to make its recommendations to the governing board. The gov-~~  
19 ~~erning boards shall undertake a review at least every ten (10) years of the~~  
20 ~~city impact plan and ordinance requirements to determine whether renegoti-~~  
21 ~~ations are in the best interests of the citizenry.~~

22 (g) Areas of city impact shall remain fixed until modifications are  
23 made pursuant to subsection (3) of this section.

24 (h) Prior to considering a request to establish, modify, or confirm an  
25 area of impact, the governing boards may, but are not required to, sub-  
26 mit the request to the planning, zoning, or planning and zoning commis-  
27 sion for recommendation. Each commission shall have a reasonable time  
28 fixed by its governing board in compliance with all required timelines  
29 set forth in this section to make its recommendation to the governing  
30 board. The county and the city shall undertake a review of the area of  
31 impact at least once every five (5) years and shall consider whether ad-  
32 justments are in the best interests of the citizenry.

33 ~~(f) (i) This section shall not preclude annexation or other growth and~~  
34 ~~development in areas of any county within the state of Idaho which are~~  
35 ~~not within the areas of city impact provided for herein.~~

36 (j) The county's decision establishing, modifying, or confirming the  
37 boundaries for an area of city impact shall be made in writing and shall  
38 contain the reasoning of the board of county commissioners, including  
39 application of the facts relied upon by the commissioners and the appli-  
40 cation of the pertinent requirements and criteria to establish or mod-  
41 ify an area of impact.

42 ~~(g) (k) If the area of impact has been delimited pursuant to the pro-~~  
43 ~~visions of subsection (a)(1) of this section properly established,~~  
44 ~~persons living within the delimited area of impact shall be entitled~~  
45 ~~to representation on the planning, zoning, or the planning and zoning~~  
46 ~~commission of the city of impact. Such representation shall as nearly~~  
47 ~~as possible reflect the proportion of population living within the~~  
48 ~~city as opposed to the population living within the areas of impact for~~  
49 ~~that city. To achieve such proportional representation, membership~~  
50 ~~of the planning, zoning or planning and zoning commission, may exceed~~

1 twelve (12) persons, notwithstanding the provisions of subsection (a)  
2 of section 67-6504, Idaho Code. In instances where a city has combined  
3 either or both of its planning and zoning functions with the county,  
4 representation on the resulting joint planning, zoning or planning and  
5 zoning commission shall as nearly as possible reflect the proportion  
6 of population living within the impacted city, the area of city impact  
7 outside the city, and the remaining unincorporated area of the county.  
8 Membership on such a joint planning, zoning or planning and zoning com-  
9 mission may exceed twelve (12) persons, notwithstanding the provisions  
10 of ~~subsection (a) of~~ section 67-6504(a), Idaho Code.

11 (5) Petitions for review of establishment, modification, or confirma-  
12 tion of area of impact. The decisions by the board of county commission-  
13 ers regarding the establishment, modification, or confirmation of areas of  
14 city impact are legislative actions and are not subject to judicial review,  
15 declaratory action, or other legal challenge, except as specifically pro-  
16 vided in this subsection.

17 (a) (i) If a county has not complied with the provisions of subsec-  
18 tion (2) or (3) of this section, the city seeking the establish-  
19 ment, modification, or confirmation of an area of impact may peti-  
20 tion the district court to establish, modify, or confirm an area of  
21 impact that meets the criteria and requirements of subsection (4)  
22 of this section in accordance with the procedures provided in this  
23 subsection. If the modification of an area of impact boundary in-  
24 volves areas of city impact boundaries that abut each other or that  
25 are proposed to abut each other, then any city whose area of impact  
26 abuts or is proposed to abut another city's area of impact bound-  
27 ary may file a petition challenging the county's determination re-  
28 garding only those boundaries that abut or that are proposed to  
29 abut each other. Any petition regarding a proposed area of impact  
30 or portion thereof that is subject to challenge must be filed in  
31 the county in which the proposed area of impact or portion thereof  
32 is located.

33 (ii) Before a city may file a petition for review of a proposed  
34 area of impact decision made by the county, it must first file a  
35 request for reconsideration with the board of county commission-  
36 ers. Such request must be filed within fourteen (14) days of the  
37 issuance of the written decision by the board of county commis-  
38 sioners and must specify deficiencies in the decision of the board  
39 of county commissioners. Filing a timely request for reconsider-  
40 ation is a prerequisite to the city having standing to file a peti-  
41 tion with the district court. The county shall act upon and issue a  
42 written decision on the request for reconsideration within thirty  
43 (30) days of receipt of the request or the request shall be deemed  
44 denied. A petition challenging the decision of the county must be  
45 filed by the city within twenty-eight (28) days after the issuance  
46 of a decision by the county on the request for reconsideration or  
47 expiration of the thirty (30) day period for the county to act on  
48 the request.

49 (b) When filing a petition challenging the decision of the board of  
50 county commissioners with the clerk of the court, the petitioners shall

1 pay a fee of one hundred dollars (\$100), which fee shall be in full for  
2 all clerk's fees except the regular fees provided by law for appeals.  
3 The court shall fix a time for the hearing on the petition to be held  
4 no less than thirty (30) days and no more than ninety (90) days from  
5 the filing of the petition. The petitioners shall serve or cause to  
6 be served a copy of the petition and notice of the hearing on the board  
7 of county commissioners or county clerk and the mayor or city clerk of  
8 such other city whose area of impact boundary is in question pursuant to  
9 paragraph (a) of this subsection at least twenty (20) days before the  
10 date of the hearing.

11 (c) The petitioner or petitioners shall also cause notice to be pub-  
12 lished once a week in two (2) consecutive weekly issues in a newspaper  
13 published in the city or cities and the county or counties who were  
14 served pursuant to paragraph (b) of this subsection. If no newspaper  
15 is published in said cities or counties, the petitioners shall cause  
16 notice to be posted in at least three (3) conspicuous places in said city  
17 or cities and county or counties. The notice shall state: the time and  
18 place of the hearing; the purpose of the petition; and the location and  
19 description or map depicting the area of impact to be established, modi-  
20 fied, or confirmed.

21 (d) No petition, objection, or reply authorized under this subsection  
22 need be verified.

23 (e) The hearing on a petition filed pursuant to this subsection shall be  
24 held within the county in which the area of impact or portion thereof is  
25 situated. The regular district court reporter shall reduce to writing  
26 the testimony and evidence introduced in the same manner as in a trial of  
27 civil actions. The judge of the court, either before or after the hear-  
28 ing, may view the lands pertaining to the proposed area of impact, lands  
29 on the outside of the city or cities in the same vicinity in which the  
30 lands sought to be included in the area of impact are situated, and other  
31 lands within the corporate limits of the city that might in any way be  
32 affected by the granting of the petition. The judge may consider such  
33 modifications as the judge finds in connection with the evidence intro-  
34 duced at the hearing, in making and arriving at a final decision and de-  
35 termination of the matter.

36 (f) (i) If the court finds that the board of county commission-  
37 ers did not follow the notice and hearing requirements provided  
38 in this subsection, the court shall remand the matter back to the  
39 board of county commissioners to comply with the requirements and  
40 issue a new decision. If the court finds that the decision of the  
41 board of county commissioners was not arbitrary, capricious, or  
42 an abuse of discretion, the court shall affirm the decision of the  
43 commissioners. If the court finds that the decision of the board  
44 of county commissioners was arbitrary, capricious, or an abuse of  
45 discretion, the court may remand the matter to the board of county  
46 commissioners to correct its decision or the court may determine  
47 the appropriate boundaries of the area of impact in question be-  
48 fore it. It shall not be necessary for the judge of the court to  
49 make written findings of fact or conclusions of law unless the  
50 court establishes the area of impact boundary. The court may award

1 attorney's fees and costs to the prevailing party in such an action  
2 only if it finds that the other party or parties acted without a  
3 reasonable basis in fact or law.

4 (ii) If the court establishes the area of impact boundary, such  
5 boundary shall become the area of impact boundary as of the date of  
6 the decree establishing the boundary. Within twenty (20) days af-  
7 ter the filing of the decree, the petitioner shall file or cause to  
8 be filed with the county recorder and with the city clerk a certi-  
9 fied copy of the decree. The board of county commissioners shall  
10 adopt an ordinance consistent with the court decree within thirty  
11 (30) days of the entry of the decree or be subject to contempt and  
12 other sanctions or actions deemed appropriate by the court.

13 (g) Any city or county aggrieved by the decision of the court may ap-  
14 peal from the decision and judgment to the supreme court. The procedure  
15 of the appeal shall be the same as the procedure for appeals from final  
16 judgment in civil actions.

17 (6) Cities and counties shall review their existing areas of city im-  
18 pect and shall reestablish the areas in conformance with the provisions of  
19 this section by December 31, 2024. Failure to timely conduct such review  
20 and reestablishment shall nullify the current area of impact boundaries and  
21 require the city and county to go through the process set forth in subsec-  
22 tion (2) of this section. In this initial establishment, the area of impact  
23 boundaries that, as of December 31, 2023, are not more than two (2) miles from  
24 the existing city limits may remain in place. An area of impact that extends  
25 beyond two (2) miles from the city limits must be redrawn to be no further  
26 than two (2) miles from the city limits in this initial review. Existing ar-  
27 reas of city impact that overlap must be brought into full compliance with the  
28 provisions of this section during this initial review. Subsequent modifica-  
29 tions of the area of impact occurring after this initial review shall fully  
30 comply with the provisions of this section.

31 SECTION 3. That Section 50-222, Idaho Code, be, and the same is hereby  
32 amended to read as follows:

33 50-222. ANNEXATION BY CITIES. (1) Legislative intent. The legisla-  
34 ture hereby declares and determines that it is the policy of the state of  
35 Idaho that cities of the state should be able to annex lands which are reason-  
36 ably necessary to assure the orderly development of Idaho's cities in order  
37 to allow efficient and economically viable provision of tax-supported and  
38 fee-supported municipal services, to enable the orderly development of pri-  
39 vate lands which benefit from the cost-effective availability of municipal  
40 services in urbanizing areas and to equitably allocate the costs of public  
41 services in management of development on the urban fringe.

42 (2) General authority. Cities have the authority to annex land into a  
43 city upon compliance with the procedures required in this section. In any  
44 annexation proceeding, all portions of highways lying wholly or partially  
45 within an area to be annexed shall be included within the area annexed unless  
46 expressly agreed between the annexing city and the governing board of the  
47 highway agency providing road maintenance at the time of annexation. Pro-  
48 vided further, that said city council shall not have the power to declare  
49 such land, lots or blocks a part of said city if they will be connected to such

1 city only by a shoestring or strip of land which comprises a railroad or high-  
2 way right-of-way.

3 (3) Annexation classifications. Annexations shall be classified and  
4 processed according to the standards for each respective category set forth  
5 herein. The three (3) categories of annexation are:

6 (a) Category A: Annexations wherein:

7 (i) All private landowners have consented to annexation.

8 1. Annexation where all landowners have consented may  
9 extend beyond the ~~city~~ annexing city's area of impact, pro-  
10 vided that the land is contiguous to the city and ~~that~~ the  
11 annexing city's comprehensive plan includes the area of  
12 annexation in its future land use map adopted by the city  
13 pursuant to section 67-6508 (e), Idaho Code.

14 2. Where abutting areas of city impact have been estab-  
15 lished, modified, or confirmed pursuant to section 67-6526,  
16 Idaho Code, a city may not undertake a category A annexation  
17 into another city's area of impact unless either: five (5)  
18 years have passed since the most recent ordinance or court  
19 judgment establishing, modifying, or confirming the abut-  
20 ting impact area boundary or portion thereof was adopted;  
21 or the city council for the city in whose area of impact the  
22 annexation is sought consents to the annexation. Any such  
23 consent must be reflected in the minutes of the city council  
24 meeting wherein the consent was granted;

25 (ii) Any residential enclaved lands of less than one hundred (100)  
26 privately owned parcels, irrespective of surface area, which are  
27 surrounded on all sides by land within a city or which are bounded  
28 on all sides by lands within a city and by the boundary of the  
29 city's area of impact; or

30 (iii) The lands are those for which owner approval must be given  
31 pursuant to subsection (5) (b) (v) of this section.

32 (b) Category B: Annexations wherein:

33 (i) The subject lands contain less than one hundred (100) sepa-  
34 rate private ownerships and platted lots of record and where not  
35 all such landowners have consented to annexation; or

36 (ii) The subject lands contain more than one hundred (100) sepa-  
37 rate private ownerships and platted lots of record and where  
38 landowners owning more than fifty percent (50%) of the area of the  
39 subject private lands have consented to annexation prior to the  
40 commencement of the annexation process; or

41 (iii) The lands are the subject of a development moratorium or a  
42 water or sewer connection restriction imposed by state or local  
43 health or environmental agencies; provided such lands shall not be  
44 counted for purposes of determining the number of separate private  
45 ownerships and platted lots of record aggregated to determine the  
46 appropriate category.

47 (c) Category C: Annexations wherein the subject lands contain more  
48 than one hundred (100) separate private ownerships and platted lots of  
49 record and where landowners owning more than fifty percent (50%) of the

1 area of the subject private lands have not consented to annexation prior  
2 to commencement of the annexation process.

3 (4) (a) Evidence of consent to annexation. For purposes of this sec-  
4 tion, and unless excepted in paragraph (b) of this subsection, consent  
5 to annex shall be valid only when evidenced by written instrument con-  
6 senting to annexation executed by the owner or the owner's authorized  
7 agent. Written consent to annex lands must be recorded in the county  
8 recorder's office to be binding upon subsequent purchasers, heirs, or  
9 assigns of lands addressed in the consent. Lands need not be contiguous  
10 or adjacent to the city limits at the time the landowner consents to an-  
11 nexation for the property to be subject to a valid consent to annex; pro-  
12 vided however, no annexation of lands shall occur, irrespective of con-  
13 sent, until such land becomes contiguous or adjacent to such city.

14 (b) Exceptions to the requirement of written consent to annexation.  
15 The following exceptions apply to the requirement of written consent to  
16 annexation provided for in paragraph (a) of this subsection:

17 (i) Enclaved lands: In category A annexations, no consent is nec-  
18 essary for enclaved lands meeting the requirements of subsection  
19 (3) (a) (ii) of this section;

20 (ii) Implied consent: In category B and C annexations, valid con-  
21 sent to annex is implied for the area of all lands connected to a  
22 water or wastewater collection system operated by the city if the  
23 connection was requested in writing by the owner, or the owner's  
24 authorized agent, or completed before July 1, 2008.

25 (5) Annexation procedures. Annexation of lands into a city shall fol-  
26 low the procedures applicable to the category of lands as established by this  
27 section. The implementation of any annexation proposal wherein the city  
28 council determines that annexation is appropriate shall be concluded with  
29 the passage of an ordinance of annexation.

30 (a) Procedures for category A annexations: Lands lying contiguous or  
31 adjacent to any city in the state of Idaho may be annexed by the city  
32 if the proposed annexation meets the requirements of category A. Upon  
33 determining that a proposed annexation meets such requirements, a city  
34 may initiate the planning and zoning procedures set forth in chapter 65,  
35 title 67, Idaho Code, to establish the comprehensive planning policies,  
36 where necessary, and zoning classification of the lands to be annexed.

37 (b) Procedures for category B annexations: A city may annex lands that  
38 would qualify under the requirements of category B annexation if the  
39 following requirements are met:

40 (i) The lands are contiguous or adjacent to the city and lie  
41 within the city's area of city impact;

42 (ii) The land is laid off into lots or blocks containing not more  
43 than five (5) acres of land each, whether the same shall have been  
44 or shall be laid off, subdivided or platted in accordance with any  
45 statute of this state or otherwise, or whenever the owner or pro-  
46 prietor or any person by or with his authority has sold or begun to  
47 sell off such contiguous or adjacent lands by metes and bounds in  
48 tracts not exceeding five (5) acres, or whenever the land is sur-  
49 rounded by the city. Splits of ownership which occurred prior to  
50 January 1, 1975, and which were the result of placement of public

1 utilities, public roads or highways, or railroad lines through the  
2 property shall not be considered as evidence of an intent to de-  
3 velop such land and shall not be sufficient evidence that the land  
4 has been laid off or subdivided in lots or blocks. A single sale  
5 after January 1, 1975, of five (5) acres or less to a family mem-  
6 ber of the owner for the purpose of constructing a residence shall  
7 not constitute a sale within the meaning of this section. For pur-  
8 poses of this section, "family member" means a natural person or  
9 the spouse of a natural person who is related to the owner by blood,  
10 adoption or marriage within the first degree of consanguinity;

11 (iii) Preparation and publication of a written annexation plan,  
12 appropriate to the scale of the annexation contemplated, which in-  
13 cludes, at a minimum, the following elements:

14 (A) The manner of providing tax-supported municipal ser-  
15 vices to the lands proposed to be annexed;

16 (B) The changes in taxation and other costs, using examples,  
17 which would result if the subject lands were to be annexed;

18 (C) The means of providing fee-supported municipal ser-  
19 vices, if any, to the lands proposed to be annexed;

20 (D) A brief analysis of the potential effects of annexation  
21 upon other units of local government which currently provide  
22 tax-supported or fee-supported services to the lands pro-  
23 posed to be annexed; and

24 (E) The proposed future land use plan and zoning designation  
25 or designations, subject to public hearing, for the lands  
26 proposed to be annexed;

27 (iv) Compliance with the notice and hearing procedures governing  
28 a zoning district boundary change as set forth in section 67-6511,  
29 Idaho Code, on the question of whether the property should be  
30 annexed and, if annexed, the zoning designation to be applied  
31 thereto; provided however, the initial notice of public hearing  
32 concerning the question of annexation and zoning shall be pub-  
33 lished in the official newspaper of the city and mailed by first  
34 class mail to every property owner with lands included in such  
35 annexation proposal not less than twenty-eight (28) days prior  
36 to the initial public hearing. All public hearing notices shall  
37 establish a time and procedure by which comments concerning the  
38 proposed annexation may be received in writing and heard and,  
39 additionally, public hearing notices delivered by mail shall in-  
40 clude a one (1) page summary of the contents of the city's proposed  
41 annexation plan and shall provide information regarding where the  
42 annexation plan may be obtained without charge by any property  
43 owner whose property would be subject to the annexation proposal.

44 (v) In addition to the standards set forth elsewhere in this sec-  
45 tion, annexation of the following lands must meet the following  
46 requirements:

47 (A) Property owned by a county or any entity within the  
48 county that is used as a fairgrounds area under the provi-  
49 sions of chapter 8, title 31, Idaho Code, or chapter 2, title  
50 22, Idaho Code, must have the consent of a majority of the

1 board of county commissioners of the county in which the  
2 property lies;

3 (B) Property owned by a nongovernmental entity that is used  
4 to provide outdoor recreational activities to the public,  
5 and that has been designated as a planned unit development of  
6 fifty (50) acres or more and does not require or utilize any  
7 city services, must have the express written permission of  
8 the nongovernmental entity owner;

9 (C) Land, if five (5) acres or greater, actively devoted to  
10 agriculture, as defined in section 63-604(1), Idaho Code,  
11 regardless of whether it is surrounded or bounded on all  
12 sides by lands within a city, must have the express written  
13 permission of the owner; and

14 (D) Land, if five (5) acres or greater, actively devoted to  
15 forest land, as defined in section 63-1701, Idaho Code, re-  
16 gardless of whether it is surrounded or bounded on all sides  
17 by lands within a city, must have the express written permis-  
18 sion of the owner.

19 (vi) After considering the written and oral comments of property  
20 owners whose land would be annexed and other affected persons,  
21 the city council may proceed with the enactment of an ordinance  
22 of annexation and zoning. In the course of the consideration of  
23 any such ordinance, the city must make express findings, to be set  
24 forth in the minutes of the city council meeting at which the an-  
25 nexation is approved, as follows:

26 (A) The land to be annexed meets the applicable requirements  
27 of this section and does not fall within the exceptions or  
28 conditional exceptions contained in this section;

29 (B) The annexation would be consistent with the public pur-  
30 poses addressed in the annexation plan prepared by the city;

31 (C) The annexation is reasonably necessary for the orderly  
32 development of the city;

33 (vii) Notwithstanding any other provision of this section, rail-  
34 road right-of-way property may be annexed pursuant to this sec-  
35 tion only when property within the city adjoins or will adjoin both  
36 sides of the right-of-way.

37 (c) Procedures for category C annexations: A city may annex lands that  
38 would qualify under the requirements of category C annexation if the  
39 following requirements are met:

40 (i) Compliance with the procedures governing category B annexa-  
41 tions; and

42 (ii) Evidence of consent to annexation based upon the following  
43 procedures:

44 (A) Following completion of all procedures required for  
45 consideration of a category B annexation, but prior to en-  
46 actment of an annexation ordinance and upon an affirmative  
47 action by the city council, the city shall mail notice to  
48 all private landowners owning lands within the area to be  
49 annexed, exclusive of the owners of lands that are subject  
50 to a consent to annex which complies with subsection (4) (a)

1 of this section defining consent. Such notice shall invite  
2 property owners to give written consent to the annexation,  
3 include a description of how that consent can be made and  
4 where it can be filed, and inform the landowners where the  
5 entire record of the subject annexation may be examined.  
6 Such mailed notice shall also include a legal description of  
7 the lands proposed for annexation and a simple map depicting  
8 the location of the subject lands.

9 (B) Each landowner desiring to consent to the proposed an-  
10 nexation must submit the consent in writing to the city clerk  
11 by a date specified in the notice, which date shall not be  
12 later than forty-five (45) days after the date of the mailing  
13 of such notice.

14 (C) After the date specified in the notice for receipt of  
15 written consent, the city clerk shall compile and present  
16 to the city council a report setting forth: (i) the total  
17 physical area sought to be annexed, and (ii) the total phys-  
18 ical area of the lands, as expressed in acres or square feet,  
19 whose owners have newly consented in writing to the annexa-  
20 tion, plus the area of all lands subject to a prior consent to  
21 annex which complies with subsection (4) (a) of this section  
22 defining consent. The clerk shall immediately report the  
23 results to the city council.

24 (D) Upon receiving such report, the city council shall re-  
25 view the results and may thereafter confirm whether consent  
26 was received from the owners of a majority of the land. The  
27 results of the report shall be reflected in the minutes of  
28 the city council. If the report as accepted by the city coun-  
29 cil confirms that owners of a majority of the land area have  
30 consented to annexation, the city council may enact an ordi-  
31 nance of annexation, which thereafter shall be published and  
32 become effective according to the terms of the ordinance.  
33 If the report confirms that owners of a majority of the land  
34 area have not consented to the annexation, the category C  
35 annexation shall not be authorized.

36 (6) The decision of a city council to annex and zone lands as a category  
37 B or category C annexation shall be subject to judicial review in accordance  
38 with the procedures provided in chapter 52, title 67, Idaho Code, and pur-  
39 suant to the standards set forth in section 67-5279, Idaho Code. Any such ap-  
40 peal shall be filed by an affected person in the appropriate district court  
41 no later than twenty-eight (28) days after the date of publication of the  
42 annexation ordinance. All cases in which there may arise a question of the  
43 validity of any annexation under this section shall be advanced as a matter  
44 of immediate public interest and concern and shall be heard by the district  
45 court at the earliest practicable time.

46 (7) Annexation of noncontiguous municipal airfield. A city may annex  
47 land that is not contiguous to the city and is occupied by a municipally owned  
48 or operated airport or landing field. However, a city may not annex any other  
49 land adjacent to such noncontiguous facilities which is not otherwise annex-  
50 able pursuant to this section.

1           SECTION 4. An emergency existing therefor, which emergency is hereby  
2 declared to exist, this act shall be in full force and effect on and after  
3 July 1, 2023.
