

STATEMENT OF PURPOSE

RS19112

This is a housekeeping measure seeking to clarify ambiguous language referring to liquor-by-the-drink licensees as defined in chapter 9, title 23, Idaho Code, as "licensed premises" in Sections 23-207(g), 23-311, and 23-610, Idaho Code. Correctly, referring to liquor-by-the-drink licensees as "licensees as defined in chapter 9, title 23, Idaho Code" eliminates all ambiguity and renders references thereto consistent throughout the Liquor Act.

Additionally, housekeeping measures are required and set forth at Section 23-207(g), Idaho Code, to eliminate unnecessary, confusing text and at Sections 23-311 and 23-610, Idaho Code, to revise terminology to render consistent reference to the Idaho State Liquor Division as the "division" and not as the "dispensary."
