- 27 Be It Enacted by the Legislature of the State of Idaho:
- SECTION 1. That Chapter 51, Title 54, Idaho Code, be, and the same is hereby repealed.
- 30 SECTION 2. That Title 54, Idaho Code, be, and the same is hereby amended 31 by the addition thereto of a <u>NEW CHAPTER</u>, to be known and designated as 32 Chapter 51, Title 54, Idaho Code, and to read as follows:

33 CHAPTER 51 34 IDAHO NATUROPATHIC MEDICINE PRACTICE ACT

- 54-5101. SHORT TITLE. This chapter shall be cited as the "Idaho Naturopathic Medicine Practice Act."
- 54-5102. LEGISLATIVE PURPOSE AND INTENT. The legislature finds and declares that the practice of naturopathic medicine in the state of Idaho:

(1) Impacts public health, safety and welfare and that the regulation and control of certain modalities in naturopathic medicine is in the public interest;

- (2) That such public interest requires the licensing of the scope of practice of such certain modalities in naturopathic medicine and that this chapter shall comprehensively provide for such licensing;
- (3) That the public interest is served by licensed naturopathic physicians who are residents of Idaho;
- (4) That nothing in this chapter shall require the licensing of naturopathic doctors as provided for in the Idaho supreme court decision of State v. Smith; and
- (5) That the practice of natural health care services as it is defined in this chapter shall not be regulated or require licensing except as provided by this chapter.
- 54-5103. DEFINITIONS. As used in this chapter the following terms have the meanings as stated:
- (1) "Commission" means the commission of naturopathic medicine created pursuant to section 54-5104, Idaho Code.
- (2) "Contact hour" means an instructional session of fifty (50) consecutive minutes, excluding coffee breaks, registration, meals without a speaker and social activities.
- (3) "Council on naturopathic medical education" or "CNME" means the agency currently recognized by the United States department of education to accredit naturopathic medical programs.
- (4) "Held out" means that a person represents, offers or extends to the public that such person is practicing as a doctor of naturopathy, naturopathic doctor or N.D., through advertisements, membership in the Idaho association of naturopathic physicians, office signage, telephone listings, or stationery and websites that include statements that a person is practicing as a doctor of naturopathy, naturopathic doctor or N.D., among others.
- (5) "Licensed naturopathic physician" means a person authorized and licensed to practice naturopathic medicine pursuant to the provisions of this chapter.
- (6) "Minor office procedures" means the methods for the repair and care incidental to superficial lacerations and abrasions, superficial lesions and the removal of foreign bodies located in the superficial tissues.
- (7) "Naturopathic medical formulary" means the list of prescription medicines that licensed naturopathic physicians may use in the practice of their profession.
- (8) "Naturopathic medicine" means a distinct and comprehensive system of primary health care consistent with naturopathic medical education, principles and training practiced by licensed naturopathic physicians. Naturopathic medicine includes, but is not restricted to, natural health care services as defined herein.
- (9) "Naturopathic physicians licensing examination" or "NPLEX" means the national naturopathic licensing examination administered by the north American board of naturopathic examiners.

- (10) "Natural health care services" means the broad domain of health care services and procedures, including diagnosis and treatment, where treatment or advice regarding the human body and its functions is administered by a person who:
 - (a) Uses only:

- (i) Natural elements including, without limitation, air, heat, water and light;
- (ii) Class I or class II nonprescription, approved medical devices as defined in section 513 of the federal food, drug and cosmetic act; and
- (iii) Vitamins, minerals, herbs, natural food products and their extracts, nutritional supplements and homeopathic preparations and remedies not otherwise prohibited by law.
- (b) Does not perform surgery or use legend drugs or prescription drugs in such practice.
- (11) "North American board of naturopathic examiners" or "NABNE" means the agency that has been recognized to administer a naturopathic examination that represents federal standards of education and training for naturopathic physicians.
- (12) "Principal home" or "primary home" or "place of abode" means the home or place in which a person's habitation is fixed and to which a person, whenever he is absent, has the present intention of returning after a departure or absence therefrom, regardless of the duration of absence. In determining what is a principal or primary place of abode of a person the following circumstances relating to such person may be taken into account: business pursuits, employment, income sources, residence for income or other tax pursuits, residence of parents, spouse, and children, if any, leaseholds, situs of personal and real property, situs of residence for which the exemption in section 63-602G, Idaho Code, is filed, and motor vehicle registration.
- (13) "Residence" means the principal or primary home or place of abode of a person.
- 54-5104. COMMISSION OF NATUROPATHIC MEDICINE CREATED. (1) There is hereby established in the department of self-governing agencies, bureau of occupational licenses, a commission of naturopathic medicine.
- (2) For the period July 1, 2010, until June 30, 2014, the commission shall consist of one (1) person appointed by the governor. Such person shall be denominated as the "commissioner." For the period July 1, 2014, until June 30, 2015, the commissioner shall be a nonvoting liaison to the commission.
- (3) Effective July 1, 2014, the commission shall consist of three (3) members appointed by the governor who shall be licensed pursuant to section 54-5108, Idaho Code, and shall have been practitioners of naturopathic medicine within the state of Idaho for a minimum of two (2) years immediately preceding their appointment. Such members shall practice as licensed naturopathic physicians within the state of Idaho for the duration of their appointment.
- (4) One (1) member of the commission effective on July 1, 2014, shall be appointed for a three (3) year term of office, one (1) member shall be appointed for a four (4) year term of office and one (1) member shall be

appointed for a five (5) year term of office. Thereafter, the term of office for each member shall be five (5) years.

- (5) Effective July 1, 2014, the commission, within thirty (30) days after its appointment, and at least annually thereafter, shall hold a meeting and elect a chairman. The commission may hold additional meetings at the call of the chair or at the written request of any two (2) members of the commission.
- (6) The commission may appoint such committees as it considers necessary to carry out its duties.
 - (7) A majority of the commission shall constitute a quorum.
- (8) Members of the commission shall serve at the pleasure of the governor.
- (9) In the event of death, resignation or removal of any member before the expiration of the term to which such member is appointed, the vacancy shall be filled for the unexpired portion of the term in the same manner as the original appointment.
- 54-5105. COMMISSION -- POWERS AND DUTIES. The commission shall have the authority and the responsibility to:
- (1) Receive applications for licensure, determine the qualifications of persons applying for licensure, issue licenses to applicants qualified under this chapter and renew, suspend, revoke, reinstate, condition, limit or take other disciplinary actions against licenses, provided however, that the commission shall not issue licenses pursuant to this chapter until it has promulgated rules that have been approved by the legislature;
 - (2) Establish and collect fees;

- (3) Establish by rule the amount and type of continuing education to be required for each licensed naturopathic physician who seeks renewal of a license after December 31, 2012, provided that the annual minimum amount shall be thirty (30) hours commensurate with naturopathic medicine, ten (10) hours of which shall be in pharmacological education;
- (4) Grant a special competency certificate for naturopathic childbirth attendance to those licensees who apply for such and can document training and experience equal to or greater than that required by the rules of the Idaho board of nursing, pursuant to section 54-1404, Idaho Code. The applicant shall hold hospital privileges and shall perform such procedures only under the supervision of a physician licensed pursuant to chapter 18, title 54, Idaho Code;
- (5) Grant a special competency certificate of intravenous therapy to those licensees who apply for such and can document appropriate training from a commission-approved class;
- (6) Promulgate and adopt rules, pursuant to chapter 52, title 67, Idaho Code, as necessary to administer and implement this chapter;
- (7) Authorize, by written agreement, the bureau of occupational licenses to act as agent in its interest; and
- (8) Provide such other services and perform such other functions as are consistent with this chapter and necessary to fulfill its responsibilities.
- 54-5106. LICENSURE. (1) The commission shall grant a license to any person who submits a completed application, pays the required fees and

demonstrates, to the satisfaction of the commission, that the applicant meets the qualifications for licensure.

- (2) All licenses issued under this chapter shall be for a term of one (1) year and shall expire on the birthday of the licensee unless renewed in the manner prescribed by rule. Rules governing procedures and conditions for license renewal and reinstatement shall be in accordance with section 67-2614, Idaho Code.
- 54-5107. APPLICATIONS. Applications shall be on forms prescribed by the commission. The applicant shall:
- (1) Give a full and direct response to the requirements of the application form; and
 - (2) Pay all required fees.

- 54-5107A. APPROVED NATUROPATHIC MEDICAL PROGRAM. An approved naturopathic medical program is:
- (1) A naturopathic medical education program in the United States providing the degree of doctor of naturopathy or doctor of naturopathic medicine that offers graduate-level full-time didactic and supervised clinical training and is accredited, or has achieved candidacy status for accreditation, by the council on naturopathic medical education (CNME) or an equivalent federally recognized accrediting body for naturopathic medical programs. Additionally, the program shall be an institution, or part of an institution of higher education, that is either accredited or is a candidate for accreditation by a regional accrediting agency recognized by the United States department of education;
- (2) A degree granting college or university that, prior to the existence of the CNME, offered a full-time structured curriculum in basic sciences and supervised patient care comprising a doctoral naturopathic medical education as a prerequisite to graduation therefrom, having been not less than one hundred thirty-two (132) weeks in duration and which required completion within a period of not less than thirty-five (35) months, and if still in existence has current programmatic accreditation by the CNME or federally recognized equivalent accrediting agency; or
- (3) A diploma granting, degree-equivalent college or university that, if in Canada and prior to the accreditation by the CNME, had provincial approval for participation in government funded student aid programs, and that offered a full-time structured curriculum in basic sciences and supervised patient care comprising a doctoral naturopathic medical education; such course, as a prerequisite to graduation therefrom, having been not less than one hundred thirty-two (132) weeks in duration and shall require completion within a period of not less than thirty-five (35) months, and if still in existence has current programmatic accreditation by the CNME or federally recognized equivalent accrediting agency.
- 54-5108. QUALIFICATIONS FOR LICENSURE. (1) Eligibility. To be eligible to be licensed as a naturopathic physician an applicant shall:
 - (a) Successfully complete an approved naturopathic medical program; and

- (b) Receive a passing score on the NPLEX or successor examination recognized by NABNE.
- (2) Optional examination. An applicant who has successfully completed an approved naturopathic medical program prior to the passage of this act and received a passing score on a commission-approved state examination or Canadian provincial examination shall also be eligible for licensure.
 - (3) Character. Applicants shall:

- (a) Possess a good, ethical and professional reputation;
- (b) Be physically and mentally capable of safely practicing naturopathic medicine with or without reasonable accommodation; and
- (c) Never have had a license to practice naturopathic medicine or other health care license, registration or certificate refused, revoked or suspended by any state or country for reasons that relate to the applicant's ability to skillfully and safely practice naturopathic medicine or other health care profession unless that license, registration or certification has been restored to good standing by that state or country.
- (4) All licensed naturopathic physicians shall have on file with the commission a commission-approved disclosure form stating the degrees, training, experience, credentials and the health care services they are commission-approved to provide.
- 54-5108A. ALTERNATIVE QUALIFICATIONS FOR LICENSURE -- DEADLINE FOR APPLICATION. (1) Notwithstanding the provisions of section 54-5108(1) and (2), Idaho Code:
 - (a) Alternative one. An applicant shall be deemed to be eligible for licensure if the applicant documents, to the satisfaction of the commission, that the applicant:
 - (i) Has established a residence in Idaho on or before July 1, 2010;
 - (ii) Successfully completed a postdoctoral college curriculum or program in naturopathy prior to September 1, 2009, or, for a period of five (5) years prior to July 1, 2010, has held out to the public as a naturopath in Idaho;
 - (iii) Is currently licensed in Idaho as a doctor of medicine, doctor of osteopathy or doctor of chiropractic, or is a doctor of chiropractic licensed in another state with a currently active federal drug enforcement agency registration number;
 - (iv) Meets the additional educational requirements of subsection(2) of this section.
 - (b) Alternative two. An applicant may also be deemed to be eligible for licensure if the applicant documents, to the satisfaction of the commission, that the applicant is a candidate for NPLEX examination and meets the additional educational requirements of subsection (2) of this section.
- (2) Additional educational qualifications for licensure. To be eligible for licensure under either paragraph (a) or (b) of subsection (1) of this section, the applicant shall also document, to the satisfaction of the commission, successful completion, prior to December 31, 2012, of the following additional education:

- (a) Classes in minor office procedures as offered by an accredited institution recognized by the United States department of education or the accreditation council for continuing medical education to offer such classes, including classes offered by the national procedures institute, or is certified by a surgical board recognized by the joint commission for hospital accreditation. The courses shall include:
 - (i) A summary of superficial minor office procedure: including cryosurgery, radiofrequency excision (modern electrosurgery) and biopsy techniques as well as treatment of lipomas, cysts, actinics, seborrheics, ingrown toenails, warts, skin tags and abscesses; and
 - (ii) A summary of basic suturing: including anatomy of the skin, principles of healing and basic wound care, as well as basic biopsy and excisional techniques, suturing methods, undermining, skin stapling and the application of adhesives; and
- (b) A seventy-two (72) contact hour course of study in clinical pharmacology offered by an accredited institution recognized by the United States department of education to provide such courses, prior to December 31, 2012, or has a federal drug enforcement administration certificate allowing for prescription privileges within the scope of practice authorized by this chapter. Proctored testing shall be provided by the institution. The course of study shall, at minimum, include: introduction to pharmacology/pharmacokinetics, drug errors, prescription writing, antimicrobials, hormones, dermatological drugs, topical and subcutaneous anesthetics, asthma medications, cardiovascular drugs and antidepressants.
- (3) Deadline for application. Individuals seeking licensure pursuant to subsections (1) and (2) of this section shall apply for licensure and provide the required documentation to the commission prior to December 31, 2012.
- (4) Applicants applying for licensure pursuant to this section shall comply with the requirements of section 54-5108(3) and (4), Idaho Code.
- 54-5109. TITLE AND SCOPE OF PRACTICE OF LICENSED NATUROPATHIC PHYSICIANS. (1) Title. Individuals licensed pursuant to this chapter shall be designated and may hold themselves out to others as "licensed naturopathic physician" or "licensed N.M.D."
- (2) Scope. Licensed naturopathic physicians are authorized to practice naturopathic medicine as follows:
 - (a) Use, order and perform physical and laboratory examinations for diagnostic purposes; provided that all such diagnostic and imaging tests not consistent with naturopathic medical education and training have been referred for performance and interpretation by an appropriately licensed health care professional;
 - (b) Dispense, administer and prescribe prescription drugs and medical devices as determined by the naturopathic medical formulary council and authorized by the commission;
 - (c) Perform minor office procedures as authorized by the commission; and

- (d) Perform therapies for which the licensed naturopathic physician is trained and educated and that have been authorized by the commission.
- 54-5110. INVESTIGATION -- HEARING -- SUBPOENA -- HEARING COMMITTEES. (1) The commission shall be empowered to investigate, or cause to be investigated, all complaints regarding any conduct prohibited by this chapter.

- (2) The commission may conduct hearings to assist with investigations to determine whether grounds exist for suspension, revocation or denial of a license or to fulfill its responsibilities under this chapter as the commission determines necessary.
- (3) The commission may subpoena witnesses, administer oaths in any hearing or disciplinary proceeding and compel, by subpoena duces tecum, the production of papers and records.
- At the request of a naturopathic physician licensed pursuant to section 54-5108A, Idaho Code, to whom a complaint is directed, the commission shall assign all such complaints to a hearing committee composed of three (3) licensed naturopathic physicians licensed pursuant to section 54-5108A, Idaho Code. Such physician shall pay the costs of such committee to conduct hearings that exceed the expense of the commission conducting any such hearing. Such committees may conduct hearings to assist with investigations, to determine whether grounds exist for suspension, revocation or denial of a license or other discipline as the committee determines necessary. The hearing committees may subpoena witnesses, administer oaths in any hearing or disciplinary proceeding and compel, by subpoena duces tecum, the production of papers and records. recommendations of a hearing committee to suspend, revoke or deny a license or impose other discipline shall be submitted to the commission, which shall have the authority to approve or deny such recommendation.
- 54-5111. DISCIPLINARY ACTION. (1) The commission may suspend, revoke, refuse to issue or refuse to renew a license, or may impose such other discipline as it deems appropriate, on any of the following grounds:
 - (a) The employment of fraud or deceit in obtaining a license under this chapter or in connection with services rendered as a naturopathic physician;
 - (b) A legal finding of mental incompetence;
 - (c) Aiding or abetting a person, not duly licensed under this chapter, in claiming to be a licensed naturopathic physician or in practicing naturopathic medicine;
 - (d) Any negligence, incompetence or misconduct in the performance of licensed naturopathic medicine;
 - (e) Conviction of any crime involving moral turpitude or the entering of a plea of guilty or the finding of guilt by a jury or court of a commission of a felony or a crime involving moral turpitude;
 - (f) Practicing as a licensed naturopathic physician when physical or mental abilities are impaired by the use of controlled substances or other drugs, chemicals or alcohol;
 - (g) Failure of the individual practitioner to maintain his or her professional premises in a clean and sanitary condition; or

- (h) Any other good cause relevant to qualifications to practice as a licensed naturopathic physician.
- (2) The commission may not suspend, revoke or refuse to issue or renew a license based solely on the finding that a licensee's practice is unconventional in the absence of demonstrable harm to a patient and the patient has signed a waiver to the effect that the treatment or device is considered unconventional.

- 54-5112. ADMINISTRATIVE PROCEDURE. When the commission proposes to refuse to issue or renew a license, or proposes to revoke, suspend or otherwise discipline a licensee, opportunity for a hearing shall be provided pursuant to the provisions of chapter 52, title 67, Idaho Code.
- 54-5113. NATUROPATHIC DOCTORS. (1) Nothing in this chapter shall prohibit or restrict the right to use or employ the titles "doctor of naturopathy," "naturopathic doctor" or the designation "N.D." by a person who has:
 - (a) Received a doctor of naturopathy degree from a school, college or institution that is licensed, or exempt from licensure as a religious school, college or institution, by the appropriate state educational licensing agency in which its principal operations or offices are located;
 - (b) Completed a doctoral level course of study that includes coursework and practical experience, which may include apprenticeship, of at least eight hundred (800) hours, upon completion of which a doctor of naturopathy degree is conferred;
 - (c) Practiced as a doctor of naturopathy for twenty (20) years prior to the effective date of this chapter; or
 - (d) Practiced as a doctor of naturopathy for at least five (5) years and received a doctor of naturopathy degree prior to the effective date of this chapter.
- (2) A person who does not meet the criteria set forth in this section shall not use the titles and terms contained in subsection (1) of this section.
- (3) Any person providing natural health services who is not a licensed naturopathic physician and who is advertising or charging a fee for those services shall, prior to providing such services, require each client receiving services to sign a declaration of informed consent stating that such person is not a licensed naturopathic physician or a licensed "N.M.D.," and, as required in section 54-1804(j), Idaho Code, stating such person is not an "M.D." or "D.O."
- 54-5114. NATUROPATHIC MEDICAL FORMULARY COUNCIL -- COMPOSITION -- DUTIES -- LIMITATION. (1) Effective January 1, 2011, there is hereby established a naturopathic medical formulary council which shall be separate and distinct from the commission.
- (2) The council shall be composed of five (5) members who shall serve without honorarium or compensation. Two (2) members shall be naturopathic physicians licensed pursuant to this chapter and be appointed by the commission. Three (3) members shall be pharmacists licensed under chapter

- 17, title 54, Idaho Code, and be appointed by the commission from a list of nominees provided by the Idaho state board of pharmacy.
- (3) The initial council shall be appointed as follows: one (1) licensed naturopathic physician appointed for a one (1) year term; one (1) pharmacist appointed for a two (2) year term; one (1) licensed naturopathic physician and two (2) pharmacists appointed for three (3) year terms. Thereafter, the term of all members shall be three (3) years.
- (4) A quorum shall consist of three (3) members, two (2) of whom shall be pharmacists and such quorum shall be required for any vote taken.
- (5) Licensed naturopathic physicians may prescribe and administer the following from this initial formulary:
 - (a) Amino acids and amino acid combinations;
 - (b) Antimicrobials;

- (c) Barrier contraceptives;
- (d) All botanical extracts and their derivatives prescription and nonprescription substances as exemplified in traditional botanical and herbal pharmacopoeia, which are to be used at accepted therapeutic dosages. Accepted therapeutic dosages means a dose that does not impair organ function or destroy human life;
- (e) Electrolytes and fluids replacement;
- (f) Enzyme, digestive and proteolytic preparations;
- (g) Homeopathic preparations, all prescription and nonprescription remedies;
- (h) All prescription and nonprescription minerals, trace metals and their derivatives;
- (i) Oxygen and related durable and nondurable medical goods and devices in all their forms;
- (i) Vaccines;
- (k) Neutraceuticals and all prescription and nonprescription vitamin preparations in all their forms;
- (1) Topical medicines;
- (m) Chelation agents; and
- (n) Hormones.
- (6) It shall be the duty of the council to review, modify and, as appropriate, expand the formulary for use by licensed naturopathic physicians, and immediately upon adoption or revision of the formulary, the council shall transmit the approved formulary to the commission, which shall promulgate rules adopting the formulary.
 - (a) The formulary may be reviewed annually by the council, or at any time at the request of the commission.
 - (b) The formulary shall be commensurate with prescription medicines and medical devices covered by approved naturopathic medical education and training and existing naturopathic medical formularies, and commission-approved continuing education.
- (7) The formulary list may not go beyond the scope of prescription medicines and medical devices covered by approved naturopathic medical education and training.
- (8) Nothing in this section shall allow a naturopathic physician to dispense, administer or prescribe any prescription drug as defined in section 54-1705(30), Idaho Code, or medical device unless such prescription

drug or medical device is specifically included in the naturopathic medical
formulary.

- 54-5115. PROHIBITIONS. A naturopathic doctor or licensed naturopathic physician shall not:
- (1) Prescribe, dispense or administer any controlled substance or device identified under the uniform controlled substances act, chapter 27, title 37, Idaho Code, or identified in the federal controlled substance act, 21 U.S.C. sections 801 through 971 (1988), as amended, except as authorized by this chapter;
- (2) Perform surgical procedures except those authorized by this chapter as minor office procedures;
- (3) Practice or claim to practice as a medical doctor, osteopath, dentist, podiatrist, optometrist, psychologist, advanced practice professional nurse, physician assistant, chiropractor, physical therapist, acupuncturist or any other health care professional not authorized in this chapter unless licensed by the state of Idaho to do so;
 - (4) Use general or spinal anesthetics;
- (5) Administer ionizing radioactive substances for therapeutic purposes;
 - (6) Perform surgical procedures using a laser device;
 - (7) Induce or perform an abortion;

- (8) Perform surgical procedures involving the eye, ear, tendons, nerves, veins or arteries extending beyond superficial tissue;
- (9) Treat any lesion suspicious of malignancy or requiring surgical removal. Lesions suspicious of malignancy or requiring surgical removal shall be referred to an appropriately licensed health care professional. Nothing in this chapter shall prohibit treatment of a person with suspicious or malignant lesions in conjunction with a physician licensed pursuant to chapter 18, title 54, Idaho Code.
- 54-5116. EXEMPTIONS. This chapter is not intended to and does not prohibit, restrict or apply to:
- (1) The practice of a profession by individuals who are licensed, certified or registered under other laws of this state and are performing services within the authorized scope of practice;
- (2) The practice of naturopathic medicine by an individual employed by the federal government while the individual is engaged in the performance of duties prescribed by the laws and regulations of the United States;
- (3) An individual rendering aid to a family member or in an emergency when no fee or other consideration for the service is charged, received, expected or contemplated;
- (4) A person engaged in the recommendation of or sale of vitamins, health foods, over-the-counter homeopathic products, dietary supplements, herbs or other products of nature, the sale of which is not otherwise prohibited under state or federal law;
- (5) A person engaged in good faith for religious reasons as a matter of conscience;
- (6) The practice by a naturopathic physician duly licensed in another state, territory or the District of Columbia when that naturopathic

physician is incidentally called into this state for consultation with a licensed physician;

- (7) The practice of naturopathic medicine by students enrolled in an approved naturopathic medical program pursuant to section 54-5107A, Idaho Code. Services shall be performed pursuant to a course of instruction or assignments from an instructor and under the supervision and observation of the instructor;
 - (8) Those who practice massage therapy or body work therapies; or
- (9) The practice and providing of natural health care services in compliance with sections 54-1804 and 54-5113, Idaho Code, by a person who is not licensed, certified or registered in this state as a health care professional or practitioner.
- 54-5117. FEES. (1) All fees received pursuant to the provisions of this chapter shall be paid to the department of self-governing agencies, bureau of occupational licenses, and deposited in the state treasury to the credit of the occupational licenses fund. All costs and expenses incurred pursuant to the provisions of this chapter shall be charged against and paid from said fund. In no case may any salary, expense or other obligation of the commission be charged against the general fund.
- (2) For the period July 1, 2010, until December 31, 2012, the required fees are:
 - (a) Application fee of two hundred fifty dollars (\$250);
 - (b) Licensure fee of one thousand dollars (\$1,000);
 - (c) Annual renewal fee of five hundred dollars (\$500).
- (3) After January 1, 2013, fees shall be set by the commission pursuant to rule and shall not exceed one thousand dollars (\$1,000).
 - (4) No refund, in whole or in part, shall be made of any fees.
- (5) The commission may use a portion of such fees to retire the debt created by the board of naturopathic medical examiners to the bureau of occupational licenses.
- 54-5118. ENFORCEMENT -- PENALTIES. (1) Every person who knowingly holds himself or herself out as a licensed naturopathic physician or who practices naturopathic medicine in this state without a license is guilty of a misdemeanor. A person who pleads guilty to or is found guilty of a second or subsequent offense shall be guilty of a felony.
- (2) It is a misdemeanor for any person to assume or use the title or designation "licensed naturopathic physician" or "licensed N.M.D." or any other title, designation, words, letters, abbreviations, sign, card or device to indicate to the public that such person is licensed to practice naturopathic medicine pursuant to this chapter unless such person is so licensed. Any person who pleads guilty to or is found guilty of a second or subsequent offense under this subsection shall be guilty of a felony.
- (3) Nothing contained in this chapter shall regulate, restrict or prohibit the practice of naturopathy or any naturopathic health care treatment, therapy or modality, unregulated or permitted by law prior to July 1, 2010, except to the extent that such specific treatment, therapy or modality is enumerated in this chapter and requires a license under this chapter.

(4) If the commission determines in good faith that a person is holding himself out as a licensed naturopathic physician, or practicing naturopathic medicine, in violation of the provisions of this chapter, the commission may seek an injunction in state district court, provided it has given thirty (30) days' prior written notice to cease and desist against any person who does not comply with such notice and who holds himself out as a licensed naturopathic physician or practices in violation of the provisions of this chapter and may, in the event a permanent injunction is entered against such person be entitled to all costs and fees incurred by the commission in seeking the injunction.

- 54-5119. LICENSES ISSUED PURSUANT TO PRIOR CHAPTER. (1) Naturopathic physicians licensed pursuant to the predecessor to this chapter shall be licensed pursuant to this chapter if:
 - (a) Such naturopathic physician meets the qualifications for licensure established in section 54-5108, Idaho Code, and applies for such license pursuant to section 54-5106, Idaho Code; or
 - (b) In the event such naturopathic physician does not meet the qualifications established in section 54-5108, Idaho Code, he or she shall be licensed pursuant to this chapter but with those privileges provided to licensed naturopathic physicians contained in section 54-5109, Idaho Code, as determined by the commission, provided that:
 - (i) Such physician applies for such license pursuant to section 54-5106, Idaho Code; and
 - (ii) Any person who qualifies to be licensed pursuant to the provisions of section 54-5108A(1), Idaho Code, shall not be licensed after December 31, 2012, if any such person fails to complete the requirements of section 54-5108A(2), Idaho Code.
- (2) Applications for licenses not acted upon pursuant to the predecessor to this chapter on the effective date of this chapter shall be null and void and of no legal effect. Fees accompanying such applications are nonrefundable.
- (3) A license issued pursuant to the predecessor to this chapter shall remain in effect until July 1, 2011, provided that such licensee shall submit a renewal fee of five hundred dollars (\$500) to the department of self-governing agencies, bureau of occupational licenses, by August 1, 2010.
