

STATEMENT OF PURPOSE

RS20890

The purpose of this legislation is to approve the Rathdrum Prairie Comprehensive Aquifer Management Plan (RPCAMP) as a component of the Comprehensive State Water Plan. The RPCAMP was authorized by Sections 42-1734A and 42-1779, Idaho Code. The RPCAMP establishes long term strategies to preserve Idaho's ability to manage its water resources for Idaho's needs within a shared aquifer system.

FISCAL NOTE

There is no impact to the General Fund.
