

STATEMENT OF PURPOSE

RS20967

This legislation adds a new section to Idaho Code allowing for the Administrator of the Division of Veterans Services or his designee to be appointed to act as a payee, fiduciary or other agent for the purpose of receiving funds payable to a resident of a veteran's home of this state. All moneys received are to be held in a trust and proper accounting of those funds is required. This new section comes about due to some veteran's home residents not being able to handle their own financial affairs.

FISCAL NOTE

No fiscal impact to the General Fund.
