44-1502. MINIMUM WAGES. (1) Except as hereinafter otherwise provided, no employer shall pay to any of his employees any wages computed at a rate of less than seven dollars and twenty-five cents (\$7.25) per an hour for employment. The amount of the minimum wage shall conform to, and track with, the federal minimum wage.

- (2) In determining the wage of a tipped employee, the amount of direct wages paid by an employer to the employee shall be deemed to be increased on account of tips actually received by the employee; provided however, the direct wages paid to the employee by the employer shall not be in an amount less than three dollars and thirty-five cents (\$3.35) an hour. Any portion of tips paid to an employee, which is shared with other employees under a tip pooling or similar arrangement, shall not be deemed, for the purpose of this section, to be tips actually received by the employee.

No employer may take any action to displace employees (including partial displacements such as reduction in hours, wages or employment benefits) for purposes of hiring individuals at the wage authorized in this subsection.
- (4) No political subdivision of this state, as defined by section 6-902, Idaho Code, shall establish by ordinance or other action minimum wages higher than the minimum wages provided in this section.
