Motions, Memorials, and Resolutions

HOUSE CONCURRENT RESOLUTION NO. 24

BY TRANSPORTATION AND DEFENSE COMMITTEE

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND AUTHORIZING THE LEGISLATIVE COUNCIL TO APPOINT A COMMITTEE TO UNDERTAKE AND COMPLETE A STUDY OF CERTAIN TRANSPORTATION CORRIDORS IN IDAHO.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, State Highway 55 is a vital road that provides the primary vehicular travel connection between central Idaho and the Treasure Valley; and

WHEREAS, as the population of Idaho has increased, so too has vehicle traffic on State Highway 55, resulting in significant traffic congestion on State Highway 55 during high-volume periods, including the months of June, July, and August; and

WHEREAS, with increased traffic congestion comes increased vehicle accidents and fatalities. According to the Idaho transportation department, in the period from 2018-2022 there were 900 accidents and 25 fatalities on State Highway 55; and

WHEREAS, State Highway 55, particularly that portion running along the west side of the Payette River between Horseshoe Bend and Rainbow Bridge, affords views of a uniquely scenic and beautiful portion of the Gem State that is unquestionably worthy of protection; and

WHEREAS, the route followed by State Highway 55, although scenic and beautiful, does not offer sufficient additional width for meaningful enlargement of the roadway absent significant earthmoving activity, which could greatly increase the incidence of geologic instability adjacent to a major vehicular travel route; and

WHEREAS, because State Highway 55 is a two-lane roadway for most of the distance between Horseshoe Bend and Round Valley, traffic accidents and other emergency situations that occur on State Highway 55 inevitably result in unsafe conditions and delays; and

WHEREAS, existing roadways for north-south travel by vehicle between central Idaho and the Treasure Valley currently are limited in both number and capacity; and

WHEREAS, enhancing Idahoans' options for north-south vehicle travel would reduce traffic accidents, increase the interconnectivity of Idaho's small towns, and promote tourism and agribusiness, both of which are crucial to maintaining a healthy state economy; and

WHEREAS, implementing alternative north-south routes would unlock the center of the Gem State, thereby enabling economic growth and the creation of new jobs in industries that have been landlocked by the current lack of vehicle connectivity; and

WHEREAS, identifying alternative routes for vehicular travel would help ensure the safe and expedient movement of vehicles, materials, supplies, and people between central Idaho and the Treasure Valley, thereby improving recreation opportunities and generally raising Idahoans' quality of life.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislative Council is authorized to appoint a committee to undertake and complete a study of existing transportation corridors including State Highway 55, State Highway 16, and State Highway 95, and of potential alternate routes for safe vehicular travel between central Idaho and the Treasure Valley.

BE IT FURTHER RESOLVED that the Legislative Council shall determine the number of legislators and membership from each house appointed to the committee and shall authorize the committee to receive input, advice, and assistance from interested and affected parties who are not members of the Legislature.

BE IT FURTHER RESOLVED that the Legislative Council may authorize the committee to appoint nonlegislative advisors with technical expertise with regard to transportation infrastructure, civil engineering, and legal information and issues, and such other subjects as the committee deems necessary or advisable for the committee to efficiently conduct and complete its business.

BE IT FURTHER RESOLVED that any nonlegislative advisors to the committee are not members of the committee, shall not be reimbursed from legislative funds for per diem, mileage, or other expenses, and shall not have voting privileges regarding the committee's recommendations or proposed legislation.

BE IT FURTHER RESOLVED that the committee shall report its findings, recommendations, and proposed legislation, if any, to the First Regular Session of the Sixty-eighth Idaho Legislature.

**HOUSE JOINT MEMORIAL NO. 6
BY STATE AFFAIRS COMMITTEE**

A JOINT MEMORIAL

TO THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES, AND TO THE DIRECTOR OF THE UNITED STATES DEPARTMENT OF THE INTERIOR.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Sixty-seventh Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Bureau of Land Management has proposed a rule entitled "Conservation and Landscape Health"; and

WHEREAS, the long-standing federal statute that governs federal lands is the Federal Land Policy and Management Act of 1976, more commonly known as FLPMA. FLPMA requires the Secretary of the Interior, acting through the Bureau of Land Management to conduct a land use planning process and the management of public lands on the basis of multiple use and sustained yield principles, and to balance the need for environmental protection against the need for domestic sources of minerals, food, timber, and fiber. FLPMA also requires that priority be given to the protection of those lands that are determined to be of "critical environmental concern"; and

WHEREAS, the proposed Conservation and Landscape Health rule would elevate conservation to a level consistent with other federal multiple use requirements, putting conservation on par with revenue raising uses; and

WHEREAS, it is of concern that the Bureau of Land Management may use the rule aggressively to restrict use of federal lands, disrupting multiple uses from grazing to recreation as well as other considerations such as tribal access. It is also of critical concern how application of the proposed rule will impact actions associated with threatened and endangered species; and

WHEREAS, areas of critical environmental concern are also addressed in the proposed rule. Even though such areas are already allowed for, the uncertainties associated with the proposed rule make it unknown how the existing process might change; and

WHEREAS, FLPMA has provided a fifty year directive to assure access to federal lands. The proposed rule intends to reinterpret this long-standing federal law simply through agency action. Agencies do not have this authority. Changes in federal law need to go through Congress and the proposed rule attempts to circumvent Congress; and

WHEREAS, the proposed rule would lead to increased bureaucracy, confusion, and the likelihood of lawsuits.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature opposes the Bureau of Land Management's proposed rule entitled "Conservation and Landscape Health" and urges that the rule be withdrawn in its entirety.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of

Congress, to the congressional delegation representing the State of Idaho in the Congress of the United States, and to the Director of the United States Department of the Interior.

**HOUSE JOINT MEMORIAL NO. 7
BY STATE AFFAIRS COMMITTEE**

A JOINT MEMORIAL

TO THE GOVERNOR OF THE STATE OF IDAHO, TO THE PRESIDENT OF THE UNITED STATES, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Sixty-seventh Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the State of Idaho values its sovereignty and independence; and

WHEREAS, the citizens of Idaho are increasingly alarmed by the influence of international organizations like the United Nations and the World Economic Forum in this state; and

WHEREAS, the citizens of Idaho have expressed deep concern over proposals supported by the United Nations and the World Economic Forum, including but not limited to:

(1) The promotion of insect-based foods as a replacement for traditional meat products, limiting food choice and infringing on personal dietary preferences and traditions;

(2) The imposition of ESG, or environmental, social, and corporate governance, requirements on businesses that increase regulations, raise costs, and reduce economic freedom for entrepreneurs and businesses;

(3) The concept of social credit, akin to a credit score for social behaviors, that gives the government undue control over individuals' daily lives, punishing those who dissent or hold differing views;

(4) Advocacy for censorship, including government preapproval of information shared online, on social media, and on television that threatens the fundamental principles of free speech and stifles open discourse;

(5) Support for global medical mandates, such as lockdowns, travel bans, business closures, and medical passports, that infringe on individual liberties and personal autonomy;

(6) The endorsement of digital identification that records and tracks individuals' activities, raising concerns about mass surveillance and the erosion of personal privacy;

(7) The potential implementation of mass surveillance technologies, including facial recognition cameras and biometric implants, that pose significant threats to personal privacy and civil liberties;

(8) Placing onerous burdens, costs, and regulations on farmers in the name of sustainability goals that jeopardize agricultural practices and the livelihoods of farmers;

(9) The advocacy for the elimination of private property rights, which undermines the principles of individual ownership and personal freedom; and

(10) The introduction of central bank digital currencies (CBDCs), programmable currency controlled by central banks, that grant the government instant visibility and control over citizens' finances, infringing on financial privacy and personal autonomy.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixty-seventh Idaho Legislature, the House of Representatives and the Senate concurring therein, that the State of Idaho firmly reasserts its unwavering dedication to the principles of sovereignty

and self-determination, declaring unequivocally that any encroachments on the freedom of its residents must be immediately stopped.

BE IT FURTHER RESOLVED that the State of Idaho openly voices its concerns regarding all attempts made by international organizations, including but not limited to the United Nations and the World Economic Forum, to advocate for policies and initiatives that could undermine the core values and interests of Idaho's citizens.

BE IT FURTHER RESOLVED that the State of Idaho strongly encourages a comprehensive review of all agreements or partnerships involving international organizations to guarantee their alignment with the fundamental principles of individual freedom, privacy, autonomy, and the right to private property, which are cherished by the people of Idaho.

BE IT FURTHER RESOLVED that the State of Idaho remains resolute in its commitment to engaging in international cooperation as long as such endeavors respect the autonomy and sovereignty of our great state.

BE IT FURTHER RESOLVED that the Idaho Legislature expects all elected officials at every level of government to employ every available means to safeguard the inalienable rights of the citizens of Idaho from any threats or infringements.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the Governor of the State of Idaho, to the President of the United States, and to the congressional delegation representing the State of Idaho in the Congress of the United States.

HCR 24, HJM 6, and HJM 7 were introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.
