

STATEMENT OF PURPOSE

RS31776 / H0064

This amendment seeks to clarify which individuals within a business entity have liability for the failure to obtain workers' compensation insurance. Specifically enumerating "members" of a limited liability company will align with legislative intent to hold business owners and those responsible for obtaining Idaho workers' compensation insurance liable.

FISCAL NOTE

This legislation will have no impact on the general fund, any dedicated fund, or federal fund as this proposal simply seeks to clarify existing law.
