

REVISED

STATEMENT OF PURPOSE

RS32070 / H0098

This legislation prohibits public officials from allowing school district funds, personnel, and other resources to be used in support of teachers' unions. Depending on the outcome of district-by-district bargaining negotiations, some school districts may experience a modest indeterminate increase in revenue. This could occur if unions are required to reimburse the district for any time teachers spend on union-related activities during school work hours.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
