

STATEMENT OF PURPOSE

RS32331 / H0204

This legislation would create two new license plates. The first plate will be an all black plate with white lettering. The word “Idaho” will be placed on the top and “World Famous Potatoes” along the bottom. Proceeds from the sale of these specialty plates would go to the Idaho Potato Commission and the state highway account. In addition to the regular registration fees, the initial issuance fee for the specialty black and white license plate will be \$70 with \$25 going to the Idaho Potato Commission and \$45 to the state highway account. The renewal fee will be \$50 with \$15 going to the Idaho Potato Commission and \$45 going to the state highway fund. The second plate will be an all white plate with teal lettering. The word “Idaho” will be placed on the top and “World Famous Potatoes” along the bottom. There will be no additional fee on top of the regular registration fee. This license plate will be the cheapest plate available for registered Idaho drivers.

FISCAL NOTE

There is no impact to the general fund. The cost to implement two new plate options is less than \$5,000 and is covered by fees collected by the program.
