34 EMERGENCY MEDICAL SERVICES ACT

35 46-906. RECOGNITION OF EMS PERSONNEL LICENSURE INTERSTATE COMPACT  
36 (REPLICA). The recognition of EMS personnel licensure interstate compact  
37 (REPLICA) is hereby enacted into law and entered into with all other juris-  
38 dictions legally joining therein, in the form substantially as follows:

39 SECTION I

40 PURPOSE

1 In order to protect the public through verification of competency and  
2 ensure accountability for patient care-related activities, all states li-  
3 cense emergency medical services (EMS) personnel, such as emergency medi-  
4 cal technicians (EMTs), advanced EMTs and paramedics. This compact is in-  
5 tended to facilitate the day-to-day movement of EMS personnel across state  
6 boundaries in the performance of their EMS duties as assigned by an appro-  
7 priate authority and authorize state EMS offices to afford immediate legal  
8 recognition to EMS personnel licensed in a member state. This compact rec-  
9 ognizes that states have a vested interest in protecting the public's health  
10 and safety through their licensing and regulation of EMS personnel and that  
11 such state regulation shared among the member states will best protect pub-  
12 lic health and safety. This compact is designed to achieve the following  
13 purposes and objectives:

- 14 (1) Increase public access to EMS personnel;
- 15 (2) Enhance the states' ability to protect the public's health and  
16 safety, especially patient safety;
- 17 (3) Encourage the cooperation of member states in the areas of EMS per-  
18 sonnel licensure and regulation;
- 19 (4) Support licensing of military members who are separating from an  
20 active duty tour and their spouses;
- 21 (5) Facilitate the exchange of information between member states re-  
22 garding EMS personnel licensure, adverse action and significant investiga-  
23 tory information;
- 24 (6) Promote compliance with the laws governing EMS personnel practice  
25 in each member state; and
- 26 (7) Invest all member states with the authority to hold EMS personnel  
27 accountable through the mutual recognition of member state licenses.

27 such adverse action.

28 (6) A home state's EMS authority shall investigate and take appropriate  
29 action with respect to reported conduct in a remote state as it would if such

31 law shall control in determining the appropriate adverse action.

32 (7) Nothing in this compact shall override a member state's decision  
33 that participation in an alternative program may be used in lieu of adverse  
34 action and that such participation shall remain nonpublic if required by  
35 the member state's laws. Member states must require individuals who enter  
36 any alternative programs to agree not to practice in any other member state

14 pact states.

15 (b) Venue is proper and judicial proceedings by or against the commis-  
16 sion shall be brought solely and exclusively in a court of competent ju-  
17 risdiction where the principal office of the commission is located. The  
18 commission may waive venue and jurisdictional defenses to the extent  
19 it adopts or consents to participate in alternative dispute resolution  
20 proceedings.

21 (c) Nothing in this compact shall be construed to be a waiver of  
22 sovereign immunity.

23 (2) Membership, voting, and meetings.

24 (a) Each member state shall have and be limited to one (1) delegate. The  
25 responsible official of the state EMS authority or such official's de-

35 (b) Each delegate shall be entitled to one (1) vote with regard to the  
36 promulgation of rules and creation of bylaws and shall otherwise have  
37 an opportunity to participate in the business and affairs of the commis-  
38 sion. A delegate shall vote in person or by such other means as provided  
39 in the bylaws. The bylaws may provide for delegates' participation in  
40 meetings by telephone or other means of communication.

41 (c) The commission shall meet at least once during each calendar year.  
42 Additional meetings shall be held as set forth in the bylaws.

43 (d) All meetings shall be open to the public, and public notice of meet-  
44 ings shall be given in the same manner as required under the rulemaking  
45 provisions in section XII of this compact.

46 (e) The commission may convene in a closed, nonpublic meeting if the  
47 commission must discuss noncompliance of a member state with its obli-

10 investigatory records compiled for law enforcement purposes; disclo-  
11 sure of information related to any investigatory reports prepared by or  
12 on behalf of or for use of the commission or other committee charged with  
13 responsibility of investigation or determination of compliance issues  
14 pursuant to the compact; or matters specifically exempted from disclo-  
15 sure by federal or member state statute.

16 (f) If a meeting, or portion of a meeting, is closed pursuant to this  
17 provision, the commission's legal counsel or designee shall certify  
18 that the meeting may be closed and shall reference each relevant exempt-  
19 ing provision. The commission shall keep minutes that fully and clearly  
20 describe all matters discussed in a meeting and shall provide a full and  
21 accurate summary of actions taken, and the reasons therefore, including  
22 a description of the views expressed. All documents considered in con-  
23 nection with an action shall be identified in such minutes. All minutes  
24 and documents of a closed meeting shall remain under seal, subject to  
25 release by a majority vote of the commission or order of a court of com-  
26 petent jurisdiction.

27 (3) The commission shall, by a majority vote of the delegates, pre-  
28 scribe bylaws and/or rules to govern its conduct as may be necessary or  
29 appropriate to carry out the purposes and exercise the powers of the compact,  
30 including but not limited to:

44 member with no proxy votes allowed;

9 (h) Publishing its bylaws and filing a copy thereof, and a copy of any  
10 amendment thereto, with the appropriate agency or officer in each of the  
11 member states, if any;

19 shall have the force and effect of law and shall be binding in all member  
20 states;

21 (b) To bring and prosecute legal proceedings or actions in the name of  
22 the commission, provided that the standing of any state EMS authority or  
23 other regulatory body responsible for EMS personnel licensure to sue or  
24 be sued under applicable law shall not be affected;

37 est;

38 (g) To lease, purchase, accept appropriate gifts or donations of, or

16 the operations and activities of the commission and its staff, which  
17 must be in a total amount sufficient to cover its annual budget as ap-  
18 proved each year for which revenue is not provided by other sources. The  
19 aggregate annual assessment amount shall be allocated based upon a for-  
20 mula to be determined by the commission, which shall promulgate a rule  
21 binding upon all member states.

22 (d) The commission shall not incur obligations of any kind prior to  
23 securing the funds adequate to meet the same; nor shall the commission  
24 pledge the credit of any of the member states, except by and with the  
25 authority of the member state.

26 (e) The commission shall keep accurate accounts of all receipts and  
27 disbursements. The receipts and disbursements of the commission shall  
28 be subject to the audit and accounting procedures established under its  
29 bylaws. However, all receipts and disbursements of funds handled by the  
30 commission shall be audited yearly by a certified or licensed public  
31 accountant, and the report of the audit shall be included in and become  
32 part of the annual report of the commission.

33 (6) Qualified immunity, defense, and indemnification.

34 (a) The members, officers, executive director, employees and represen-  
35 tatives of the commission shall be immune from suit and liability, ei-  
36 ther personally or in their official capacity, for any claim for dam-  
37 age to or loss of property or personal injury or other civil liability  
38 caused by or arising out of any actual or alleged act, error or omission  
39 that occurred, or that the person against whom the claim is made had a  
40 reasonable basis for believing occurred within the scope of commission  
41 employment, duties or responsibilities; provided that nothing in this  
42 paragraph shall be construed to protect any such person from suit and/or  
43 liability for any damage, loss, injury or liability caused by the inten-  
44 tional or willful or wanton misconduct of that person.

45 (b) The commission shall defend any member, officer, executive direc-  
46 tor, employee or representative of the commission in any civil action  
47 seeking to impose liability arising out of any actual or alleged act,  
48 error or omission that occurred within the scope of commission employ-  
49 ment, duties or responsibilities, or that the person against whom the  
50 claim is made had a reasonable basis for believing occurred within the

1 scope of commission employment, duties or responsibilities; provided  
2 that nothing in this section shall be construed to prohibit that person  
3 from retaining such person's own counsel; and provided further, that  
4 the actual or alleged act, error or omission did not result from that  
5 person's intentional or willful or wanton misconduct.

6 (c) The commission shall indemnify and hold harmless any member, offi-  
7 cer, executive director, employee or representative of the commission  
8 for the amount of any settlement or judgment obtained against that per-  
9 son arising out of any actual or alleged act, error or omission that oc-  
10 curred within the scope of commission employment, duties or responsi-  
11 bilities, or that such person had a reasonable basis for believing oc-  
12 curred within the scope of commission employment, duties or responsi-  
13 bilities, provided that the actual or alleged act, error or omission did  
14 not result from the intentional or willful or wanton misconduct of that  
15 person.

16 SECTION XI  
17 COORDINATED DATABASE

18 (1) The commission shall provide for the development and maintenance of  
19 a coordinated database and reporting system containing licensure, adverse  
20 action and significant investigatory information on all licensed individu-  
21 als in member states.

22 (2) Notwithstanding any other provision of state law to the contrary, a  
23 member state shall submit a uniform data set to the coordinated database on  
24 all individuals to whom this compact is applicable as required by the rules  
25 of the commission, including:

26 (a) Identifying information;

27 (b) Licensure data;

28 (c) Significant investigatory information;

29 (d) Adverse actions against an individual's license;

30 (e) An indicator that an individual's privilege to practice is re-  
31 stricted, suspended or revoked;

32 (f) Nonconfidential information related to alternative program par-  
33 ticipation;

34 (g) Any denial of application for licensure and the reason(s) for such  
35 denial; and

36 (h) Other information that may facilitate the administration of this  
37 compact, as determined by the rules of the commission.

38 (3) The coordinated database administrator shall promptly notify all  
39 member states of any adverse action taken against, or significant investiga-  
40 tive information on, any individual in a member state.

41 (4) Member states contributing information to the coordinated database  
42 may designate information that may not be shared with the public without the  
43 express permission of the contributing state.

44 (5) Any information submitted to the coordinated database that is sub-  
45 sequently required to be expunged by the laws of the member state contribut-  
46 ing the information shall be removed from the coordinated database.

47 SECTION XII

## RULEMAKING

1  
2 (1) The commission shall exercise its rulemaking powers pursuant to the  
3 criteria set forth in this section and the rules adopted thereunder. Rules  
4 and amendments shall become binding as of the date specified in each rule or  
5 amendment.

6 (2) If a majority of the legislatures of the member states rejects a  
7 rule, by enactment of a statute or resolution in the same manner used to adopt  
8 the compact, then such rule shall have no further force and effect in any mem-  
9 ber state.

10 (3) Rules or amendments to the rules shall be adopted at a regular or  
11 special meeting of the commission.

12 (4) Prior to promulgation and adoption of a final rule or rules by the  
13 commission, and at least sixty (60) days in advance of the meeting at which  
14 the rule will be considered and voted upon, the commission shall file a no-  
15 tice of proposed rulemaking:

16 (a) On the website of the commission; and

17 (b) On the website of each member state EMS authority or the publication  
18 in which each state would otherwise publish proposed rules.

19 (5) The notice of proposed rulemaking shall include:

20 (a) The proposed time, date and location of the meeting in which the  
21 rule will be considered and voted upon;

22 (b) The text of the proposed rule or amendment and the reason for the  
23 proposed rule;

24 (c) A request for comments on the proposed rule from any interested per-  
25 son; and

26 (d) The manner in which interested persons may submit notice to the com-  
27 mission of their intention to attend the public hearing and any written  
28 comments.

29 (6) Prior to adoption of a proposed rule, the commission shall allow  
30 persons to submit written data, facts, opinions and arguments, which shall  
31 be made available to the public.

32 (7) The commission shall grant an opportunity for a public hearing be-  
33 fore it adopts a rule or amendment if a hearing is requested by:

34 (a) At least twenty-five (25) persons;

35 (b) A governmental subdivision or agency; or

36 (c) An association having at least twenty-five (25) members.

37 (8) If a hearing is held on the proposed rule or amendment, the commis-  
38 sion shall publish the place, time and date of the scheduled public hearing.

39 (a) All persons wishing to be heard at the hearing shall notify the ex-  
40 ecutive director of the commission or other designated member in writ-  
41 ing of their desire to appear and testify at the hearing not less than  
42 five (5) business days before the scheduled date of the hearing.

43 (b) Hearings shall be conducted in a manner providing each person who  
44 wishes to comment a fair and reasonable opportunity to comment orally or  
45 in writing.

46 (c) No transcript of the hearing is required, unless a written request  
47 for a transcript is made, in which case the person requesting the tran-  
48 script shall bear the cost of producing the transcript. A recording may  
49 be made in lieu of a transcript under the same terms and conditions as

1 a transcript. This subsection shall not preclude the commission from  
2 making a transcript or recording of the hearing if it so chooses.

3 (d) Nothing in this section shall be construed as requiring a separate  
4 hearing on each rule. Rules may be grouped for the convenience of the  
5 commission at hearings required by this section.

6 (9) Following the scheduled hearing date, or by the close of business on  
7 the scheduled hearing date if the hearing was not held, the commission shall  
8 consider all written and oral comments received.

9 (10) The commission shall, by majority vote of all members, take final  
10 action on the proposed rule and shall determine the effective date of the  
11 rule, if any, based on the rulemaking record and the full text of the rule.

12 (11) If no written notice of intent to attend the public hearing by in-  
13 terested parties is received, the commission may proceed with promulgation  
14 of the proposed rule without a public hearing.

15 (12) Upon determination that an emergency exists, the commission may  
16 consider and adopt an emergency rule without prior notice, opportunity for  
17 comment, or hearing, provided that the usual rulemaking procedures provided  
18 in the compact and in this section shall be retroactively applied to the rule  
19 as soon as reasonably possible, in no event later than ninety (90) days after  
20 the effective date of the rule. For the purposes of this provision, an emer-  
21 gency rule is one that must be adopted immediately in order to:

22 (a) Meet an imminent threat to public health, safety or welfare;

23 (b) Prevent a loss of commission or member state funds;

24 (c) Meet a deadline for the promulgation of an administrative rule that  
25 is established by federal law or rule; or

26 (d) Protect public health and safety.

27 (13) The commission or an authorized committee of the commission may di-  
28 rect revisions to a previously adopted rule or amendment for purposes of cor-  
29 recting typographical errors, errors in format, errors in consistency, or  
30 grammatical errors. Public notice of any revisions shall be posted on the  
31 website of the commission. The revision shall be subject to challenge by any  
32 person for a period of thirty (30) days after posting. The revision may be  
33 challenged only on grounds that the revision results in a material change  
34 to a rule. A challenge shall be made in writing, and delivered to the chair  
35 of the commission prior to the end of the notice period. If no challenge is  
36 made, the revision will take effect without further action. If the revision  
37 is challenged, the revision may not take effect without the approval of the  
38 commission.

39 SECTION XIII  
40 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

41 (1) Oversight.

42 (a) The executive, legislative and judicial branches of state govern-  
43 ment in each member state shall enforce this compact and take all ac-  
44 tions necessary and appropriate to effectuate the compact's purposes  
45 and intent. The provisions of this compact and the rules promulgated  
46 hereunder shall have standing as statutory law.

47 (b) All courts shall take judicial notice of the compact and the rules  
48 in any judicial or administrative proceeding in a member state pertain-

1 ing to the subject matter of this compact that may affect the powers, re-  
2 sponsibilities or actions of the commission.

3 (c) The commission shall be entitled to receive service of process in  
4 any such proceeding, and shall have standing to intervene in such a pro-  
5 ceeding for all purposes. Failure to provide service of process to the  
6 commission shall render a judgment or order void as to the commission,  
7 this compact, or promulgated rules.

8 (2) Default, technical assistance, and termination.

9 (a) If the commission determines that a member state has defaulted in  
10 the performance of its obligations or responsibilities under this com-  
11 pact or the promulgated rules, the commission shall provide written no-  
12 tice to the defaulting state and other member states of the nature of the  
13 default, the proposed means of curing the default and/or any other ac-  
14 tion to be taken by the commission; and provide remedial training and  
15 specific technical assistance regarding the default.

16 (b) If a state in default fails to cure the default, the defaulting  
17 state may be terminated from the compact upon an affirmative vote of a  
18 majority of the member states, and all rights, privileges and benefits  
19 conferred by this compact may be terminated on the effective date of  
20 termination. A cure of the default does not relieve the offending state  
21 of obligations or liabilities incurred during the period of default.

22 (c) Termination of membership in the compact shall be imposed only af-  
23 ter all other means of securing compliance have been exhausted. Notice  
24 of intent to suspend or terminate shall be given by the commission to the  
25 governor, the majority and minority leaders of the defaulting state's  
26 legislature, and each of the member states.

27 (d) A state that has been terminated is responsible for all assess-  
28 ments, obligations and liabilities incurred through the effective date  
29 of termination, including obligations that extend beyond the effective  
30 date of termination.

31 (e) The commission shall not bear any costs related to a state that is  
32 found to be in default or that has been terminated from the compact, un-  
33 less agreed upon in writing between the commission and the defaulting  
34 state.

35 (f) The defaulting state may appeal the action of the commission by pe-  
36 titioning the United States district court for the District of Columbia  
37 or the federal district where the commission has its principal offices.  
38 The prevailing member shall be awarded all costs of such litigation, in-  
39 cluding reasonable attorney's fees.

40 (3) Dispute resolution.

41 (a) Upon request by a member state, the commission shall attempt to re-  
42 solve disputes related to the compact that arise among member states and  
43 between member and nonmember states.

44 (b) The commission shall promulgate a rule providing for both mediation  
45 and binding dispute resolution for disputes as appropriate.

46 (4) Enforcement.

47 (a) The commission, in the reasonable exercise of its discretion, shall  
48 enforce the provisions and rules of this compact.

49 (b) By majority vote, the commission may initiate legal action in the  
50 United States district court for the District of Columbia or the fed-

1 eral district where the commission has its principal offices against  
2 a member state in default to enforce compliance with the provisions of  
3 the compact and its promulgated rules and bylaws. The relief sought  
4 may include both injunctive relief and damages. In the event judicial  
5 enforcement is necessary, the prevailing member shall be awarded all  
6 costs of such litigation, including reasonable attorney's fees.

7 (c) The remedies in this section shall not be the exclusive remedies of  
8 the commission. The commission may pursue any other remedies available  
9 under federal or state law.

#### 10 SECTION XIV

#### 11 DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR EMS PERSONNEL 12 PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

13 (1) The compact shall come into effect on the date on which the compact  
14 statute is enacted into law in the tenth member state. The provisions, which  
15 become effective at that time, shall be limited to the powers granted to the  
16 commission relating to assembly and the promulgation of rules. Thereafter,  
17 the commission shall meet and exercise rulemaking powers necessary to the  
18 implementation and administration of the compact.

19 (2) Any state that joins the compact subsequent to the commission's  
20 initial adoption of the rules shall be subject to the rules as they exist  
21 on the date on which the compact becomes law in that state. Any rule that  
22 has been previously adopted by the commission shall have the full force and  
23 effect of law on the day the compact becomes law in that state.

24 (3) Any member state may withdraw from this compact by enacting a  
25 statute repealing the same.

26 (a) A member state's withdrawal shall not take effect until six (6)  
27 months after enactment of the repealing statute.

28 (b) Withdrawal shall not affect the continuing requirement of the with-  
29 drawing state's EMS authority to comply with the investigative and ad-  
30 verse action reporting requirements of this compact prior to the effec-  
31 tive date of withdrawal.

32 (4) Nothing contained in this compact shall be construed to invalidate  
33 or prevent any EMS personnel licensure agreement or other cooperative ar-  
34 rangement between a member state and a nonmember state that does not conflict  
35 with the provisions of this compact.

36 (5) This compact may be amended by the member states. No amendment to  
37 this compact shall become effective and binding upon any member state until  
38 it is enacted into the laws of all member states.

#### 39 SECTION XV

#### 40 CONSTRUCTION AND SEVERABILITY

41 This compact shall be liberally construed so as to effectuate the pur-  
42 poses thereof. If this compact shall be held contrary to the constitution of  
43 any state member thereto, the compact shall remain in full force and effect  
44 as to the remaining member states. Nothing in this compact supersedes state  
45 law or rules related to licensure of EMS agencies.
